SENATE.

THURSDAY, February 12, 1846. A number of petitions were presented, and several private bills of an unimpor-

tant character reported. On motion of Mr. Ebaugh, the Committee on Finance were instructed to inquire into the expediency of reporting a bill taxing the property of all corporations for county, State and School purpoproperty is now taxed.

THE TARIFF. The Senate resumed the consideration of the amendments made by the House to the tariff resolutions.

Mr. Sanderson took the floor, and made an able speech in opposition to the

House amendments. Mr. Sterigere moved to strike out all after the enacting clause of the House aendment, and to insert the following:

That for the purpose of preventing a uction of the tariff of 1842, and of elicving the people of Pennsylvania as much as possible from the heavy taxation that now oppresses them, our Senators and Representatives in Congress be further requested to sustain the measure of distributing the money arising from sales tysburgh railroad. of the public lands, among the respective States, under which Pennsylvania would be entitled to receive, as appears by the official, reports for the last year, the sum of two hundred thousand dollars annu-
