Dr. HAMILTON'S
**Genuine Essence and Extract of
MUSTARD.**

A SAFE AND EFFECTUAL REMEDY
For acute and chronic rheumatism, gout, palsy,
lumbago, numbness, white swellings, chilblains,
sprains, bruises, pains in the face and neck,
&c. &c.

The experience of many ages and the testi-
mony of the ablest medical practitioners, from
an early period to the present time, agree in
ascribing to mustard, every powerful and singu-
lar virtue—in every case where the necessity of
stimulating remedies are indicated, while the
inflammatory state of the system forbids the use
of medicines of a heating quality, mustard is
eminently useful, and vastly superior to any
other drug.

The essence and extract of mustard contain
the whole virtues of the plant concentrated in a
small compass, entirely devoid of that acrimo-
ny which renders its external application in-
convenient in a crude state, likewise rejecting
those inert and useless parts which compose the
chief of its bulk, and render the necessary dose
so large as to be extremely nauseating to the
stomach, by which means every inconvenience
is obviated in these medicines.

This valuable remedy is prepared both in a
fluid state and in pills, and thus excellently
adapted for external and internal use.

The pills operate mildly by urine and by in-
sensible perspiration, expelling the superfluous
and morbid humours; they are highly cordial
to the stomach, create appetite, assist digestion,
remove flying pains, and cold or windy com-
plaints in the stomach and bowels.

The essence is a wonderful affluant to the
pills in rheumatism, gout, lumbago and palsy,
and by its peculiar penetrating and dispensing
quality, removes the most violent sprains,
bruises, numbness, stiffness of the neck, joints,
&c. swelled faces, head aches, indurated breasts,
white swellings, frozen limbs, &c. and will in-
fallibly prevent the ill effects of getting wet or
damp in the feet.

Many persons have been much disap-
pointed by purchasing medicines under the name of
Essence of Mustard, which have no analogy
whatever to this remedy; some of these prepara-
tions are perfectly inert, others produce the
most violent and dangerous effects, and are
much to be guarded against.

CASES OF CURES,
Selected from a numerous list.

From Capt. Dowers, Arch-street, Philadel.

DEAR SIR,

As you think it will be useful, you are at
liberty to publish my testimony in favor of
Hamilton's Essence and Extract of Mustard.

I have been about four years much afflicted
with the rheumatism in my shoulders, and
sometimes so violently affected as to prevent
me from moving my arms, and I was never
free from severe pain in some part or other.

I have been at much expence, and tried a
good deal of medicine to no purpose; I
purchased a bottle of drops, advertised under
a title similar to your medicine, but expe-
rienced the most excruciating smart from its
application, which obliged me to desist.

At length I was advised by Dr. Biggs to try
Hamilton's Essence and Extract of Mustard,
from which I found immediate relief, and
by the use of three boxes and two bottles, I
have recovered a state of perfect health and
strength—I shall take a good supply to sea,
and never be without so valuable a medicine
in my possession.

I am, &c.

I. R. DAWES.

*Mr. Emory Reese, Butcher, proprietor of
No. 24, Centre Market-Place, Baltimore.*

SIR,

About two months ago, your valuable
medicine proved of singular service to me,
I was not able to move from my room for
upwards of a fortnight, with a rheumatism
or rheumatic gout, in my left foot and ankle;
when Dr. Buchanan recommended the Es-
sence of Mustard, as the only medicine to
be depended on, and directed me where to
procure it, and by using less than a quarter
of a bottle and a few of the Pills, I was able
to ride to market next day, and have been
perfectly free from my complaint ever since.

HENRY REESE.

January 4, 1800.

Mrs. Mary McCre, wife of Mr. George
McCre, grocer, Bond-street, Fell's Point,
was perfectly cured (by persevering in the
use of Hamilton's Essence and Extract of
Mustard) of a rheumatic complaint of eleven
years standing. The greatest part of last
winter she was unable to dress or undress
without assistance, she had the best medical
advice both in Europe and America without
effect.

*From Mr. Charles Willett, Plasterer, Platt
street, Baltimore.*

SIR,

I find you the particulars of my cure by
Hamilton's Essence and Extract of Mustard,
that you may make it known for the benefit
of others. About two months ago I frain-
ed my right knee so violently by a fall that
I was unable to walk without a crutch. I
tried British oil, Opodeldoc and other medi-
cines, but grew considerably worse, and the
part became inflamed and swelled to a con-
siderable degree, when I was recommended
to the Essence of Mustard, and by using two
bottles I was able to walk in less than a
week, and am now as hearty as ever.

