Dr. HAMILTON'S
Genuine Essence and Extract of
MUSTARD.

A SAFE AND EFFECTUAL REMEDY.
For acute and chronic rheumatism, gout, palsy,
lumbago, numbness, white swellings, chilblains,
sprains, bruises, pains in the face and neck,
&c. &c.

The experience of many ages and the testi-
mony of the ablest medical practitioners, from
an early period to the present time, agree in
ascribing to mustard, every powerful and singular
virtue—in every case where the necessity of
stimulating remedies are indicated, while the
inflammation of the system forbids the use
of medicines of a heating quality, mustard is
eminently useful, and vastly superior to any
other drug.

The essence and extract of mustard contain
the whole virtues of the plant concentrated in a
small compass, entirely devoid of that acrimony
which renders its external application incon-
venient in a crude state, likewise rejecting
those inert and useless parts which compose the
chief of its bulk, and render the necessary dose
so large as to be extremely nauseating to the
stomach, by which means every inconvenience
is obviated in these medicines.

This valuable remedy is prepared both in a
fluid state and in pills, and thus excellently
adapted for external and internal use.

The pills operate mildly by urine and by in-
sensible perspiration, expelling the superfluous
and morbid humours; they are highly cordial
to the stomach, create appetite, assist digestion,
removing flying pains, and cold or windy com-
plaints in the stomach and bowels.

The essence is a wonderful assistant to the
pills in rheumatism, gout, lumbago and palsy,
and by its peculiar penetrating and dispen-
sating quality, removes the most violent sprains,
bruises, numbness, stiffness of the neck, joints,
&c. swollen faces, head ache, indurated breasts,
white swellings, frozen limbs, &c. and will in-
fallibly prevent the ill effects of getting wet or
damp in the feet.

Many persons have been much disappointed
by purchasing medicines under the name of
Essence of Mustard, which have no analogy
whatever to this remedy: Some of these prepara-
tions are perfectly inert, others produce the
most violent and dangerous effects, and are
much to be guarded against.

CASES OF CURES.
Selected from a numerous list.

From Capt. Donners, Arch-street, Philadel.

DEAR SIR,
As you think it will be useful, you are at
liberty to publish my testimony in favor of
Hamilton's Essence and Extract of Mustard.

I have been about four years much afflicted
with the rheumatism in my shoulders, and
sometimes so violently affected as to prevent
me from moving my arms, and I was never
free from severe pain in some part or other.
—I have been at much expence, and tried a
good deal of medicine to no purpose; I
purchased a bottle of drops, advertised under
a title similar to your medicine, but expe-
rienced the most excruciating smart from its
application, which obliged me to desist.—
At length I was advised by Dr. Biggs to try
Hamilton's Essence and Extract of Mustard,
from which I found immediate relief, and
by the use of three boxes and two bottles, I
have recovered a state of perfect health and
strength—I shall take a good supply to sea,
and never be without so valuable a medicine
in my possession.

I am, &c.
I. R. DAWES.

Mr. Henry Reese, Butcher, proprietor of
No. 24, Centre Market-House, Baltimore.

Str,
About two months ago, your valuable
medicine proved of singular service to me,
I was not able to move from my room for
upwards of a fortnight, with a rheumatism or
rheumatic gout, in my left foot and ankle;
when Dr. Buchanan recommended the Es-
sence of Mustard, as the only medicine to
be depended on, and directed me where to
procure it, and by using less than a quarter
of a bottle and a few of the Pills, I was able
to ride to market next day, and have been
perfectly free from my complaint ever since.

HENRY REESE.
January 4, 1800.

Mrs. Mary McCrea, wife of Mr. George
McCrea, grocer, Bond-street, Fell's Point,
was perfectly cured (by persevering in the
use of Hamilton's Essence and Extract of
Mustard) of a rheumatic complaint of eleven
years standing. The greatest part of last
winter she was unable to dress or undress
without assistance, she had the best medical
advice both in Europe and America without
effect.

