FACTS Submitted to public consideration, as additional evidences of the efficacy of

Dr. HAMILTON'S MEDICINES, IN THE CURE OF

Most Disorders to which the human body is liable.

RHEUMATISM.

JOHN HOOVER, Rope-maker, South Second Street, between Mary and Christian streets, Philadelphia, voluntarily maketh oath, as follows: namely, that his wife, Mary Hoover, was so severely afflicted with violent rheumatism, very dangerously situated, the consequence of a cold after lying in, as to be confined to her bed for several weeks, and was at length reduced to the melancholy apprehension of being a cripple for life; notwithstanding the most respectable medical advice was followed, and every probable remedy attempted. When trying several courses of cure performed by Hamilton's Elixire and Extract of Mulsard, they were procured from Mr. Birch, No. 17, South Second Street. The first application enabled her to walk across the room, and the use of one bottle restored her to her usual state of health and strength.

JOHN HOOVER. Sworn and subscribed to the 25th day of March, 1800, before Ebenezer Ferguson, Esq. one of the Justices of the Peace for Philadelphia county.

DANGEROUS COLD.

DAVID GILBERT, Toyman, No. 46, South Fourth Street, Philadelphia, voluntarily maketh oath, as follows: namely, that about eight months ago, he caught a severe cold, which resisted every remedy he could think of, and produced the most alarming effects; he could procure no relief for incessant coughing, nor breathe without great pain and difficulty; and was finally so exhausted, as to be scarcely able to walk about, which led his friends, little hoping of his recovery, though the prescriptions of a respectable physician were constantly attended to. In this situation he was procured from Mr. Birch, No. 17, South Second Street; the first dose of which afforded the most surprising relief, and gave him more ease than he had enjoyed during the whole of the above period; and before the contents of one bottle were taken, he was perfectly cured, his strength and appetite recovered, and no symptom of his former distressing complaint remained.

The above particulars of the said David Gilbert wish to be made public, as a testimony of his gratitude, and for the benefit of mankind.

DAVID GILBERT. Sworn and subscribed before me the 25th day of March, 1800.

JOHN JENNINGS, Alderman.

TO PARENTS Who may have Children afflicted with the Hooping Cough.

This discovery is of the first magnitude, as it affords immediate relief, checks the progress, and in a short time entirely removes the most cruel disorder to which children are liable. The Elixire is perfectly agreeable, and the dose so small, that no difficulty arises in taking it.

WORMS.

A daughter of Mr. Ewing Wiley, No. 109, Cedar Street, Philadelphia, was dreadfully afflicted with worms, inasmuch that her life was with great reason despaired of; her complexion faded and grew pale and fallow; her eyes sunken; her appetite was lost, and succeeded by a painful and constant sickness at the stomach; which general weakness and debility was accompanied with every appearance of a dangerous fever. From this deplorable situation she was relieved, and restored to a state of perfect health and strength in a few days, by the use of Hamilton's Worm Destroying Lozenges, which expelled a great number of large pointed worms, from six to nine or twelve inches in length; one of which being a most extraordinary thickness, (supposed from half an inch to an inch in diameter) was opened and found to contain a quantity of young ones.

The above is communicated by Mr. Wiley, believing its general utility to be of great value, by extending the knowledge of a medicine which merits universal attention; but this testimony is only a confirmation of the evidence of more than fifty thousand persons of all ages, who have, within twelve months past, been cured by this medicine, with the utmost ease and safety, of various complaints, arising from worms and from obstructions or looseness in the stomach and bowels.

Dr. Hamilton's Grand Restorative

Is recommended as an invaluable medicine, for the speedy relief and permanent cure of the various complaints which result from dissipated pleasures, juvenile indiscretions, residence in climate unavourable to the constitution; the immoderate use of tea, frequent intoxication, or any other destructive impregnation; the unskilful or excessive use of mercury; the diseases peculiar to females at certain periods of life; bad lying in, &c.

