

UPWARDS OF
Eighteen Thousand Persons
Of all ages, within nine months past, have found relief from
HAMILTON'S
Worm destroying Lozenges,
In various complaints arising from worms and from foulness or obstructions in the stomach and bowels.

RECENT CURES
Selected from several hundreds, the authenticity of which, any person may ascertain either by letter or personal application—not being performed in Europe, nobody knows where—but at home.

This medicine bears no analogy whatever to others of similar title to commonly complained of, as operating with a degree of violence, sufficient, not only to kill worms, but sometimes to endanger the patient's life; on the contrary, a peculiar excellence of this remedy is, its being suited to every age and constitution, contains nothing but what is perfectly innocent, and is so mild in its operation, that it cannot injure the most delicate pregnant lady, or the tenderest infant of a week old. Should no worms exist in the body; but will, without pain or griping, cleanse the stomach and bowels of whatever is foul or offensive, and thereby prevent the production of worms and many fatal disorders.

AFFIDAVIT.
MICHAEL DUFFY, residing at No. 47, Wilkes street, Fell's point, in the city of Baltimore, voluntarily maketh oath, that the following statement is just and true.

In the beginning of May last, my three children, a boy of seven, and two girls, the one five and the other three years of age, were taken very ill, nearly at the same time, of a common fever, as I then supposed; but was soon convinced the disorder was caused by worms—they were frequently troubled with convulsions fits, and violent startings in their sleep, and with almost continual vomiting and purging, particularly the youngest. I made immediate application to a physician of the first reputation, and his medicines were administered with a confidence of success which only increased our disappointment. The children grew daily worse, and I was absolutely without hopes of their recovery. The youngest fell appeared almost devoid of animation, and scarcely an inhabitant of this world. In this distressing moment, I was told that Hamilton's Worm Destroying Lozenges had performed many cures in cases equally desperate—I immediately purchased a box, and gave each of them a dose, which in a few hours produced the most desirable effects; the eldest voided a great number of very large worms, and the second thousands of small ones, many of them not a quarter of an inch long—in the youngest they seemed to be consumed, and had the appearance of bits of soft, slimy matter. I repeated the dose agreeable to the directions, and they all speedily recovered a good state of health which they still enjoy, though five months have nearly elapsed since they were on the borders of the grave, and the death of the whole appeared to be inevitable.

Sworn before me this 25th day of September, 1799.
J. SMITH.

LETTER
From Mrs. John F. Abercromby, Soap and Candle Manufacturer, No. 28, Bridge Street, Baltimore.

TO THE PROPRIETOR OF
Hamilton's Worm Destroying Lozenges,
SIR,
OBSERVE 21, 1799.
I think it my duty to inform you that I have experienced the happiest effects from your Lozenges, having been much afflicted for four years past, with various complaints caused by worms, particularly a constant pain in my stomach and bowels, frequent and severe head aches, with a general listlessness and weakness, during which time I had the best medical advice that could be obtained from the most skillful physicians I could hear of, both American and European, with ut any alleviation of my disorder.

I should, too probably, have continued without relief, but for your Worm Destroying Lozenges, which brought from me an astonishing quantity of small white worms, about the size of a coarse thread, and in a short time, I found myself perfectly free from all my former complaints, and have enjoyed a good state of health for five months past.

I have constantly recommended your medicine, and shall as long as I live, having from my own experience reason to believe it to be an invaluable and unparalleled remedy. Should any person wish for further information, I will with pleasure satisfy their enquiries on this subject.
JOHN J. ABERCROMBY.

SIR,
July 10, 1799.
I had been a long time afflicted with a violent and enraging pain in my stomach, a dull, heavy, continual head ache, with a frequent swimming in my head, accompanied with dimness of sight and sometimes partial blindness, and was rendered incapable of attending my business, thro' loss of strength; sometimes could scarcely eat a morsel for two or three days; when my appetite would suddenly become astonishingly voracious. I firmly believed myself to be in a consumption, which must soon put a period to my life, when happily hearing of several cures performed by Hamilton's Worm Destroying Lozenges in complaints which could not be accounted for, I took two doses, which expelled an incredible number of small sharp pointed worms: in short, I now enjoy as perfect health and strength, as ever I did in my life, and I believe my cure to be entirely effected by means of your medicine.

My brother witnessing its surprising efficacy was induced to take a dose though in tolerable health, which occasioned him likewise to void a great quantity of worms of the same kind, and thereby probably prevented his experiencing those dreadful disorders with which I was afflicted.

A sincere desire that others in similar circumstances may receive the same benefit, is the reason of my sending you this account.
Yours, very respectfully,
AQUILA GOLDING,
Hartford Road, a miles from Baltimore.

OBSERVE.
Those who wish to avail themselves of the benefits proposed by the above remedy, should be particularly careful to value their money and their health, to guard against the numerous impositions daily attempted on the public, by applying to Mr. Wm. Y. Birch, Stationer, No. 17, South Second Street, who is appointed the only vender in Philadelphia.—Likewise observe that none can be depended on as being genuine, unless the signature of Lee & Co. is passed on the outside of each.

Purchasers by the dozen or gross will receive handsome allowance by application to Lee and Co. Market Street, Baltimore.

