TO THE

HOLDERS OF

Military Land Warrants,

FOR THE PURPOSE OF LOCATING.

JAMES E. SMITH as early as the 2d of Sept. shortly after his return from viewing the Military Land, offered his service to the holders of Military Land Warrants for the purpose of classing, registering and locating them, in consequence of an arrangement made with Mr. James Johnson in July preceding, on the land, for the purpose of exploring the sections in the whole survey. This business having been carried into complete effect by Mr. Johnson, with the assistance of an intelligent inhabitant of that country, they having taken notes descriptive of the situation, soil and natural advantages attached to each section in the whole survey. Mr. Johnson being now here with those notes, together with the said J. E. Smith having a complete copy of the Surveyor General's return, made to the Treasury Department of the Township surveys.

Being thus informed the subscribers, jointly, offer their services to the holders of warrants of the above description, to receive, register and locate, for which one tenth part of the land located will be required as a compensation—for locating where the registry is already made, as may be hereafter agreed on by applying to either of the subscribers. Such of the honorable members of Congress as may now hold, or may receive warrants from their friends before the 11th of February next, by addressing a line to either of the subscribers, through the medium of the Post Office, will be waited on agreeable to their appointment.