From Mr. Charles Willett, Plaisterer, Platt
street, Baltimore.

Str,
I send you the particulars of my cure by
Hamilton's Essence and Extract of Mustard,
that you may make it known for the benefit
of others. About two months ago I strained
my right knee so violently by a fall that
I was unable to walk without a crutch. I
tried British oil, Opodeldoc and other medi-
cines, but grew considerably worse, and the
part became inflamed and swelled to a con-
siderable degree, when I was recommended
to the Essence of Mustard, and by using two
bottles I was able to walk in less than a
week, and am now as hearty as ever.

HAMILTON'S
GRAND RESTORATIVE,
WHICH the inventor confidently recommends
as an invaluable medicine for the speedy relief,
and permanent cure of various complaints which result
from dissipated pleasures—juvenile indiscretions—
residence in climates unfavorable to the constitution—
the immoderate use of tea, frequent intoxication,
or any other debase temperance—the unskill-
ful or excessive use of Mercury—the disease pecu-
liar to females at a certain period of life, bad lying in,
&c. &c.

And is proved by long experience to be
unparalleled

In the cure of nervous disorders, consumptions,
lowness of spirits, loss of appetite, impurity of
the blood, hysterical affections, inward weak-
ness, violent cramps in the stomach and back,
indigestion, melancholy, gout in the stomach,
pains in the limbs, relaxations, involuntary
emissions, seminal weakness, obstinate gleet,
fluor albus, (or whites) impotency, barrenness,
&c. &c.

This medicine is perfectly different in its quali-
ties and operation from those hot and irritat-
ing drugs so frequently proposed for similar
purposes, and which only recommend them-
selves by the dangerous rapidity of their effects,
and which acting as a temporary but violent
stimulus on the nervous system, infallibly pro-
duce greater evils than those they are inten-
ded to remove.

The principal operation of this remedy is in
the stomach, restoring the digestive powers, and
sending from that organ new health and vigor
into every part of the system; it enriches and
purifies the blood without enflaming it, braces
without stimulating too violently the nervous
system; strengthens the secretory vessels and
general habit; brings back the muscular fibres to
their natural and healthy tone, and restores
that nutrition which in moderate evacuations
have destroyed, and whose loss had thrown the
whole frame into languor and debility.

The restorative is absolutely above all recom-
mendation in removing those weaknesses and
infirmities with which many females are indi-
cated, the consequences of difficult and painful
labors, or of injudicious treatment therein.

The most obstinate seminal gleet, and the
most distressing cases of fluor albus in females,
fall particularly under the province of this res-
torative, speedily yield to its benign operation,
and are radically cured, by correcting and pu-
rifying the acrimonious humours, restoring a
proper degree of tension to the relaxed fibres,
strengthening the weakened organs.

In cases of extremity where the long preva-
lence and obstinacy of disease has brought on a
general impoverishment of the system, excessive
debility of the whole frame, and a wasting of
the flesh, which no nourishment or cordial could
repair—a perseverance in the use of this medi-
cine has performed the most astonishing cures.

The grand restorative is prepared in pills as
well as in a fluid form, which affords considera-
bly in producing a gradual and lasting effect.—
Their virtues remain unimpaired for years in
any climate.

Persons wishing to procure any of the above
medicines genuine, must apply ONLY as above
—and likewise observe that the signature of
LEE & Co. (the general agents for the United
States) is placed on the outside of each, without
which they cannot be genuine.

At the above place may likewise be had Ham-
ilton's jolly celebrated Worm Lozenges, the
infallible Itch Ointment, Dr. Leroux's Indian
Vegetable Specific for Venereal Complaints,
Ague and Fever Drops, which have never failed
effording a cure, Hahn's Anti-bilious Pills,
Ditto Corn Plaister, the Persian Lotion for the
face and skin, Gowland's Lotion, Church's
Cough Drops, Anderson's Pills.