And is proved by long and extensive experience to be absolutely unparalleled in the cure of nervous disorders, consumptions, looseness of spirits, loss of appetite, impurity of the blood, hysterical affections, inward weaknesses, violent cramps in the stomach and back, indigestion, melancholy, gout in the stomach, pains in the limbs, relaxations, involuntary emissions, femoral weaknesses, obstinate gleet, fluxus albus (or whites) impotency, barrenness, &c.

This medicine is perfectly different in its qualities and operation from those hot and irritating drugs so frequently proposed for similar purposes, and which only recommend themselves by the dangerous rapidity of their effects, and which, acting as a temporary but violent stimulant on the nervous system, infallibly produce greater evils than those they are intended to remove.

The principal operation of this remedy is in the stomach, restoring the digestive powers, and sending from that organ new health, and vigour into every part of the system. It enriches and purifies the blood without inflaming it; braces, without stimulating too violently the nervous system; strengthens the secretory vessels and the general habit; brings back the muscular fibres to their natural and healthy tone; and restores that nutrition which immoderate evacuations, have destroyed, and whose loss had thrown the whole frame into languor and debility.

The Restorative is absolutely above all recommendation, in removing those weaknesses and infirmities with which many females are afflicted, the consequences of difficult and painful labours, or of injudicious treatment therein.

The most obstinate venereal gleet; and the most distressing cases of fluxus albus in females falls particularly under the province of this restorative; speedily yielding to its benign operation, and are radically cured, by correcting and purifying the acrimonious humors, restoring a proper degree of tension to the relaxed fibres, and strengthening the weakened organs.

In cases of extremity where the long prevalence and obstinacy of disease has brought on a general impotency of the system, extreme debility of the whole frame, and a wasting of the flesh, which no nourishment or cordial could repair, a pre-eminence in the use of this medicine has performed the most astonishing cures.

The grand restorative is prepared in pills as well as in a fluid form, which affords considerably in producing a gradual and lasting effect. Their virtues remain unimpaired for years in any climate.

Dr. Hahn's true and genuine GERMAN CORN PLAISTER, And infallible remedy for corns, speedily removing their root and branch, without giving pain.

The Persian Lotion operates mildly, without impeding that natural, insensible perspiration, which is essential to health, yet its effects are speedy and permanent, rendering the skin delicately soft and smooth, improving the complexion and restoring the bloom of youth; never failing to render an ordinary countenance beautiful, and a handsome one more so.

The Damask Lip Salve Is recommended (particularly to the ladies) as an elegant and pleasant preparation for chapped and dry lips and every blemish and inconvenience occasioned by colds, fevers, &c. speedily restoring a beautiful rosy colour and delicate softness to the lips.

The Restorative Powder for the Teeth and Gums. This most excellent preparation comforts and strengthens the gums, preserves the enamel from decay, and cleanses and whitens the teeth, absorbing all that acrimonious slime and foulness which is apt to accumulate never fails to injure and finally ruin them.

Sovereign Ointment for the Itch. Warranted an infallible and immediate cure at once using; being the most speedy, effectual, and pleasant remedy ever offered to the public, and far the satisfaction of the timorous, the proprietor maketh oath, that this ointment does not contain a single particle of mercury or any other pernicious ingredient in its composition, and may be used with the most perfect safety by pregnant women, and on infants newly born. Price 3-4ths of a dollar each box.

Patent Indian Vegetable Specific, For the cure of Venereal complaints of every description: An extensive trial of near four years, has proved the Vegetable Specific to be effectual in expelling the venereal virus, however deeply rooted in the constitution, and has restored health to many who have been brought to the brink of the grave by the improper administration of mercury.

Within this period upwards of eight thousand patients have experienced its salutary effects. With the medicine is given, a description of the symptoms which obtain in every stage of the disease with copious directions for their treatment, so as to accomplish a perfect cure in the shortest time, and with the least inconvenience possible.

Infalible ague and fever drops. A long eulogium on the virtues of this medicine is unnecessary, as the money will be returned if the patient is not relieved, it never having failed in many thousand cases, nor one in a hundred has had occasion to take more than a bottle and numbers not half a bottle.

Dr. Hahn's celebrated Anti-Bilious Pills. Which have been uniformly successful in the cure of bilious and malignant fevers, and in all disorders of the head, stomach and bowels.
