### MR. FENNO,

exposed, that even his unblushing effrontery in the church, captain arrivan's elegant has not dared to attempt a refutation. Sen-fible that further investigation would only difplay new proofs of his malveriations, he difplay new proofs of his malveriations in his not dared to attempt a refutation would only difplay new proofs of his malveriations in his difflay new proofs difflay new pr difplay new proofs of his mainternations, he has offered no excufe for retaining in his pofferfion 22,500 dollars of public money up-wards of two years; nor has he explained his reafons for opening one account in the Bank as Paymafter, another in his private capacity, and exhaufting both far, very far below the balance which be confesses to have been always in his hands unexpended, Subserved will be the affonillument of the good What will be the aftonishment of the good people of this flate when they hear that this infatiable adventurer now claims for his trif. ling fervices as paymafter the monftrous com-penfation of 8847 dollars and 68 cents. This charge he has actually exhibited, ma-king it a part of his credits in his public ac-king it a part of his credits in his public account ; and he has boldly withheld public money from the treasury to this amount. Then it is indiffutably true that he held in his hands for a long time more than thirty thousand dollars, and that according to his own flatement he fill holds upwards of eleven thousand dollars, if these commissions are excluded !!!

Where is the revolutionary officer, or war-worn foldier who has ever referved fach an allowance for the fervices and hasard of years? The entire yearly pay of the Paymaf-ter General of the United States is lefs than bearing the day of the General's death and a fifth part of this fum, yet he devotes his his age. A figure of Fame is then repre-whole time and undivided attention to the fented with a trumper to her mouth and bject :- Whereas Mr. D. has a falary of two thousand per ann. as fecretary of the commonwealth : he has lucrative jobs from the public for revifing and publishing the laws; and a great portion of his time is profitably employed in defending his particular friends in the criminal courts.

If the Secretary of War, of State, or of the Treafury were to make fuch a charge for all new duties devolved on them from

# Extract of a letter from Burlington (N.J.) to a friend in Philadelphia, Dated February 24th, 1800.

"The commemoration of the death of General Washington, and the honors paid to his memory, in this place, affected my mind in to pleasing a manner, that I cannot refrain fending you a fhort account of them. I am perfuaded that in no town upon the continent, of equal magnitude, were more pains taken to express the most heart-felt ve-neration for the illustrious decrasted. All the citizens were affembled on the occasion; been heretofore fo completely detected and exposed, that even his unblushing effrontery in the church, captain M Ivaire door, the troops and the fludents formed a lane, through which the proceffion moved flowly into the church, where the first founds deep and mellow tones of the gong; while the eye at the fame time was furprized and delighted at the view of a beautiful, emblematic Obelifk, 13 feet high, erected on the flage prepared for the orator at the eaft end of the church. To the ladies, who defigned and executed the paintings on this monu-ment, great praife and credit are certainly due." It ftands an unequivocal evidence of their ingenuity and taffe. The mafonic emblems, the jewel of a past master, and an fents d with a trumper to her mouth and a flowing foroll in her hand, difplaying the principal formes of his battles and victories, Trenton, Princeton, Monmouth and York. Under these is a picture of the Generowned with laurels and ornamented the colours of the Union inverted, and infignia of war; inferibed beneath it in en letters are these words, How slee DESERTED T not the quarters  $\mathcal{L}_{in}$  and  $\mathcal{L}_{in}$  and Brave !- A diftant view of the fu ly calculated to call forth fentiments cange nial with the occasion, and the exe did credit to the composition. The has and gentlemen who affiled on this occur difplayed fuch fweetness of modulari aptitude for mufical excellence, that I could not help withing a greater attention to mufical improvement among us, than generally prevails-I will you could have heard them execute the two following lines, altered from

N. B. The inland pollage to New-York muft be paid.

" By mourning fwains his knell was rung"

Pope ode, Vital Spark, was also very ably performed, and had a visible effect upon the audience. The mufic was conducted by the Rev. Mr. Staughten, principal of the aca-demy, and therefore I need not tell you that it was done with propriety and judgment; a prayer fuitable to the occasion was intro-duced by the Rev. Dr. Wharton, Rector of the Church ; and the oration was delivered by your friend William Griffith, Efq. As this difcourfe will shortly be published, I fhall fay no more of it at present, than that it fully answered the high expectations I had formed of it, from the acknowledged abilities and patriotifm of its author; it was elegant without profusenes, instructive without dogmatism, federal without animofity, combined harmony of language with energy of reafoning, and the ornaments of rhetoric, with the fimplicity of truth.
