A SEASONABLE ARTICLE. JUST RECEIVED, AND FOR SALE

By WILLIAM Y. BIRCH, STATIONER,

No. 17 South Second Street, HAMILTON'S ELIXIR,

A SOVEREIGN REMEDY For Colds, obdurate Coughs, Catarrhs, Affluents, Sore-throats, and approaching Consumption.

THOUSANDS are too well acquainted with the nature and effects of empirical medicines daily offered for the cure of the above complaints; dear bought experience has taught them that oily and heating medicines joined with strong opiates (or sleepy drugs) repeat doses of which, flatter and deceive the patient for the present, by procuring momentary ease; experience, I say, has taught thousands that the common opiates and balsams, as they are called, finally aggravate every disorder of the breast and lungs in their most distressing symptoms; that they load the stomach and impair the digestion, inflame the whole system, increase the difficulty of breathing, and excite fever.—But the qualities of this valuable discovery are evinced by perfectly opposite effects. A SINGLE TRIAL WILL PROVE that it restores the determination of the fluids to the surface of the body, and brings on the common, healthful perspiration; that it dissolves and evacuates the tough, viscid phlegm, or mucus, strengthens the weakened vessels of the lungs, breathes the acrimonious humours which irritate the lungs, and finally discharges them. Thus striking at the root of the disorder, the symptoms are of course, effectually and permanently conquered, the reverse of common medicines, which weaken the constitution and give strength to the disorder, for the sake of moderating for the present, some of its painful effects.

TO PARENTS Who may have Children afflicted with the HOOPING COUGH.

This discovery is of the first magnitude, as it affords immediate relief, checks the progress, and in a short time entirely removes the most cruel disorder to which children are liable; the Elixir is so perfectly agreeable and the dose so small, that no difficulty arises in taking it.

DR. HAMILTON'S Genuine Essence and Extract of MUSTARD.

For Rheumatism, Gout, Palsy, Sprains, &c. a great number of attested cures may be seen at the place of sale. Dr. Hamilton's Grand Restorative for constitutions debilitated by intemperance of any kind; and for the cure of Nervous Complaints, Inward Weakness, Obstinate Gleet, Fluor Albus in women, &c.

THE RESTORATIVE POWDER FOR THE TEETH AND GUMS.

This excellent preparation comforts and strengthens the gums, preserves the enamel from decay, and cleanses and whitens the teeth, absorbing all that acrimonious slime and foulness, which lusted to accumulate, never fails to injure and finally ruin them.

Those who wish to procure the medicines genuine, must apply ONLY as above.

The Cordial Restorative Balsam

Is recommended as a Medicine of specific and unparalleled virtues for the immediate relief and speedy and permanent cure of the above disorders, having stood a trial of many successful years, during which period many thousands of both sexes have been restored from the brink of the grave.

This Balsam is particularly adapted to weak female constitutions, as well as to phlegmatic habits in general; it acts powerfully as a nerve, not only to the weak stomach, but to the whole nervous system; it corrects a vitiated appetite and digestion in the first passages, and affords wonderfully in recovering the tone of the urinary and genital organs;—Hence its efficacy in the most obdurate seminal gleet in men, and corresponding weaknesses in women; and hence it will contribute more safely, surely and honourably towards conjugal happiness, than any of those irritating, diabolical compositions, which are so shamefully administered to the unwary.

It is earnestly recommended to those ladies, who from repeated and difficult labours are afflicted with weakness and infirmities; in which cases it is highly useful, strengthening at the same time the stomach, the back, the weakened organs, and the whole constitution.

Those, who in advanced life, feel the consequences of youthful excess, or unfortunate youth, who have brought on themselves a numerous train of evils, will by the use of this find themselves restored to health and strength, and all the melancholy symptoms removed, which are the general effects of such causes.

Whether the system has received a shock, and is debilitated from imprudent or inattentive in the earliest part of life, or is sinking under the advance of years, a few doses of this medicine will afford immediate assurance of returning health and strength, by giving tone to the muscular system, and organs of digestion, and by renovating the whole constitution.

To the young it will afford lasting health, strength and spirits, in place of listlessness and debility; and to the aged and infirm, it will afford forthwith great relief and comfort, by gently and safely invigorating the system; but if it be in the power of medicine to gild the autumn of declining years, and calmly and serenely protract the close of life beyond its narrow span, this Restorative is capable of effecting that grand desideratum!

Constitutions relaxed, weak or decayed, in men or women, are under the immediate influence of this Restorative.

Old coughs soon relieved and speedily cured. Poverty of blood and emaciated limbs, will ere long meet the happiest change; the chill watery fluid become rich and balsamic, and the limbs be covered with flesh, firm and healthful.

It will no doubt be acceptable to the reader, to see accounts of some of the remarkable cures and cures which have been performed by this truly invaluable medicine, in the disorders for which it was invented; he has therefore selected a few of such cases as have come within his own immediate knowledge, which are published and may be had gratis at any of the places where the medicine is sold.

Prepared (only) by the Inventor and sole proprietor, Dr. James Church, at his Dispensary, 137, Front Street, near the Fly-market, New-York—and sold by Messrs H. & P. Rice, 16, South Second Street, Philadelphia. February 16. eod17M
