DR. McLANE'S AMERICAN WORM SPECIFIC Promptly expels Worms to an almost in-

Indeed, it is confidently affirmed that each new trial of the powers of this remedy will have an additional tendency to widen and confirm its fame, and that if t were universally known and diffused over the United States, it would not save less than many hundreds, if not thousands of lives annually.

CERTIFICATES. I do certify that a vial of Dr. M'Lane's Amert can Worm Specific expelled five hundred and two whole worms and pieces that would have made sixty more, from a boy of John Lewelling, which, if laid in a straight line, would have most probably measured the enormous length of one hundrer vards.
