TERMS  
Of Richard Folwell, in Philadelphia,  
FOR SUBSCRIBING TO THE  
**JOURNALS OF CONGRESS,**  
From the commencement  
Of the American War, in 1774, to  
the present time,  
INCLUDING  
The Reports of Heads of Departments, of  
Committees, and other Official and Pri-  
vate Papers of that Body, now first per-  
mitted to be made public.

THE work will be printed on a fine paper, and  
a new neat type, in large octavo.  
Each volume will contain above 500 pages,  
neatly bound and lettered.

Uniformity in size, paper, and binding, will be  
observed throughout the work; so that, while the  
subscribers become possessed of a valuable record,  
an ornament may be added to their libraries.

The price to subscribers will be 2 dollars, 75 cts.  
per volume, in boards, and 3 dollars, whole bound,  
but, as the publisher does not intend to print more  
than the number subscribed for, a considerable  
rise on the price may be expected to non-sub-  
scribers.

Each volume will contain about one third less  
of letter-press than the original edition; but, as the  
publisher is not yet enabled to determine the extent  
of the Private Journals, which he may be allowed  
to make public, he cannot ascertain the number of  
volumes which will comprise the work.

Payments to be made on delivery of each  
volume.  
Subscribers will have it at their option, either to  
subscribe for the whole of the Journals, up to the  
present time, or to those only of the Old Congress  
prior to the organization of the Federal Govern-  
ment.

IN all countries, the proceedings in the com-  
mencement of their governments, are lost in dark-  
ness and obscurity, owing to a carelessness, in the  
succeeding generation, to preserve the public re-  
cords, and the attention of the nation, in those rude  
ages, being called off from their domestic concerns,  
to engage in wars and conquest. Of what infinite  
value would the laws of Alfred be, had they been  
transmitted to our days? Time, that destroys  
everything, enhances the value of well authenti-  
cated public records, and renders them almost in-  
estimable. It is hoped, that Americans will, there-  
fore, cheerfully contribute their assistance in trans-  
mitting to posterity the labours of their ancestors  
—founders of the Columbian nation.

The work will certainly be advanced with  
expedition and promptitude. The following will  
show the support it has already acquired:  
"Philadelphia, June 15, 1798.  
"To the Honorable the Senate and House of Rep-  
resentatives of the United States.  
"The MEMORIAL of the Subscribers, Citizens,  
&c. of Philadelphia,  
"Respectfully sheweth,  
"That having, in our respective avocations,  
frequent occasions to recur to the Journals of Con-  
gress, we experience inconveniences by the scarcity  
of them: That we understand that Richard  
Folwell, printer, of Philadelphia, has had it in  
contemplation to print that public record; and  
that he hath obtained partial countenance from  
many individuals; but that he has delayed pro-  
ceeding with the work, in expectation of encourage-  
ment from government, that may adequately indemnify  
him. We, therefore, respectfully solicit, as the  
publication is necessary to be disseminated among  
public bodies, that Congress will, in their wisdom  
render him such additional encouragement, to that  
which he has obtained from private individuals,  
as to enable him to proceed with the work, so that  
your Memorials may be enabled to purchase copies  
of that record for themselves.

To the nervous, weak, debilitated, sedentary,  
and consumptive,  
IS RECOMMENDED, THE CELEBRATED  
**BOTANICAL TEA,**  
Instead of Foreign Tea.

THIS Tea is universally approved of in prefer-  
ence to foreign tea, as the most pleasant,  
wholesome, enlivening, invigorating, and power-  
ful restorative ever adopted, for persons of all ages,  
but particularly those of the above description; as  
it will infallibly strengthen, and eventually repair  
a bad constitution.

It is taken for breakfast instead of foreign tea,  
and as our first aliment in the morning is designed  
to recruit the waste of the body from the night's  
inertile perspiration; it is well known, and an  
important fact which ought to be borne on the  
mind of every one, that foreign teas are inade-  
quate to such purposes, as all will allow; it un-  
nerves and wears the substance of the solids. This  
substitute is professionally approved as a salutary  
and nourishing diet, or as a morning and afternoon  
beverage.

THE BOTANICAL TEA  
is singularly efficacious in all cases of inward weak-  
ness, trembling or shaking of the hands, loss of ap-  
petite, (particularly in the morning) depression of  
spirits, windy complaints. It speedily relieves the  
head and stomach in gouty or rheumatic affections;  
and in cases of weak digestion, but particularly after  
making too free with the confutation, by an im-  
moderate use of wine, spirituous liquors, or any in-  
temperance; it is happily suited to hot climates,  
and is adopted and approved of by some of the first  
families in the United States and in the West In-  
dies, for its nourishing and invigorating prop-  
ties; and in bilious cases where the appetite has  
failed, it is a sovereign remedy.

