The only Medicine in the world that cures the most inveterate Itch in four hours.

The genuine patent Scotch Ointment.

For pleuritis, safety, expedition, ease and certainty, is infinitely superior to any other medicine, for the cure of

THE ITCH.

It is so certain in its operation, that it has never failed in any one instance whatever, of effectually curing that disagreeable disorder in four hours, by one application only, though applied to many thousands in England, Scotland and Ireland. It does not contain one particle of mercury, (see the affidavit) but may be applied with the greatest safety, to the most delicate lady during pregnancy, or the tenderest infant.

The proprietor is so certain of its infallibility, that he engages to return the money to any person on whom it did not perform a cure in four hours.

Prepared only by the inventor and sole proprietor, Dr. James Church, at his Dispensary, 137 Front Street, near the Fly Market, New York; and sold by Messrs. H. and P. Rice, 16 fourth Second Street, Philadelphia; and Mr. Rice, Baltimore.

THE FOLLOWING VALUABLE MEDICINES.

Infallible Ague and Fever Drops.

A long eulogium on the virtues of this medicine is unnecessary, as the money will be returned if patient is not relieved—it never having failed in many thousand cases; not one in a hundred has had occasion to take more than a bottle, and numbers not half a bottle.

Hahn's Anti-bilious Pills.

Dr. HAHN'S
TRUE AND GENUINE
German Corn Plaster.

An infallible remedy for corns, speedily removing them root and branch, without giving pain.

The Genuine Persian Lotion.

So celebrated among the fashionable throughout Europe, as an invaluable cosmetic, perfectly innocent and safe, free from corrosive and repellant minerals (the basis of other lotions) and of unparalleled efficacy in preventing and removing cutaneous blemishes of the face and skin of every kind, particularly, freckles, pimples, pits after small pox, inflammatory redness, scurfs, tetter, ring worms, sun burns, prickly heat, premature wrinkles, &c. The Persian Lotion operates mildly, without impeding the natural, insensible perspiration, which is essential to health—yet its effects are speedy and permanent, rendering the skin delicately soft and smooth, improving the complexion and restoring the bloom of youth; never failing to render an ordinary countenance beautiful, and a handsome one more so.

Sovereign Ointment for the Itch.

Warranted an infallible and immediate cure, at once using; being the most speedy, effectual and pleasant remedy ever offered to the public, and for the satisfaction of the timorous, the proprietor maketh oath, that this ointment does not contain a single particle of mercury or any other pernicious ingredient in its composition, and may be used with the most perfect safety by pregnant women and on infants newly born.

Patent Indian Vegetable Specific,

For the cure of Venereal Complaints of every description.

An extensive trial of near four years has proved the vegetable specific to be effectual in expelling the venereal virus, however deeply rooted in the constitution, and has restored health to many who have been brought to the verge of the grave by the improper administration of mercury. Within this period upwards of eight thousand patients have experienced its salutary effects.

With the medicine is given a description of the symptoms which obtain in every stage of the disease, with copious directions for their treatment, so as to accomplish a perfect cure in the shortest time and with the least inconvenience possible.

HAMILTON'S

Worm destroying Lozenges,

Which have, within nine months past, relieved upwards of EIGHTEEN THOUSAND PERSONS of all ages in various complaints arising from worms and from looseness or obstructions in the stomach and bowels.

This medicine bears no analogy whatever to others of similar title so commonly complained of, as operating with a degree of violence, sufficient, not only to kill worms, but sometimes to endanger the patient's life; on the contrary, a peculiar excellence of this remedy is, its being suited to every age and constitution, contains nothing but what is perfectly innocent, and is so mild in its operation, that it cannot injure the most delicate pregnant lady, or the tenderest infant of a week old, should no worms exist in the body; but will, without pain or griping, cleanse the stomach and bowels of whatever is foul or offensive, and thereby prevent the production of worms and many fatal disorders.

At the place of sale may be seen many remarkable cases of cures, the authenticity of which any person may ascertain, either by letter or personal application—not being performed in Europe, nobody knows where—but at home.

