THE BRIDE'S FAREWELL.

Farewell, Mother !- tears are streaming Down thy tender, pallied cheek; I, in gems and roses gleaming, Of eternal sunshine dreaming, Scarce this sad farewell may speak; Farewell, Mother ! now I leave thee, And thy love-unspeakable-One to cherish, who may grieve me-One to trust, who may deceive me; Farewell, Mother, fare the well.

Farewell, Father ! thou art smiling, Yet there's sadness in thy brow-A mingled joy and languor, winning All thy heart from that beguiling, Tenderness to which I go. Farewell, Father ! thou didst bless me, Ere my lips thy name could tell; He may wound, who shall caress me; Father-guardian-fare the well!

Farewell Sister ! thou art twining 'Round me in affection deep, Gazing on my garb so shining, Wishing 'joy,' but ne'er divining

Why a blessed bride should weep. Farewell, Sister ! have we ever Suffer'd wrath our breasts to swell? E'er gave looks or words that sever Those who should be parted never ! Sister, dearest, fare the well !

Farewell, Brother ! thou art brushing

DR. M.LANE'S CELEBRATED IVER PILLS

Dyspepsia and Sick Head-Ache.

HIS remedy having been for several years employed by the proprietor in his practice, on a very large scale in Monongalia, Preston, Harrison and Randolph counties, in Virginia, besides several other places, and having been attended with the most happy effects, he has been from time to time solicited to adopt such a course as would give it a more extensive circulation, with a view to lessen the amount of human suffering. Aware of the fact that many useless nostrume have been palmed upon the public, he hesitated for several years until thoroughly convinced that the above medicine, if properly used, would not fail to effect cures in a great many instances, and even to alleviate those cases which are quite incurable.

Symptoms of a diseased Liver .- Pain in the right side, under the edge of the ribs, increased; on pressure; sometimes the pain is in the left side; the potient is rarely able to lie on the left sidesometimes the pain is felt under the shoulderblade, it frequently extends to the top of the shoul der, and is sometimes mistaken for a rheumatism in the right arm. The stomach is affected with loss of appetite and sickness; the bowels, in genral, are costive, sometimes altering with fax, the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A slight dey cough is sometimes an attendant. The patient complains of weariness end debility; he is easily staciled, his feet are cold or burning, and he comprains of a prickly sensation of the scin; his spirits are law; and although he a satisfied that exercise would be beneficial to iim, yet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few o them existed, yet examination of the body after death has shown the laver to have been extensively deranged.

CERTIFICATES.

This is to certify, that having been associated with Dr. M'Lane in the practice of medicine for nearly two and a half years, I have had many opportunities of witnessing the good effects o his Liver Pills, and I believe they have cured and relieved a much larger proportion of the diseases cleared and under cultivation and in mea- of the liver, than I have known cured and redow. The buildings consist of a large lieved by any other course of treatment, OLIVER MORGAN, M.D. Dec. 7, 1836.

Drs. Speer and Kuhn. a HE object of this establishment is

to supply a want greatly felt by respectable travellers on our western highways-by residents, without family, taken sick-and by patients from the sur-A held at Somerset in and rounding towns and country who resort to this place for relief from surgical and other diseases. Such have often suffered from the want of the various comforts and attentions so necessary and agreeable to the sick, and from careless and unfaithful nurses; and been subjected to heavy and unreasonable charges.

Invalids will here be provided with constant, faithful and comfortable attendance, snd at a rate much below the usual charges.

While the care of both physicians will he extended to every variety of disease. it is intended by Dr. Speer, to give special attention to

ALL SURGICAL DISEASES. PARTICULARLY TO

DISEASES OF THE EYE. To these branches of his profession he has given a large share of his attenion for the last twenty-five years, and he will continue to devote to them the experience acquired by a constant practice during that time.

The Hotel for Invalids is not an exper iment. Its establishment is suggested not only as necessary to supply an evident want in this city, in the entire absence of any special provision for the sick, but is warranted also by the success of similar institutions at Cincinnati and New Orleans--the former under the care short time ag , gave a vial of the Worm Specific of Drs. Taliaferro, Marshall and Strader

DR. MCLANE'S AMERICAN WORM SPECIFIC Promptly expels Worms to an almost incredible number!

() substantiate the above fact many hundreds of testimonials could be adduced, out of which the following are selected, from individuals of standing and veracity. Indeed, it is confidently affirmed that each new trial of the powers of this remedy will have an additional tendency to widen and confirm its fame, and that if it were universally known and diffused over the United States, it would not save less than many hundreds, if not thousands of lives annually. CERTIFICATES.

I do certify that a vial of Dr. M'Lane's Ameri can Worm Specific expelled five hundred and two whole worms and pieces that would have made sixty more, from a boy of J shn Lewelling, which, if laid in a straight line, would have most probably measured the enormous length of one hundrer yards. JOSIAH JACKSON, owner of Wate Forge, and other works, Monongalia county, Va

This is to certify that I purchased from Holmes & Kidd a vial of Dr. M'Lane's American Worm specific, and gave two doses to a boy of mine about three years years of age. He passed fully half a pint of worms. The quantity was so large I was really alarmed, and called in several of my neighbors to see them. Had this story been related to me, I could not have credited it, without being an eye-witness to the same. My child's health improved much after.

SAM'L MORRISON. Merchant Tailor, Wood st, Pittsburgh.

Some two months ago I purchased a vial of Dr M'Lanes American Worm Specific. I gave a boy of mine most of a vial; he passed forty very large worms. From that time his health improved very much. I had tried two other Vermifuges to no purpose. I believe Dr. M'Lane's the best article before the public. D. CALHOUN. Mifflin township, Allegheny county.