TO THE NERVOUS, WEAK, DEBILITATED, SEDENTARY AND CONSUMPTIVE,
IS RECOMMENDED, THE CELEBRATED
BOTANICAL TEA,
Infused of Foreign Tea.

THIS Tea is universally approved of in preference to foreign tea, as the most pleasant, wholesome, enlivening, invigorating, and powerful restorative ever adopted for persons of all ages, but particularly those of the above description; as it will infallibly strengthen, and eventually repair a bad constitution.

It is taken for breakfast instead of foreign tea, and as our first aliment in the morning is designed to recruit the waste of the body from the night's insensible perspiration; it is well known, and an important fact which ought to be borne on the mind of every one, that foreign teas are inadequate to such purposes, as all will allow; it unnerves and wears the substance of the solids. This substitute is professionally approved as a salubrious and nourishing diet, or as a morning and afternoon beverage.

THE BOTANICAL TEA
is singularly efficacious in all cases of inward weakness, trembling or shaking of the hands, loss of appetite, (particularly in the morning) depression of spirits, windy complaints. It speedily relieves the head and stomach in gouty or rheumatic cases; and in cases of weak digestion, but particularly after walking too free with the constitution, by an immoderate use of wine, spiritous liquors, or any intemperance; it is happily suited to hot climates, and is adopted and approved of by some of the first families in the United States and in the West Indies, for its purifying and invigorating properties; and in bilious cases where the appetite has failed, it is a sovereign remedy.

As proofs of the evil tendency from the use of foreign teas, is furnished the opinions of some of the first physicians in Europe.

ON FOREIGN TEA
"The cause of the palsy is drinking too much tea; many imagine tea has no ill effect upon the nerves, this however is a mistake; it affects the nerves, which is evident from its causing the hands to shake, preventing sleep, occasioning giddiness, dimness of sight, sickness, &c."
Dr. EUCHAN.

"Strong infusions of India Tea, not only unnerve but destroy the bodily functions."
Dr. H. SMITH.

And in another publication, Dr. Hugh Smith says, "Tea is hurtful both to the stomach and nerves; it causes phrenesies, delirium, apoplexies, and other disorders of the brain, which are produced by the nerves being thus disarranged and debilitated, the digestive faculty of the stomach is much weakened, and the body falling of the recruiting juices, must tend to emaciation and the whole frame thus rendered one system of disease and infirmity."

The justly celebrated Dr. Tilott says, "This fashionable beverage, India Tea, is extremely pernicious, it destroys the strength of the stomach, the viscera, the blood, the nerves, and eventually the whole body."
Dr. Molere says, "In bilious complaints, tea is extremely hurtful."
Dr. Ferriergill, "Tea is very offensive to the lungs, and impedes respiration; it is therefore highly improper for persons who have a difficulty of breathing, or any complaint of the lungs or nerves."

Dr. Sanders says, (for his Medical Mem.) "Indian tea renders men impatient and women barren; hence we may account for the persons in the higher circles having few children, and those in general very sickly and unhealthy."
For more accounts of this tea, see the second edition of Dr. Church's pamphlet.

This botanical tea is calculated to produce the contrary effects, is the result of long and indefatigable study and experience, and by perseveringly adopting its use, will be found to answer the effects herein mentioned.

It is cheaper than India tea—one packet at 75 cents, will last one person for breakfast nearly one month—cannisters containing eight packets, five dollars.

* * The celebrated BOTANICAL TEA is prepared only by Dr. James Church, at his Dispensary, No. 137 Front-Street, near the Fly-Market, New York, and sold wholesale and retail, by Messrs. H. and P. Rice, 16 South Second Street, Philadelphia, and Mr. Jas. Rice, Baltimore.

FOR ALL
DISEASES OF THE EYES.
Church's celebrated Eye Salve.
For several years universally acknowledged as a certain and infallible cure for inflammations, dimness, dryness, blights, itchings, and films in the eyes, proceeding from natural weakness, or from accidents, such as blows, dust, lime, or any thing else being thrown into the eyes. It is admirable in natural weakness of sight, in defects of rheum, and for all ailments in the eyes after the small pox, measles and fevers; it is singularly efficacious in carrying off all watery and gross humours; and in strengthening the sight.—In short, there is no disease to which the eye is subject, but this salve is not a foreign remedy; many hundreds have experienced its efficacy when in the greatest danger of losing their sight.
[Price 75 cents.]
Prepared only by the inventor and sole proprietor, Dr. James Church, at his dispensary, 137 Front Street, near the Fly market, New York; and sold by Messrs. H. and P. Rice, 16 South Second Street, Philadelphia.

The nervous, debilitated, or sedentary, whose diseases have in a great measure baffled the powers of medicine, would do well in making trial of
The American Botanical Tea,
which need only to be taken to require universal approbation; not only for its balsamic and restorative properties, in all decays from age, intemperance or disease; and in preserving a good constitution and mending a bad one; but for its claims to public favor, as a pleasant and wholesome breakfast; which will be found infinitely superior to Foreign Tea. Artists and others whose professions require a steady hand, will find great relief from the use of this vegetable diet, but particularly those who lead a sedentary life.
A package at 75 cents will last one person for breakfast, nearly one month.
It is sold wholesale and retail only by the inventor and sole proprietor, Dr. James Church, 137 Front Street, New York; Messrs. H. and P. Rice, 16 South Second Street, Philadelphia; and Mr. Rice, Baltimore.