Persons wishing to procure any of the above medicines genuine, must apply ONLY as above—and likewise observe, that the signature of Lee & Co. (who are appointed the general agents for the United States) is pasted on the outside of each, without which they cannot be genuine.

At the above place may be likewise had,

To the nervous, weak, debilitated, sedentary and consumptive,
IS RECOMMENDED, THE CELEBRATED BOTANICAL TEA,
Infused of Foreign Tea.

THIS Tea is universally approved of in preference to foreign tea, as the most pleasant, wholesome, enlivening, invigorating, and powerful restorative ever adopted, for persons of all ages, but particularly those of the above description; as it will infallibly strengthen, and eventually repair a bad constitution.

It is taken for breakfast instead of foreign tea, and as our first aliment in the morning is designed to recruit the waste of the body from the night's insensible perspiration; it is well known, and an important fact which ought to be borne on the mind of every one, that foreign teas are inadequate to such purposes, as all will allow; it unnerves and wears the substance of the solids. This substitute is professionally approved as a salutary and nourishing diet, or as a morning and afternoon beverage.

THE BOTANICAL TEA

is singularly efficacious in all cases of inward weakness, trembling or shaking of the hands, loss of appetite, (particularly in the morning) depression of spirits, windy complaints. It speedily relieves the head and stomach in gouty or rheumatic cases; and in cases of weak digestion, but particularly after making too free with the constitution, by an immoderate use of wine, spiritous liquors, or any intemperance; it is happily suited to hot climates, and is adopted and approved of by some of the first families in the United States and in the West Indies, for its soothing and invigorating properties; and in bilious cases where the appetite has failed, it is a sovereign remedy.

As proofs of the evil tendency from the use of foreign teas, is subjoined the opinion of some of the first physicians in Europe.

ON FOREIGN TEA.

"The cause of the palsy is drinking too much tea; many imagine tea has no ill effect upon the nerves, this however is a mistake; it effects the nerves, which is evident from its causing the hands to shake, preventing sleep, occasioning giddiness, dimness of sight, &c. &c."
Dr. BUCHAN.

"Strong infusions of India Tea, not only unnerve but destroy the bodily functions."
Dr. H. SMITH.

And in another publication, Dr. Hugh Smith says, "Tea is hurtful both to the stomach and nerves; it causes phrenitis, delirium, apoplexies, and other disorders of the brain, which are produced by the nerves being thus disarranged and debilitated, the digestive faculty of the stomach is much weakened, and the body failing of the restorative juices, mult tend to emaciation and the whole frame thus rendered one system of distress and infirmity."

The justly celebrated Dr. Tillot says, "This fashionable beverage, India Tea, is extremely pernicious, it destroys the strength of the stomach, the viscera, the blood, the nerves, and eventually the whole body."
Dr. Molire says, "In bilious complaints, tea is extremely hurtful."

Dr. Fothergill, "Tea is very offensive to the lungs, and impedes respiration; it is therefore highly improper for persons who have a difficulty of breathing, or any complaint of the lungs or nerves."
Dr. Saunders says, (see his Medical Mem.) "Indian tea renders men impatient and women barren; hence we may account for the persons in the higher circles having few children, and those in general very feckly and unhealthy."

For more accounts of this tea, see the second edition of Dr. Church's pamphlet.

This botanical tea is calculated to produce the contrary effects, is the result of long and indefatigable study and experience, and by perseveringly adopting its use, will be found to answer the effects herein mentioned.

It is cheaper than India tea—one packet at 75 cents, will last one person for breakfast nearly one month—cannisters containing eight packets, five dollars.

* * * The celebrated BOTANICAL TEA is prepared only by Dr. James Church, at his Dispensary, No. 137 Front Street, near the Fly-Market, New York, and sold wholesale and retail by Messrs. H. and P. Rice, 16 South Second Street, Philadelphia, and Mr. Jas. Rice, Baltimore.
