**ADDRESS**  
To Parents, Tutors and Guardians of Youth, by  
S. SOLOMON, M. D. F. R. N. S.

Every person, young and old, should purchase this book, there being scarcely an individual who is not interested in some part of it.—In particular it is recommended to young men and boys; as an early attention to the latter may serve to guide them against a fatal rock on which thousands have split, and be the means of preserving their bodies from disease, and also their souls, their minds, and all their faculties from destruction.

This truly interesting work has been the labour of many years experience and observation on the calamitous consequences of a secret and destructive vice, to obtain a remedy against which, the Doctor has devoted a principal part of his life. No proprietors of Boarding Schools or Academies should be without it.—(Price one Dollar.)

**A SEASONABLE ARTICLE.**

JUST RECEIVED,  
AND FOR SALE  
By WILLIAM Y. BIRCH,  
STATIONER,  
No. 17 South Second Street,  
**HAMILTON'S ELIXIR,**

A SOVEREIGN REMEDY  
For Colds, bilious Coughs, Catarrhs, Asthma,  
Sore-throats, and approaching Con-  
sumptions.

THOUSANDS are too well acquainted with  
the nature and effects of empirical medicines  
daily offered for the cure of the above com-  
plaints; dear bought experience has taught  
them that oily and heating medicines joined  
with strong opiates (or sleepy drugs) repeat  
doses of which, flatter and deceive the patient  
for the present, by procuring momentary ease;  
experience, I say, has taught thousands that  
the common opiates and balsams, as they are  
called, finally aggravate every disorder of the  
breast and lungs in their most distressing sym-  
ptoms; that they load the stomach and impair  
the digestion, inflame the whole system, increase  
the difficulty of breathing, and excite fever.—  
But the qualities of this valuable discovery are  
evinced by perfectly opposite effects. A SINGLE  
TRIAL WILL PROVE that it restores  
the determination of the fluids to the surface of  
the body, and brings on the common, healthful  
perspiration; that it dilutes and evacuates  
the tough, viscid phlegm, or mucus, strength-  
ens the weakened vessels of the lungs, soothes  
the acrimonious humours which irritate the  
lungs, and finally discharges them.—Thus tri-  
king at the root of the disorder, the symptoms  
are of course, effectually and permanently  
conquered, the reverse of common medicines,  
which weaken the constitution and give strength  
to the disorder, for the sake of moderating for  
the present, some of its painful effects.

**TO PARENTS**  
Who may have Children afflicted with the  
**HOOPING COUGH.**

This discovery is of the first magnitude, as it  
affords immediate relief, checks the progress,  
and in a short time entirely removes the most  
cruel disorder to which children are liable; the  
Elixir is so perfectly agreeable and the dose so  
small, that no difficulty arises in taking it.

FOR THE TEETH AND GUMS.

This excellent preparation comforts and  
strengthens the gums, preserves the enamel

ness, which suffered to accumulate, never fails  
to injure and finally ruin them.

**The genuine Vegetable Lotion.**

This excellent remedy has been administered by  
the inventor, for several years while in England,  
with the greatest success. By the simple applica-  
tion of this fluid for a short time, it will remove  
the most atrocious and alarming scurf in the  
face, which has foiled every other remedy. It  
possesses all the good qualities of the most cele-  
brated cosmetics, without any of their doubtful  
effects. He therefore recommends it with confi-  
dence to every person so afflicted, as an efficacious  
and certain cure.

rietor, Dr. James Church, at his dispensary, 137

**The Cordial Restorative Balsam**

Is recommended as a Medicine of specific and  
unparalleled virtues for the immediate relief and  
speedy and permanent cure of the above disor-  
ders, having stood a trial of many successful  
years, during which period many thousands  
of both sexes have been restored from the brink  
of the grave.

This Balsam is particularly adapted to weak  
female constitutions, as well as to plethoric  
habits in general; it acts powerfully as a ner-  
vine, not only to the weak stomach, but to the  
whole nervous system; corrects a vitiated ap-  
petite and digestion in the first passages, and affords  
wonderfully in recovering the tone of the uri-  
nary and genital organs.—Hence its efficacy in  
the most obstinate femal gleet in men, and  
corresponding weaknesses in women; and hence  
it will contribute more safely, surely and hon-  
ourably towards conjugal happiness, than any  
of those irritating, diabolical compositions,  
which are so shamefully administered to the un-  
wary.

It is earnestly recommended to those ladies,  
who from repeated and difficult labours are af-  
flicted with weakness and infirmities; in which  
cases it is highly useful, strengthening at the  
same time the stomach, the back, the weaken-  
ed organs, and the whole constitution.

Those, who in advanced life, feel the conse-  
quences of youthful excess, or unfortunate youth,  
who have brought on themselves a numerous  
train of evils, will by the use of this find them-  
selves restored to health and strength, and all  
the melancholy symptoms removed, which are  
the general effects of such causes.

For whether the system has received a shock,  
and is debilitated from imprudence or inatten-  
tion in the earliest part of life, or is sinking un-  
der the advance of years, a few doses of this  
medicine will afford immediate assurance of re-  
turning health and strength, by giving tone to  
the muscular system, and organs of digestion,  
and by renovating the whole constitution.

To the young it will afford lasting health,  
strength and spirits, in place of lassitude and  
debility; and to the aged and infirm, it will af-  
fordingly furnish great relief and comfort, by  
gently and safely invigorating the system; but  
if it be in the power of medicine to gild the an-  
num of declining years, and calmly and fer-  
rely protract the close of life beyond its nar-  
row span, this Restorative is capable of effecting  
that grand desideratum.

Constitutions relaxed, weak or decayed, in  
men or women, are under the immediate influ-  
ence of this Restorative.

Old coughs soon relieved and speedily cured.  
Poverty of blood and emaciated limbs, will  
er long meet the happiest change; the chill  
watery fluid become rich and balsamic, and the  
limbs be covered with flesh, firm and healthful.

It will no doubt be acceptable to the reader,  
to see accounts of some of the remarkable cases  
and cures which have been performed by this  
truly invaluable medicine, in the disorders for  
which it was invented; he has therefore selected  
a few of such nature as have come within his  
own immediate knowledge, which are published  
and may be had gratis at any of the places  
where the medicine is sold.

Prepared (only) by the Inventor and sole  
Proprietor, Dr. James Church, at his Dispensary,  
137, Front Street, near the Fly-market,  
New York.—and sold by Messrs. H. & P. Rice,