HAMILTON'S
GRAND RESTORATIVE,

WHICH the inventor confidently recommends
as an invaluable medicine for the speedy relief,
and permanent cure of various complaints which result
from dissipated pleasures—juvenile indiscretions—
rheumatism in climates unfavorable to the constitution
—the immoderate use of tea, frequent intoxication,
or any other destructive intemperance—the unskill-
ful or excessive use of Mercury—the disease pecu-
liar to females at a certain period of life, and lying
&c.

A package at 75 cents. will last one person for
breakfast, nearly one month.

It is sold wholesale and retail only by the in-
ventor and sole proprietor, Dr. James Church, 137
Front Street, New York; Messrs. H. and P. Rice,
16 South Second Street, Philadelphia; and Mr.
Rice, Baltimore.

And is proved by long experience to be
unparalleled

In the cure of nervous disorders, consumptions,
lowness of spirits, loss of appetite, impurity of
the blood, hysterical affections, inward weak-
ness, violent cramps in the stomach and back,
indigestion, melancholy, gout in the stomach
pains in the limbs, relaxations, involuntary
emissions, femoral weakness, obstinate gleet,
flour albus, (or whites) impotency, barrenness,
&c. &c.

This medicine is perfectly different in its qua-
lities and operation from those hot and irrita-
ting drugs so frequently proposed for similar
purposes, and which only recommend them-
selves by the dangerous rapidity of their effects,
and which acting as a temporary but violent
stimulus on the nervous system, infallibly pro-
duce greater evils than those they are intend-
ed to remove.

The principal operation of this remedy is in
the stomach, restoring the digestive powers, and
sending from that organ new health and vigor
into every part of the system; it enriches and
purifies the blood without enflaming it, brace-
without stimulating too violently the nervous
system; strengthens the secretory vessels and
general habit; brings back the muscular fibres
to their natural and healthy tone, and restores
that nutrition which immoderate evacuations
have destroyed, and whose loss had thrown the
whole frame into languor and debility.

The restorative is absolutely above all recom-
mendation in removing those weaknesses and
infirmities with which many females are afflic-
ted, the consequences of difficult and painful la-
bors, or of injudicious treatment therein.

The most obstinate femoral gleet, and the
most distressing cases of fluor albus in females,
fall particularly under the province of this resto-
rative, speedily yield to its benign operation,
and are radically cured, by corroding and pu-
rifying the acrimonious humours, restoring a
proper degree of tension to the relaxed fibres,
strengthening the weakened organs.

In cases of extremity where the long preva-
lence and obstinacy of disease has brought on a
general impoverishment of the system, excessive
debility of the whole frame, and a waiting of
the flesh, which no nourishment or cordial could
repair—a perseverance in the use of this medi-
cine has performed the most astonishing cures.

The grand restorative is prepared in pills as
well as in a fluid form, which affords consider-
ably in producing a gradual and lasting effect.—
Their virtues remain unimpaired for years in
any climate.

Persons wishing to procure any of the above
medicines genuine, must apply ONLY to above
—and likewise observe that the signature of
LEE & Co. (the general agents for the United
States) is pasted on the outside of each, without
which they cannot be genuine.

At the above place may likewise be had Ham-
ilton's justly celebrated Worm Expellers, the
infallible Isth Ointment, Dr. Leroux's Indian
Vegetable Specific for Venereal Complaints,
Aque and Fever Drops, which have never failed
in effecting a cure, Hahn's Anti-Bilious Pills,
Ditto Corn Plaster, the Peruvian Lotion for the
face and skin, Gowland's Lotion, Church's
Cough Drops, Anderson's Pills.

The nervous, debilitated, or fedtary whose dis-
eases have in a great measure baffled the
powers of medicine, would do
well in making trial of

The American Botanical Tea,
which need only be taken to acquire universal
approbation; not only for its balsamic and restora-
tive properties, in all decays from age, intemper-
ance or disease; and in preserving a good con-
stitution and mending; but one, but for its claims
to public favor, as a pleasant and wholesome break-
fast; which will be found infinitely superior to
Foreign Tea. Artists and others whose profes-
sions require a steady hand, will find great relief
from the use of this vegetable diet, but particu-
larly those who lead a sedentary life

BOTANICAL TEA,
Instead of Foreign Tea.

THIS Tea is universally approved of in prefer-
ence to foreign tea, as the most pleasant,
wholesome, enlivening, invigorating, and power-
ful restorative ever adopted, for persons of all ages,
but particularly those of the above description; as
it will infallibly strengthen, and eventually repair
a bad constitution.

