United States.

If a doubt exists whether those obligations are legally and constitutionally binding, your memorialits pray, that the case may be referred to the Supreme Judicial Court of the United States, for a legal decision. And if this tribunal shall decide that these securities do not contain a pledge of the faith of the United States to pay them,—they will likely suffer out the remainder of life. But as "the Law is the citizen's Right," and "where law ends, desposition begins," they would put for from them the idea that they may be deprived of the former, and suffer the latter, under this possessments. for the latter, under this government.
