# TO THE PUBLIC.

THE time being fixed on, when the MILITARY LAND (commonly called Knox's) WARRANTS, granted to the United States' army, are to be registered and located,-the fubfcribers have explored that tract of land on which those warrants are to be laid; with a view, and for the purpole of offering their fervices as locaters.

We take the liberty of fuggefting, " that weare at leaft as well acquainted with the fituation, quality of the foil, &c. of the different townships in the aforefaid tract, as any other perion :" this will, perhaps, appear more clearly, by obferving, that WIL-LIAM C. SCHENK affifted in running the Indian boundary line; at which time he confiderably traveried that tract: he alfo affified in furveying and laying it off into townfhips, and at other times ranged over it, to gain information. But to obtain a more complete and accurate knowledge, we have lately fpent between two and three months, with feveral affiftants, in particu-larly examining the different townfhips and quarter townfhips; by which means we have acquired an accurate knowledge of the whole diffrict.— We now offer our fervices to the public, as Locaters, with afferances that we will locate every perfons warrants intrufted to us to the beft advantage, agreeably to their rights of location, which is to be determined according to law. For our far-vices we demand the one equal tenth part, either in lands or warrants, when we locate a full tract, of four thousand acres or more, for one perfon or firm ; the land to be taken in a logare, at a corner of the tract; which corner is to be equitably determined before the time of location.—The one equal fixth part, in cafe or warrants, when we connect and locate any amount lefs than four thou-fland acres. We will be in Philadelphia from December next, until after the time of location, to transact this bufuets. Any perfon withing to tatisfy himfelf farther, tive to the army laws may be obtained. JOHN MATHEWS. will please to call on us, by letter, (poftage paid) or otherwife ; when due attention will be paid, and fuch vouchers may be feen as we have to offer, which we have will be fatisfactory.