It is taken for breakfast instead of foreign tea,
and as our first aliment in the morning is designed
to recruit the waste of the body from the night's
insensible perspiration it is well known, and an
important fact which ought to be borne in the
mind of every one, that foreign teas are inade-
quate to such purposes, as all will allow; it un-
nerves and wears the substance of the solid. This
substitute is professionally approved as a salutary
and nourishing diet, or as a morning and afternoon
beverage.

THE BOTANICAL TEA

is singularly efficacious in all cases of inward weak-
ness, trembling or shaking of the hands, loss of ap-
petite, (particularly in the morning) depression of
spirits, windy complaints. It speedily relieves the
head and stomach in gouty or rheumatic cases; and
in cases of weak digestion, but particularly after
making too free with the constitution, by an im-
moderate use of wine, spiritous liquors, or any in-
temperance; it is happily suited to hot climates,
and is adopted and approved of by some of the first
families in the United States and in the West In-
dies, for its nourishing and invigorating prop-
erties; and in bilious cases where the appetite has
failed, it is a sovereign remedy.

As proofs of the evil tendency from the use of
foreign teas, is subjoined the opinions of some of
the first physicians in Europe.

ON FOREIGN TEA.

"The cause of the palsy is drinking too much
tea; my imagine tea has no ill effect upon the
nerves, this however is a mistake—it affects the
nerves, which is evident from its causing the hands
to shake, preventing sleep, occasioning giddiness,
dimness of sight, sickness, &c.

Dr. BUCHAN.

"Strong infusions of India Tea, not only un-
nerves but destroys the bodily functions."
Dr. H. SMITH.

And in another publication, Dr. Hugh Smith
says, "Tea is hurtful both to the stomach and
nerves; it causes phrenesies, delirium, apoplexies,
and other disorders of the brain, which are pro-
duced by the nerves being thus disarranged and
debilitated, the digestive faculty of the stomach is
much weakened, and the body falling of the re-
cruiting juices, must tend to emaciation and the
whole frame thus rendered one system of distress
and infirmity."

The justly celebrated Dr. Tilloch says, "This
fashionable beverage, India Tea, is extremely pe-
riocuous; it destroys the strength of the stomach,
the viscera, the blood, the nerves, and eventually
the whole body."

Dr. Molliere says, "In bilious complaints, tea is
extremely hurtful."

Dr. Rothergill, "Tea is very offensive to the
lungs, and impedes perspiration; it is therefore
highly improper for persons who have a difficulty
of breathing, or any complaint of the lungs or
nerves."

Dr. Saunders says, (see his Medical Memo.)
"Indian tea renders men impotent and women
barren; hence we may account for the persons in
the higher circles having few children, and those
in general very sickly and unhealthy."

For more accounts of this tea, see the second
edition of Dr. Church's pamphlet.

This botanical tea is calculated to produce the
contrary effects, is the result of long and indefa-
tigable study and experience, and by perseveringly
adopting its use, will be found to answer the ef-
fects herein mentioned.

It is cheaper than India tea—one packet at 75
cents, will last one person for breakfast nearly one
month—contains eight packets, five
dollars.

* * * The celebrated BOTANICAL TEA is
prepared only by Dr. James Church, at his Dispen-
sary, No. 137 Front-Street, near the Fly-Market,
New York, and sold wholesale and retail, by
Messrs. H. and P. Rice, 16 South Second Street,
Philadelphia, and Mr. Jas. Rice, Baltimore.

**FOR ALL
DISEASES OF THE EYES.**

Church's celebrated Eye Salve.

For several years universally acknowledged as
a certain and infallible cure for inflammations,
dimness, dryness, brights, itching, and films in
the eyes, proceeding from natural weakness, or
from accidents, such as blows, dust, lime, or any
thing else being thrown into the eyes. It is ad-
mirable in natural weakness of sight, in inflamma-
tions of rhox, and for all ailments in the eyes al-
ter the small pox, measles and fevers; it is singu-
larly efficacious in carrying off all watery and
grovish humours; and in strengthening the sight—
In short, there is no disease to which the eye is
subject, but this salve is not a sovereign remedy;
many hundreds have experienced its efficacy when
in the greatest danger of losing their sight.

[Price 75 cents.]

Prepared only by the inventor and sole proprie-
tor, Dr. James Church, at his dispensary, 137
Front Street, near the Fly market, New York; and
