

F. B. PALMER Esq. of Philadelphia at his Real Estate and Coal Office, is our authorized Agent for obtaining Advertisements and Subscriptions for the "HERALD" and is clothed with full power to receipt for any monies paid to him on these objects.

CHARLES GIBBONS, ESQ.

Most of our readers, we presume, have not forgotten the valuable services which this gentleman rendered to the Whig party pending the gubernatorial and Presidential elections of 1844, and will therefore be surprised to learn that several Whig journals in the city of Philadelphia have arrayed themselves in opposition to him for his liberal and honorable course in the Senate, on the subject of granting the "right of way" to the Baltimore and Ohio Railroad Company.

The Oregon Resolutions. The National Intelligencer of the 17th says:—The debate in the SENATE upon the Oregon Question was yesterday continued by Mr. Hannegan, in favor of the notice. After he concluded, Mr. Colquitt obtained the floor, and is entitled next to address the Senate.

Officers for the Army.

There are said to be fifteen hundred applicants for the several offices in the two mounted regiments that Congress has authorized to be raised—and one of the members of the Military Committee gives it his opinion, that good and competent officers could be readily found, sufficient for an army of five hundred thousand men.

More Snow!

Since our last publication we had several falls of snow, and it is now 26 inches deep. On the Savage and Allegheny Mountains, south and east of this, and on the Laurel Hill, some ten miles west, it is said to have attained a depth of over three feet.

Fox Hunts.—Fox hunts have become the order of the day with our neighbors "over the hills" in Westmoreland. We have not learned, however, that many of the "varmints" have been captured as yet, though some half dozen hunts "came off" within the last five or six weeks.

Candidates in Ohio.

The Whigs of Ohio have nominated WILLIAM BEER, of Butler county, as their candidate for Governor at the ensuing election. DAVID TODD is his opponent.

Annexation.

An act has passed both branches of the Virginia Legislature unanimously, "accepting by the State of Virginia the county of Alexandria, in the district of Columbia, whenever the same shall be receded by the Congress of the United States."

The Markets.

CINCINNATI, FEB. 12.—Bacon, hog round, 4c. hams 6 to 6 1/2. PHILADELPHIA, FEB. 14.—Flour 4 87; wheat \$1 05. BALTIMORE, FEB. 16.—Flour 4 75; wheat \$1 00. PITTSBURGH, FEB. 18.—Flour 3 80; wheat 70c. Bacon—shoulders 5c, sides 6c, and hams 7c. CUMBERLAND, FEB. 19.—Flour \$4 25 to \$5 00; wheat \$5 to 90c.

The Philadelphians, on account of the pertinacity of the west, in claiming a share of the advantages of legislation are now agitating the propriety of having a separate State or sovereignty formed out of the territory lying between the rivers Delaware and Schuylkill. Their only objection is, to taking so much of Berks county in, although including Oley.—Could they succeed in this, they would effectually shut themselves off from the "outside barbarians" west of their vision—that is; as far as the eye can carry from Fairmount—Pittsburg American.

FROM WASHINGTON. A New Tariff Bill. In the House of Representatives on the 16th inst., Mr. Garret Davis moved the following resolution:—Resolved, That the project of a bill to establish the rates of duties on goods, wares, and merchandise which may be imported into the United States, lately submitted by the Secretary of the Treasury to the Committee of Ways and Means, be printed for the use of the House; and that said committee be and they are hereby instructed to furnish the Clerk of the House with a copy of the same, to be printed.

Resolved, That the project of a bill to establish the rates of duties on goods, wares, and merchandise which may be imported into the United States, lately submitted by the Secretary of the Treasury to the Committee of Ways and Means, be printed for the use of the House; and that said committee be and they are hereby instructed to furnish the Clerk of the House with a copy of the same, to be printed.

Mr. Davis at the same time moved the previous question, so as to cut off debate, and to take the resolution without the rule, under which it was subject to be laid over for debate.

Mr. Haralson inquired if the committee had submitted to the House any report on the subject of the tariff.

Mr. McKay, chairman of the committee, answered in the negative.

Mr. Rathbun moved that the resolution be laid on the table.

The yeas and nays on this motion were called for from various quarters of the House, and were ordered.

And the question being taken that the resolution do lie on the table, it passed in the affirmative, 103 to 69.

The Whigs of Mercer county have instructed their Delegates to the 11th March Convention to support James M. Power for Canal Commissioner.

Westmoreland County.

A large number of the citizens of Westmoreland County, friendly to the Baltimore and Ohio Railroad, assembled in public meeting at the Court House, in Greensburgh, on Tuesday evening, the 17th inst., and after organizing and appointing a committee to prepare resolutions, adjourned till 1 o'clock P. M., on Wednesday, at which time the committee reported a series of spirited resolutions which were adopted by the meeting, and from which we select the following:—

RESOLVED, That we are unable to perceive any just cause why our Legislature, at its present session, should not pass Bills or Acts incorporating a company to construct a Rail Road which would complete, by means of its connection, the route between Philadelphia and Pittsburg; as also to grant the right of way to the Baltimore and Ohio Rail Road Company to pass through this State to the City of Pittsburg, under such restrictions as they in their wisdom, should deem imposed upon such company, so as not to prohibit them from accepting of their provisions.

RESOLVED, That we fear as well as regret that the excitement and bad feeling now between the people of the Western part of the State and the city of Philadelphia, on the subject of granting the right of way to the Baltimore and Ohio Railroad, will eventually result in a separation of the ties which have heretofore bound us to her, and induce our Western merchants to seek new commercial relations in the East.

On motion, of Wash Murry, RESOLVED, That Western Pennsylvania is highly indebted to Chas. Gibbons, Esq., of Philadelphia city, for his vigorous and able support of the policy of granting the "right of way" to the Baltimore and Ohio Railroad Company.

Hon. Andrew Stewart.

We were informed the other day by a gentleman from Oley township, that several of his Locofoco neighbors who had Mr. Stewart's admirable speech on the Tariff, published by us a week or two ago, were so well pleased with it that they declared and insisted in good and solemn earnest that Mr. S. belonged to THEIR PARTY. We beg leave to set these gentlemen right. The Hon. ANDREW STEWART is a citizen of Fayette county, and represents the 18th Congressional District, composed of the counties of Fayette, Somerset and Green. He is a DEMOCRAT, OF THE RIGHT SORT—a firm, true, unflinching, thorough-going DEMOCRATIC WHIG. We regard him as the best man in Congress from this State, for whenever the interests of Pennsylvania are attacked, Mr. STEWART is on the floor, battling hand to hand—giving blow for blow—and contesting, inch by inch, every foot of ground upon which the tariff of 1842—now emphatically the WRIG TARIFF—rests for support. We are not surprised that his plain, common sense speeches and arguments have won all hearts, and gained him hosts of friends from his political opponents. The time may come when the people of Pennsylvania will have it in their power to show their sense of his worth by elevating him to the highest office in their gift, and we trust that when that time arrives they will not fail to do their duty to him, as he is now doing his duty so manfully to them.—Reading Journal.

New Counterfeit.

To-day we saw a counterfeit note which does not appear to be described in any Detector. The note purported to be a five of the Erie Bank. Letter A. Vignette a view of ships near shore. Numbered 1179, and dated Sept. 4, 1845.—The head of Washington on the right and Polk on the left, and both badly executed. The general appearance resembles the relief issue.—Pitts. Amer.