As proofs of the evil tendency from the use of  
foreign teas, is subjoined the opinion of some of  
the first physicians in Europe.  
ON FOREIGN TEA.  
"The cause of the palsy is drinking too much  
tea; many imagine tea has no ill effect upon the  
nerves, this however is a mistake; it effects the  
nerves, which is evident from its causing the hands  
to shake, preventing sleep, occasioning giddiness,  
dimness of sight, sickness, &c.  
Dr. BUCHAN.

"Strong infusions of India Tea, not only un-  
nerves but destroys the bodily functions."  
Dr. H. SMITH.  
And in another publication, Dr. Hugh Smith  
says, "Tea is hurtful both to the stomach and  
nerves; it causes phrensy, delirium, apoplexy,  
and other disorders of the brain, which are pro-  
duced by the nerves being thus disarranged and  
debilitated, the digestive faculty of the stomach is  
much weakened, and the body failing of the re-  
cruiting juices, must tend to emaciation and the  
whole frame thus rendered one system of distress  
and infirmity."  
The justly celebrated Dr. Tillot says, "This  
fashionable beverage, India Tea, is extremely pe-  
nicious, it destroys the strength of the stomach  
the viscera, the blood, the nerves, and eventually  
the whole body."  
Dr. Molere says, "In bilious complaints, tea is  
extremely hurtful."  
Dr. Fothergill. "Tea is very offensive to the  
lungs, and impedes respiration; it is therefore  
highly improper for persons who have a difficulty  
of breathing, or any complaint of the lungs or  
nerves."  
Dr. Saunders says, (see his Medical Mem.)  
"Indian tea renders men impotent and women  
barren; hence we may account for the persons in  
the higher circles having few children, and those  
in general very sickly and unhealthy."  
For more accounts of this tea, see the second  
edition of Dr. Church's pamphlet.

This botanical tea is calculated to produce the  
contrary effects, is the result of long and indefa-  
tigable study and experience, and by perseveringly  
adopting its use, will be found to answer the ef-  
fects herein mentioned.  
It is cheaper than India tea—one packet at 75  
cents, will last one person for breakfast nearly one  
month—cannisters containing eight packets, five  
dollars.

The celebrated BOTANICAL TEA is pre-  
pared only by Dr. James Church, at his Dispen-  
sary, No. 137 Front-Street, near the Fly-Market,  
New-York, and sold wholesale and retail, by  
Messrs. H. and P. Rice, 16 South Second Street,  
Philadelphia, and Mr. Jas. Rice, Baltimore.  
February 15.

**HEAD ACHE.**  
Persons afflicted with the head ache, proceeding  
from whatever cause, will find instant relief  
in the application of  
**Church's Anodyne Essence.**  
In rheumatic, nervous, and bilious head aches  
its has not its equal. It not only alleviates that  
tormenting pain, but removes it almost instan-  
taneously. The head ache occasioned by hard  
drinking, and any local pains in any other parts  
of the body or extremities, are by application, ef-  
fectually removed.  
[Price 50 cents.]  
Prepared only by the inventor and sole prop-  
rietor, Dr. James Church, at his dispensary, 137  
Front Street, near the Fly market, New York; and  
sold by Messrs H. and P. Rice, 16 South Second  
Street, Philadelphia.

the said recited act passed on the second day of

tion of all persons concerned.

The holders of such warrants as have been  
or shall be granted for military services perform-  
ed during the late war, are required to present  
the same to the Register of the Treasury, at  
some time prior to the twelfth day of February  
in the year, one thousand eight hundred, for  
the purpose of being registered; No registry  
will however be made of any such quantity than  
a quarter township, or four thousand acres.

The priority of location of the warrants which

said, prior to the 12th day of February in the  
year one thousand eight hundred, will immedi-

**OLIVER WOLCOTT,**  
Sec. of the Treasury.

TREASURY DEPARTMENT.  
May 29th, 1799.  
THE proprietors of certificates issued for sub-  
scriptions to the Loan bearing interest at  
eight per centum per annum, are notified, that  
at any time after payment shall have been made  
of the 5th instalment, which will become due  
during the first ten days of the month of July  
ensuing, Certificates of Funded Stock may at  
their option be obtained at the Treasury or Loan  
Offices, respectively, for the amount of the four  
first instalments, or one moiety of the sums ex-  
pressed in the subscription certificates:—No cer-  
tificates of Funded Stock will however be issued  
for less than one hundred dollars.

Such subscription certificates as may be pre-  
sented at the Treasury or Loan Offices in con-  
sequence of the foregoing arrangement, will be  
noted and distinctly marked so as to denote,  
that a moiety of the stock has been issued.  
**OLIVER WOLCOTT,**  
Secretary of the Treasury.

