of Wilkes, in the state of New-Jersey, directed to  
the sheriff of the said county, against the rights,  
credits, monies and effects, goods and chattels,  
lands and tenements of John Owen Symmes at the  
suit of William Wells, in a plea of trespass on the  
case to his damage three thousand dollars—  
And whereas, the said sheriff did, at the term of  
June last past, return to the said court, that he had  
attached the defendant by a certain bond given by  
Matthew Demas and Samuel Mosker to the said  
defendant, so the amount of near two thousand  
dollars, and also by sixty legal warrants—  
Now therefore, unless the said John Owen Symmes  
shall appear, give special bail, and receive a

**MAP OF NEW-JERSEY.**

THE commissioners appointed for the purpose  
of circulating subscription papers, to the pro-  
posed plan of procuring an accurate Map of New-  
Jersey, immediately after their appointment trans-  
mitted printed copies of the plan to various persons  
in the several counties of this state, and in the  
cities of New York and Philadelphia, and since  
that time, through the medium of the public prints,  
have requested the gentlemen entrusted with those  
papers, to return the number of subscribers by  
them respectively procured, to James Salter, Esq.  
at Trenton, on or before the 6th day of February  
last. The number of subscriptions received, not  
amounting to two thousand, the commissioners  
did not conceive themselves authorized to fix a day  
for the meeting of the company; nevertheless be-  
ing of opinion from respectable information, that  
the actual subscriptions are nearly, if not fully,  
adequate to the complete organization of the com-  
pany, if they could be ascertained by regular re-  
turns, and being convinced that a trifling degree  
of exertion, on the part of the persons holding the  
subscription lists, would enable them to carry the  
intention of the subscribers into effect, they have  
by the unanimous advice and consent of the sub-  
scribers, whom they have been able to consult,  
fixed on the 14th day of May next, being the 2d  
day of the sitting of the supreme court, for a meet-  
ing of the subscribers at 11 o'clock in the forenoon,  
at the State House in Trenton, for the purpose of  
electing five Trustees and a Treasurer if the num-  
ber of subscribers should be sufficient, or in any  
event to determine on the measures necessary to se-  
cure the attainment of an object so useful to the  
state.

From the universal approbation exhibited by  
their fellow-citizens, at the commencement of this  
undertaking, it was to be expected that the sub-  
scriptions returned, would have ensured its imme-  
diate execution; and the commissioners are imma-  
diately proceeding, if proper attention is paid to the pre-  
paring of subscription lists, to their punctual return at the time  
fixed for the meeting, and to the attendance of the  
subscribers, either in person or by proxy, that no  
further delay will take place in commencing the  
operations of the company, in time for their exe-  
cution during the course of the ensuing summer.
