**HOTEL FOR INVALIDS AT PITTSBURGH.**  
**Drs. Speer and Kuhn.**  
THE object of this establishment is to supply a want greatly felt by respectable travellers on our western high-ways—by residents, without family, taken sick—and by patients from the surrounding towns and country who resort to this place for relief from surgical and other diseases. Such have often suffered from the want of the various comforts and attentions so necessary and agreeable to the sick, and from careless and unfaithful nurses; and been subjected to heavy and unreasonable charges.  
Invalids will here be provided with constant, faithful and comfortable attendance, and at a rate much below the usual charges.  
While the care of both physicians will be extended to every variety of disease, it is intended by Dr. Speer, to give special attention to  
**ALL SURGICAL DISEASES, PARTICULARLY TO DISEASES OF THE EYE.**  
To these branches of his profession he has given a large share of his attention for the last twenty-five years, and he will continue to devote to them the experience acquired by a constant practice during that time.  
The Hotel for Invalids is not an experiment. Its establishment is suggested not only as necessary to supply an evident want in this city, in the entire absence of any special provision for the sick, but is warranted also by the success of similar institutions at Cincinnati and New Orleans—the former under the care of Drs. Tahaferro, Marshall and Strader—the latter under that of Dr. Stone.  
The building selected for the purpose is situated at the corner of Federal and Robinson streets, in Allegheny city, adjoining the city of Pittsburgh. It is commodious and roomy, and furnished with all accommodations necessary for the sick.  
Applications for admission to be made to the subscribers, at their office on Penn street, Pittsburgh, or at the establishment.  
No contagious diseases will be admitted.

**George L. Gordon, CHAIR-MAKER.**  
HAVING purchased from Mr Daniel Pile, his interest in the establishment heretofore carried on under the firm of Gordon & Pile, respectfully informs his friends and the public generally, that he continues to carry on the  
**Chair-Making Business,**  
in all its branches, at the old stand, opposite Mr Kurtz's Drug store in the borough of Somerset, where he will at all times keep on hand or make to order  
**SETTEES; COMMON FANCY AND GRECIAN CHAIRS,**  
and Boston rocking chairs; all of which he will sell very cheap for cash, or exchange for approved country produce at market prices;  
His work will be done in a neat and fashionable style and substantial manner; and he invites the public to give him a call before purchasing elsewhere.  
N B A good journeyman to the above business, who can paint and finish, is wanted immediately, and to whom constant employment and liberal wages will be given.

I do certify that a vial of Dr. McLane's American Worm Specific expelled five hundred and two whole worms and pieces that would have made sixty more, from a boy of John Jewelling, which, if laid in a straight line, would have most probably measured the enormous length of one hundred yards. I do certify that I purchased from Holmes & Kidd a vial of Dr. McLane's American Worm Specific, and gave two doses to a boy of mine about three years of age. He passed fully half a pint of worms. The quantity was so large I was really alarmed, and called in several of my neighbors to see them. Had this story been related to me, I could not have credited it, without being an eye-witness to the same. My child's health improved much after.

Some two months ago I purchased a vial of Dr. McLane's American Worm Specific. I gave a boy of mine most of a vial; he passed forty very large worms. From that time his health improved very much. I had tried two other Vermifuges to no purpose. I believe Dr. McLane's is the best article before the public.

**DR. M'LANE'S CELEBRATED DIVER PILL.**  
For the cure of *Hepatitis or Liver Complaint, Dyspepsia and Sick Head-Ache.*  
THIS remedy having been for several years employed by the proprietor in his practice, on a very large scale in Monongalia, Preston, Harrison and Randolph counties, in Virginia, besides several other places, and having been attended with the most happy effects, he has been from time to time solicited to adopt such a course as would give it a more extensive circulation, with a view to lessen the amount of human suffering. Aware of the fact that many useless nostrums have been palmed upon the public, he hesitated for several years until thoroughly convinced that the above medicine, if properly used, would not fail to effect cures in a great many instances, and even to alleviate those cases which are quite incurable.  
*Symptoms of a diseased Liver.*—Pain in the right side, under the edge of the ribs, increased on pressure; sometimes the pain is in the left side; the patient is rarely able to lie on the left side; sometimes the pain is felt under the shoulder-blade, it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the right arm. The stomach is affected with loss of appetite and sickness; the bowels, in general, are costive, sometimes altering with lax, the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A slight dry cough is sometimes attendant. The patient complains of weariness and debility; he is easily startled; his feet are cold or burning; and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed; yet examination of the body after death has shown the liver to have been extensively deranged.

**CERTIFICATES.**  
This is to certify, that having been associated with Dr. McLane in the practice of medicine for nearly two and a half years, I have had many opportunities of witnessing the good effects of his Liver Pills, and I believe they have cured and relieved a much larger proportion of the diseases of the liver, than I have known cured and relieved by any other course of treatment.
