

**JUST RECEIVED,**  
AND FOR SALE  
**By WILLIAM Y. BIRCH,**  
STATIONER,  
No. 17 South Second Street,  
THE FOLLOWING  
**VALUABLE MEDICINES.**

**Infalible Ague and Fever Drops.**  
A long eulogium on the virtues of this medicine is unnecessary, as the money will be returned if patient is not relieved—it never having failed in many thousand cases; not one in a hundred has had occasion to take more than a bottle, and numbers not half a bottle.

**Hahn's Anti-bilious Pills.**  
**Dr. HAHN'S**  
TRUE AND GENUINE  
**German Corn Plaster.**  
An infalible remedy for corns, speedily removing them root and branch, without giving pain.

**The Genuine Persian Lotion.**  
So celebrated among the fashionable throughout Europe, as an invaluable cosmetic, perfectly innocent and safe, free from corrosive and repellant minerals (the basis of other lotions) and of unparalleled efficacy in preventing and removing cutaneous blemishes of the face and skin of every kind, particularly, freckles, pimples, pits after small pox, inflammatory redness, scurfs, tetters, ring worms, ita burns, prickly heat, premature wrinkles, &c. The Persian Lotion operates mildly, without impeding that natural, insensible perspiration, which is essential to health—yet its effects are speedy and permanent, rendering the skin delicately soft and smooth, improving the complexion and restoring the bloom of youth; never failing to render an ordinary countenance beautiful, and a handsome one more so.

**Sovereign Ointment for the Itch,**  
Warranted an infalible and immediate cure, at once using; being the most speedy, effectual and pleasant remedy ever offered to the public, and for the facilitation of the timid, the proprietor makes oath, that this ointment does not contain a single particle of mercury or any other pernicious ingredient in its composition, and may be used with the most perfect safety by pregnant women and on infants newly born.

**Patent Indian Vegetable Specific,**  
For the cure of Venereal Complaints of every description.  
An extensive trial of near four years, has proved the vegetable specific to be effectual in expelling the venereal virus, however deeply rooted in the constitution, and has restored health to many who have been brought to the verge of the grave by the improper administration of mercury. Within this period upwards of eight thousand patients have experienced its salutary effects.  
With the medicine is given a description of the symptoms which obtain in every stage of the disease, with copious directions for their treatment, so as to accomplish a perfect cure in the shortest time and with the least inconvenience possible.

**HAMILTON'S**  
**Warm destroying Lozenges,**  
Which have, within nine months past, relieved upwards of EIGHTEEN THOUSAND PERSONS of all ages in various complaints arising from worms and from looseness or obstructions in the stomach and bowels.  
This medicine bears no analogy whatever to others of similar title commonly complained of, as operating with a degree of violence, sufficient not only to kill worms, but sometimes to endanger the patient's life; on the contrary, a peculiar excellence of this remedy is, its being suited to every age and constitution, contains nothing but what is perfectly innocent, and is so mild in its operation, that it cannot injure the most delicate pregnant lady, or the tenderest infant of a week old, should no worms exist in the body; but will, without pain or griping, cleanse the stomach and bowels of whatever is foul or offensive, and thereby prevent the production of worms and many fatal disorders.

At the place of sale may be seen many remarkable cases of cures, the authenticity of which any person may ascertain, either by letter or personal application—not being performed in Europe, nobody knows where—but at home.  
Persons wishing to procure any of the above medicines genuine, must apply ONLY as above—and likewise observe, that the signature of Lee & Co. (who are appointed the general agents for the United States) is placed on the outside of each, without which they cannot be genuine.

At the above place may be likewise had,  
**GOWLAND'S LOTION.**  
**CHURCH'S COUGH DROPS.**  
**ANDERSON'S PILLS, &c. &c.**  
Wholesale purchasers allowed a liberal profit by application to Lee & Co. Market street, Baltimore; who will punctually execute all orders.

**TERMS**  
Of Richard Folwell, in Philadelphia,  
FOR SUBSCRIBING TO THE  
**JOURNALS OF CONGRESS,**  
From the commencement  
Of the American War, in 1774, to  
the present time;  
INCLUDING  
The Reports of Heads of Departments, of  
Committees, and other Official and Private Papers of that Body; now first permitted to be made public.  
TERMS.  
THE work will be printed on a fine paper, and a new neat type, in large octavo.  
Each volume will contain above 500 pages, neatly bound and lettered.  
Uniformity in size, paper, and binding, will be observed throughout the work; so that, while the subscribers become possessors of a valuable record, an ornament may be added to their libraries.  
The price to subscribers will be 2 dollars, 75 cts: per volume, in boards, and 3 dollars, whole bound, but, as the publisher does not intend to print more than the number subscribed for, a considerable rise on the price may be expected to non-subscribers.  
Each volume will contain about one third less of letter-press than the original edition; but, as the publisher is not yet enabled to determine the extent of the Private Journals, which he may be allowed to make public, he cannot ascertain the number of volumes which will comprise the work.  
Payments to be made on delivery of each volume.  
Subscribers will have it at their option, either to subscribe for the whole of the Journals, up to the present time, or to those only of the Old Congress prior to the organization of the Federal Government.

IN all countries, the proceedings in the commencement of their governments, are lost in darkness and obscurity, owing to a carelessness in the succeeding generation, to preserve the public records, and the attention of the nation, in their rude ages, being called off from their domestic concerns, to engage in wars and conquest. Of what infinite value would the laws of Alfred be, had they been transmitted to our days? Time, that destroys every thing, enhances the value of well authenticated public records, and renders them almost inestimable. It is hoped, that Americans will, therefore, cheerfully contribute their assistance in transmitting to posterity the labours of their ancestors—founders of the Columbian nation.  
\* \* \* The work will certainly be advanced with expedition and promptitude. The following will show the support it has already acquired:  
"Philadelphia, June 15, 1798."  
"To the Honorable the Senate and House of Representatives of the United States."  
"The MEMORIAL of the Subscribers, Citizens, &c. of Philadelphia,  
"Respectfully presented,  
"That having, in our respective vocations, frequent occasions to recur to the Journals of Congress, we experience inconvenience by the scarcity of them: That we understand that Richard Folwell, printer, of Philadelphia, has had it in contemplation to print that public record; and that he hath obtained partial countenance from many individuals; but that he has delayed prosecuting the work, in expectation of encouragement from government, that may adequately indemnify him. We, therefore, respectfully solicit, as the publication is necessary to be disseminated among public bodies, that Congress will, in their wisdom, render him such additional encouragement, to that which he has obtained from private individuals, as to enable him to proceed with the work, so that your Memorials may be enabled to purchase copies of that record for themselves.
