FOR THE CURE OF FITS. The patent Antispasmodic Elixir. Convulsion Epileptic, Hysteric, or Falling Fits;

Are effectually cured by this excellent medicine. Its virtues are absolutely specific and unparalleled. It has failed in no instance within the knowledge of the proprietor (where taken agreeable to the directions, and with perseverance) the most dreadful Fits ever known. One case of cure only is subjoined out of a considerable number, as proof of its efficacy attested before the Lord Mayor of London.

AFFIDAVIT. "I, James Pocock, of No. 40, North-street, in the Parish of St. Luke's Middlesex, do make oath—that I was grievously afflicted with fits for upwards of 15 years; and that to so violent a degree, as to require 12 men to hold me in them, to prevent me dashing myself to pieces. They would generally last me 6, and often 7 hours; in consequence of which my constitution became quite emaciated. I made application to many eminent gentlemen of the faculty, who afforded me no relief whatever; till I applied to Dr. James Church of the City Road, who prescribed his Antispasmodic Elixir for me, which I took, and which alone cured me of these most dreadful fits, and restored me to perfect health. This deponent further maketh oath, and testifies, that it is now two years since he was first cured of his fits, and he has no return whatever of them since."
