JAYNE'S MEDICINE. A Word to Mothers!

HEALTH is one of the best gifts of parents to their children, and without it, all the advantages of fortune are but evils in disguise. Nature always admonishes the parent when aid is required. If a young child cries much it must be ill, for it is not capable of being affected by any ideas, but of those of bodily pain or pleasure. At such times mothers are apt to give their infants cordials, containing intoxicating or stupefying properties, and though this may answer their immediate purpose, what is the result? The children either die in convulsions, or live miserable and unhealthy, pined in their growth, with debilitated stomachs, and palsied nerves. The food designed by nature for children is so clearly pointed out, that it is marvellous how any person can be mistaken, the breast of the mother, or bread and milk for infants, is so clearly adapted to the delicate state of their stomachs, that nothing can be substituted equally nutritious and wholesome. It is at the critical period of "teething," or when the infant is withdrawn from the mother's breast, in order to substitute a stronger diet, that those fatal diseases arise which sweep off so many tens of thousands of infants annually. Who can estimate the ravages made by "Cholera Infantum!" And yet there is a specific for it, which has never been known to fail, when applied according to directions. "JAYNE'S CARMINATIVE BALSAM" is a remedy that has restored many a languishing babe to the arms of the delighted mother, restoring vigor to the system, at the same time that it eradicated the disease. As 'men are but children of a larger growth,' the same remedy will be found equally efficacious in Cholera Morbus, Nervous or Sick Headache, and indeed all diseases that arise from a disordered state of the stomach and bowels.

JAYNE'S SANATIVE PILLS.

THESE pills may be taken at all times, and in most diseases, in inflammatory, intermittent, remittent, bilious, and every form of FEVER—Jaundice and Liver complaint. For Dyspepsia they are really an invaluable article, gradually changing the vitiated secretions of the stomach and liver, and producing healthy action in those important organs. They are very valuable for diseases of the Skin, and for what is commonly called impurity of Blood; also for Female Complaints, Costiveness, &c., and in fact every disease where an Aperient, Alterative, or purgative medicine may be required.
Dyspepsia positively can be cured by a persevering use of this Sanative, especially if the Tonic Vermifuge be used in conjunction.
Prepared only by Dr. D. Jayne, No. 8 South Third street, Philadelphia.

DR. M'LANE'S CELEBRATED LIVER PILLS.

For the cure of Hepatitis or Liver Complaint Dyspepsia and Sick Head-Ache.

THIS remedy having been for several years employed by the proprietor in his practice, on a very large scale in Monongalia, Preston, Harrison and Randolph counties, in Virginia, besides several other places, and having been attended with the most happy effects, he has been from time to time solicited to adopt such a course as would give it a more extensive circulation, with a view to lessen the amount of human suffering. Aware of the fact that many useless nostrums have been palmed upon the public, he hesitated for several years until thoroughly convinced that the above medicine, if properly used, would not fail to effect cures in a great many instances, and even to alleviate those cases which are quite incurable.

Symptoms of a diseased Liver.—Pain in the right side, under the edge of the ribs, increased on pressure; sometimes the pain is in the left side the patient is rarely able to lie on the left side sometimes the pain is felt under the shoulder-blade, it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the right arm. The stomach is affected with loss of appetite and sickness; the bowels, in general, are constive, sometimes altering with lax, the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A slight dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few or them existed, yet examination of the body after death has shown the liver to have been extensively deranged.

CERTIFICATES.
This is to certify, that having been associated with Dr. M'Lane in the practice of medicine for nearly two and a half years, I have had many opportunities of witnessing the good effects of his Liver Pills, and I believe they have cured and relieved a much larger proportion of the diseases of the liver, than I have known cured and relieved by any other course of treatment.

Patent Vermifuge.

DR. M'LANE'S AMERICAN WORM SPECIFIC PROMPTLY expels Worms to an almost incredible number!

TO substantiate the above fact many hundreds of testimonials could be adduced, out of which the following are selected, from individuals of standing and veracity. Indeed, it is confidently affirmed that each new trial of the powers of this remedy will have an additional tendency to widen and confirm its fame, and that if it were universally known and diffused over the United States, it would not save less than many hundreds, if not thousands of lives annually.

CERTIFICATES.
I do certify that a vial of Dr. M'Lane's American Worm Specific expelled five hundred and two whole worms and pieces that would have made sixty inches, from a boy of John Lewelling, which, if laid in a straight line, would have most probably measured the enormous length of one hundred yards. JOSIAH JACKSON, owner of Water Yards, Forge, and other works, Monongalia county, Va.

This is to certify that I purchased from Holmes & Kidd a vial of Dr. M'Lane's American Worm Specific, and gave two doses to a boy of mine about three years years of age. He passed fully half a pint of worms. The quantity was so large I was really alarmed, and called in several of my neighbors to see them. Had this story been related to me, I could not have credited it, without being an eye-witness to the same. My child's health improved much after.
SAML MORRISON,
Merchant Tailor, Wood st, Pittsburg!

Some two months ago I purchased a vial of Dr. M'LANE'S American Worm Specific. I gave a boy of mine most of a vial; he passed forty very large worms. From that time his health improved very much. I had tried two other Vermifuges to no purpose. I believe Dr. M'LANE'S the best article before the public. D. CALHOUN,
Mifflin township, Allegheny county.

HEAR MEDICAL TESTIMONY.

From a regular Physician, Dr G S Smith, Sunfish, Ohio.
Mr. J. Kidd—Dear Sir—I have used in my practice Dr. M'LANE'S American Worm Specific, and have often witnessed its efficacy in expelling worms from the system. A patient of mine, a short time ago, gave a vial of the Worm Specific to a child; in a short time upwards of sixty-five worms were expelled.

HOTEL FOR INVALIDS AT PITTSBURGH.

DRS. Speer and Kuhn.

THE object of this establishment is to supply a want greatly felt by respectable travellers on our western highways—by residents, without family, taken sick—and by patients from the surrounding towns and country who resort to this place for relief from surgical and other diseases. Such have often suffered from the want of the various comforts and attentions so necessary and agreeable to the sick, and from careless and unfaithful nurses; and been subjected to heavy and unreasonable charges. Invalids will here be provided with constant, faithful and comfortable attendance, and at a rate much below the usual charges. While the care of both physicians will be extended to every variety of disease, it is intended by Dr. Speer, to give special attention to ALL SURGICAL DISEASES, PARTICULARLY TO DISEASES OF THE EYE. To these branches of his profession he has given a large share of his attention for the last twenty-five years, and he will continue to devote to them the experience acquired by a constant practice during that time. The Hotel for Invalids is not an experiment. Its establishment is suggested not only as necessary to supply an evident want in this city, in the entire absence of any special provision for the sick, but is warranted also by the success of similar institutions at Cincinnati and New Orleans—the former under the care of Drs. Taliaferro, Marshall and Strader—the latter under that of Dr. Stone. The building selected for the purpose is situated at the corner of Federal and Robinson streets, in Allegheny city, adjoining the city of Pittsburg. It is commodious and roomy, and furnished with all accommodations necessary for the sick. Applications for admission to be made to the subscribers, at their office on Penn street, Pittsburg, or at the establishment.

No contagious diseases will be admitted.
