For Nervous Disorders, Female Complaints,

Gout in the Stomach, Melancholy, Seminal Weakness, loss of Appetite, Bilious Disorders, Inward Weaknesses, Indigestion, Obstructed Glands, Juvenile Indiscretions and Premature Old Age, and every other symptom of extreme debility, which are the consequences of a Dissipated Life—excess of Pleasure or Grief—Heat or change of Climate—Immoderate use of Tea, Spirituous Liquors, or any Intemperance—Bad Lyings-in—Diseases incident to Young Girls and Women at a certain period of life— The Cordial Restorative Balsam Is recommended as a Medicine of specific and unparalleled virtues for the immediate relief and speedy permanent cure of the above disorders, having stood a trial of many successful years, during which period many thousands of both sexes have been restored from the brink of the grave. This Balsam is particularly adapted to weak female constitutions, as well as to plegmatic habits in general; it acts powerfully as a nerve, not only to the weak stomach, but to the whole nervous system. It corrects a vitiated appetite and digestion in the most delicate manner, and wonderfully in recovering the tone of the urinary and genital organs.—Hence its efficacy in the most obdurate seminal gleet in men, and corresponding weaknesses in women; and hence it will contribute more safely, surely and honorably towards conjugal happiness, than any of those irritating, diabolical compositions, which are so shamefully administered to the unwary. It is earnestly recommended to those ladies, who from repeated and difficult labours are afflicted with weakness and infirmities; in which cases it is highly useful, strengthening at the same time the stomach, the back, the weakened organs, and the whole constitution. Those, who in advanced life, feel the consequences of youthful excess, or unfortunate youth, who have brought on themselves a numerous train of evils, will by the use of this find themselves restored to health and strength, and all the melancholy symptoms removed, which are the general effects of such causes. If whether the system has received a shock, and is debilitated from imprudence or inattention in the earliest part of life, or is sinking under the advance of years, a few doses of this medicine will afford immediate assurance of returning health and strength, by giving tone to the muscular system, and organs of digestion, and by renovating the whole constitution. To the young it will afford lasting health, strength and spirits, in place of lassitude and debility; and to the aged and infirm, it will afford gently and safely invigorating the system; but if it be in the power of medicine to gild the autumn of declining years, and calmly and serenely protract the close of life beyond its narrow span, this Restorative is capable of effecting that grand desideratum. Constitutions relaxed, weak or decayed, in men or women, are under the immediate influence of this Restorative. Old coughs soon relieved and speedily cured. Poverty of blood and emaciated limbs, will ere long meet the happiest change; the chill watery fluid become rich and balsamic, and the limbs be covered with flesh, firm and healthful. It will no doubt be acceptable to the reader, to see accounts of some of the remarkable cures and cures which have been performed by this truly invaluable medicine, in the disorders for which it was invented; he has therefore selected a few of such cases as have come within his own immediate knowledge, which are published and may be had (gratis) at any of the places where the medicine is sold. Prepared (only) by the inventor and sole proprietor, Dr. James Church, at his Dispensary, 137, Front Street, near the Fly-market, New York—and sold by Messrs. H. & P. Rice, 16, South Second Street, Philadelphia. February 16.
