I had the misfortune to break a blood vessel, which was succeeded by a severe completint on my lungs, cough, shortness of breath and spirting up of matter and blood, with every other disagreeable symptom of a disorder of the lungs; indeed is afflicting was this disorder, that I could not rest at night, nor could walk 200 yards in the day, without dopping to cough and rest my-felf a number of times. This disorder continued to increase upon me, till I was much wasted in body, and exceedingly weak. Seeing your advertisements in the public papers, early in the last summer. I commenced taking your justly celebrated Caugh Drops, which I persevered in the use of, for sometime; I have now the happiness of informing you, my language persectly sound; I have no shortness of breath, or spirting up lof matter or blood; my cough is a little troublesome in the morning, but no other time.