The nervous, debilitated, or sedentary, whose dis-
eases have in a great measure baffled the
powers of medicine, would do
well in making trial of

The American Botanical Tea,

which need only to be taken to acquire universal
approbation; not only for its balsamic and restor-
ative properties, in all decays from age, intemper-
ance or disease; and in preserving a good con-
stitution and mending a bad one, but for its claims
to public favor, as a pleasant and wholesome break-
fast; which will be found infinitely superior to
Foreign Tea. Artists and others whose profes-
sions require a steady hand, will find great relief
from the use of this vegetable diet, but particu-
larly those who lead a sedentary life.

For Nervous Disorders, Female Complaints,
Gout in the Stomach, Melancholy, Seminal
Weakness, loss of Appetite, Bilious Disor-
ders, Inward Weakness, Indigestion, Ob-
stinate Gleet, Juvenile Indiscretions and Pre-
mature Old Age, and every other symptom
of extreme debility, which are the conse-
quences of a Dissipated Life—excess of Plea-
sure or Grief—Heat or change of Climate—
Immoderate use of Tea, Spirituous Liquors,
or any Intemperance—Bad Lying in—Di-
seases incident to Young Girls and Women
at a certain period of life—

The Cordial Restorative Balm
Is recommended as a Medicine of specific and
unparalleled virtues for the immediate relief and
speedy and permanent cure of the above disor-
ders, having stood a trial of many successful
years, during which period many thousands
of both sexes have been restored from the brink
of the grave.
This Balm is particularly adapted to weak
female constitutions, as well as to phlegmatic
habits in general; it acts powerfully as a nerve-
tine, not only to the weak stomach, but to the
whole nervous system: it corrects a vitiated ap-
petite and digestion in the first passages, and affords
wonderfully in recovering the tone of the uri-
nary and genital organs:—Hence its efficacy in
the most obstinate seminal gleet in men, and
corresponding weaknesses in women; and hence
it will contribute more safely, surely and hon-
ourably towards conjugal happiness, than any
of those irritating, diabolical compositions,
which are so shamefully administered to the un-
wary.

It is earnestly recommended to those ladies,
who from repeated and difficult labours are af-
flicted with weaknesses and infirmities; in which
cases it is highly useful, strengthening at the
same time the stomach, the back, the weaken-
ed organs, and the whole constitution.

Those, who in advanced life, feel the conse-
quences of youthful excess, or unfortunate youth,
who have brought on themselves a numerous
train of evils, will by the use of this find them-
selves restored to health and strength, and all
the melancholy symptoms removed, which are
the general effects of such causes.

For whether the system has received a shock,
and is debilitated from imprudence or inatten-
tion in the earliest part of life, or is sinking un-
der the advance of years, a few doses of this
medicine will afford immediate assurance of re-
turning health and strength, by giving tone to
the muscular system, and organs of digestion,
and by renovating the whole constitution.

To the young it will afford lasting health,
strength and spirits, in place of lassitude and
debility; and to the aged and infirm, it will af-
furedly furnish great relief and comfort, by
gently and safely invigorating the system; but
if it be in the power of medicine to mild the ac-
tuum of declining years, and calmly and se-
renely protract the close of life beyond its nar-
row span, this Restorative is capable of effect-
ing that grand desideratum.

Constitutions relaxed, weak or decayed, in
men or women, are under the immediate influ-
ence of this Restorative.
Old coughs soon relieved and speedily cured.

Poverty of blood and emaciated limbs, will
long meet the happiest change; the chill
watery fluid become rich and balsamic, and the
limbs be covered with flesh, firm and healthful.

It will no doubt be acceptable to the reader,
to see accounts of some of the remarkable cures
and cures which have been performed by this
truly invaluable medicine, in the disorders for
which it was invented; he has therefore select-
ed a few of such cases as have come within his
own immediate knowledge, which are publish-
ed and may be had gratis at any of the places
where the medicine is sold.