The Year 1800 is arrived!  
**UNION TAVERN,**  
In George-Town, upon the Potomak, is  
FOR SALE,  
Upon the premises, on the first Monday in May  
next.

THIS Tavern was built by the subscription  
of a number of gentlemen as a necessary  
and useful improvement to the town—It cost  
16000 dollars in the year 1796 when materials  
and workmanship were much cheaper than at  
this time. The terms of subscription were that  
it should be sold to the highest bidder on the  
day above mentioned.

It is a handsome, substantial brick building,  
of three stories, fronting sixty feet on the main  
public street in the town, and running back  
sixty three feet upon a wide and convenient  
street—The house is admirably calculated for  
a tavern. It contains upon the first floor four  
large rooms, one of them 30 by 20 feet and  
another 23 by 20, besides a large bar and dress-  
ing room, upon the second floor is an elegant  
assembly room, 60 by 30 feet, and three conve-  
nient lodging rooms. Upon the third floor are  
ten excellent lodging rooms—the garret admits  
of a division of ten more. There is also a good  
kitchen and commodious cellars sufficient for  
such a house. Passages and cross passages inter-  
sect the house in such a manner as to make each  
room private.

There are stables sufficient for the accommo-  
dation of fifty horses, with convenient sheds for  
carriages—attached to the building are three  
lots of 60 feet by 120 each, which front on  
three streets, and in the back yard not 20  
yards from the kitchen is a copious and never  
failing spring of most excellent running water.

The nature of improvements and their con-  
venience to the city of Washington must render  
this property a most desirable acquisition to any  
person who may wish to carry on a tavern upon  
an extensive scale. The immediate removal of  
the government of the United States must re-  
ceive to it full and complete custom.

The terms of sale are, one third in cash—  
one third in 120 days and the other third in  
240 days, to be secured by approved notes ne-  
gotiable at the Bank of Columbia or at either  
of the Banks in Baltimore, possession to be given  
on the day of sale and a perfect title made  
clear, of all incumbrances, on the last payment  
being made.

AFIDAVIT.  
City of New-York, ss.  
William McCloghan, resident of Gibb's alley,  
in the city of New-York, conser, voluntary ma-  
tch oath that he was severely afflicted with a con-  
sumption for upwards of 18 years, that he laboured  
under the most inexpressible affliction with a  
violent cough and shortness of breath, that he could  
not lie down in his bed for weeks together, but  
was obliged to be propped up by pillows or in an  
armed chair, and in the day time unable to attend  
his business; that at length he was so reduced and  
wasted away, as to be scarce able to walk at all;  
that he had tried the skill of many respectable me-  
dical men, and has expended a very considerable  
sum of money, and has taken a great deal of me-  
dicines without effect. That at last he despaired  
of ever getting cured, till he, through recomen-  
dation, took Dr. Church's cough drops, from  
which he found very pre-fer relief, and by perse-  
vering in the use of them, he is now perfectly re-  
stored to health, and has had no return or symptom  
of his disorder since.

**Jacob De La Montagnie, Alderman,**  
Copy of a Letter from capt. Henry.

Dear Sir,  
In the year '95, I had the misfortune to break  
a blood vessel, which was succeeded by a fever  
complaint on my lungs, cough, shortness of breath  
and spitting up of matter and blood, with every  
other disagreeable symptom of a disorder of the  
lungs; indeed so afflicting was this disorder, that  
I could not rest at night, nor could walk 200 yards  
in the day, without stopping to cough and rest my-  
self a number of times. This disorder continued  
to increase upon me, till I was much wasted in  
body, and exceedingly weak. Seeing your adver-  
tisements in the public papers, early in the last  
summer, I commenced taking your jolly celebrated  
Cough Drops, which I persevered in the use of,  
for sometime; I have now the happiness of in-  
forming you, my lungs are perfectly found; I have  
no shortness of breath, or spitting up of matter or  
blood; my cough is a little troublesome in the  
morning, but no other time. I am Sir,  
Your's every respectfully,

New-York, July 10, 1798.  
To Dr. CHURCH.

Sir,  
For upwards of twelve years, I have laboured  
under a severe cough, shortness of breath, spitting  
of matter from my lungs, and often clotted blood,  
till at length I was so reduced as to be unable to  
walk across my room, and owing to the violence  
of my cough and shortness of breath could get no  
rest day or night. Hearing of your excellent me-  
dicine, the Cough Drops, I procured a bottle; I  
took a dose as soon as I got it, from which I found  
three instantaneous relief, and by continuing it for  
4 ys, I bless God I am restored to perfect health.  
As I believe, you have been the instrument in the  
hands of Providence, by saving my life, I must  
entreat you to publish this for the benefit of any  
who may be in my situation, as I am confident it  
is one of the best medicines in the world for those  
complaints.

I am Sir, your grateful servant,  
**NICHOLAS STAGG,**
