HOTEL FOR INVALIDS AT PITTSBURGH.

Drs. Speer and Kuhn. THE object of this establishment is to supply a want greatly felt by respectable travellers on our western highways—by residents, without family, taken sick—and by patients from the surrounding towns and country who resort to this place for relief from surgical and other diseases. Such have often suffered from the want of the various comforts and attentions so necessary and agreeable to the sick, and from careless and unfaithful nurses; and been subjected to heavy and unreasonable charges.

Invalids will here be provided with constant, faithful and comfortable attendance, and at a rate much below the usual charges.

While the care of both physicians will be extended to every variety of disease, it is intended by Dr. Speer, to give special attention to ALL SURGICAL DISEASES, PARTICULARLY TO DISEASES OF THE EYE. To these branches of his profession he has given a large share of his attention for the last twenty-five years, and he will continue to devote to them the experience acquired by a constant practice during that time.

The Hotel for Invalids is not an experiment. Its establishment is suggested not only as necessary to supply an evident want in this city, in the entire absence of any special provision for the sick, but is warranted also by the success of similar institutions at Cincinnati and New Orleans—the former under the care of Drs. Taliaferro, Marshall and Strader—the latter under that of Dr. Stone.

The building selected for the purpose is situated at the corner of Federal and Robinson streets, in Allegheny city, adjoining the city of Pittsburgh. It is commodious and roomy, and furnished with all accommodations necessary for the sick.

Applications for admission to be made to the subscribers, at their office on Penn street, Pittsburgh, or at the establishment. No contagious diseases will be admitted. J. R. SPEER, M. D. J. S. KUHN, M. D. February 25, 1845.

The Account of John Snyder, administrator of Ann Boyer, deceased. WM. H. PICKING, Clerk. August 4, 1846.

IN the matter of the application of "The German Reformed Congregation, at Beam's Church" of Somerset township, Somerset County, Pennsylvania, for a charter of Incorporation.

AND now to wit: 15th July, 1846. The Petition of the aforesaid Church, was presented to the court praying for a charter of incorporation, and the court having perused and examined the petition, and the articles and conditions therein, set forth and contained appearing to be lawful, and not injurious to the community, order the instrument to be filed, and publication to be made in one newspaper printed in Somerset county for three weeks, that the application has been made.

JAYNE'S MEDICINE.

From the Norridgework (Me.) Journal. WE publish the following, as among the many evidences which we are constantly receiving of the increasing popularity of Dr. Jayne's Expectorant. We have no interest in "puffing" it—any further than we have a desire to promote the health and happiness of our fellow creatures, who are wasting away with those complaints, for which this medicine is an absolute remedy. And in calling the attention of the public to it, we are in the faithful discharge of our duty.

New Portland, Nov. 4, 1842.

Mr. Pratt.—Sir: I wish you to send me 3 bottles of Jayne's Expectorant, and in connection, I would say, that I deem it an invaluable medicine, and an article that no family should be without it for a single day. I have used it for two years in my family, and have always found it a quick and efficient remedy for tightness of the lungs, produced by long protracted colds, which produce the short hacking cough, the premonitor of Consumption, in which it so frequently terminates in this climate. If properly and seasonably administered, it will efficaciously break up the most violent colds, and thereby prevent the many violent fevers so frequently consequent upon them.—I would most cheerfully recommend this medicine to the public in all cases of that nature, as invaluable. JOHN H. WEBSTER.

CHOLICS AND FRETTING OF INFANTS.

Every mother should have Jayne's Carminative. It is the very thing they need for their children, as it immediately cures the cholice, and allays all irritation of the stomach and bowels.

Sold by J. J. & H. F. Schell, Somerset Pa. Also by Edward Bevin, Stoytown Pa.

THE WARM WEATHER.

4) THE sudden changes of the weather, during this season of the year, exercise a most baneful effect on the human system, debilitating and prostrating it.—The stomach and bowels become deranged, giving timely notice to all, who are inclined to give attention to the warning voices of nature. At such times "Jayne's Carminative" never fails to afford immediate relief, checking the disease and restoring the patient to vigorous health. Mothers cannot be too cautious with their children during this month, and the month following, and in earliest stages of the summer disease, whether from teething, oppressive heat, or other causes, they should at once resort to this never failing remedy. Hundreds of certificates from respectable persons in this city, are in possession of the proprietor, ready to exhibit to all who may desire to see them at his office, No. 8 South Third street, Philadelphia.

Life! Life!! Life!!!

"All that a man hath will he give for life," so we find recorded in the most ancient and best of books, but as we see thousands dying around us with Consumption, Croup, Cough, Asthma, Bronchitis, Spitting blood, and other Pulmonary affections, we are led to doubt the correctness of the above assertion, especially since it is so well known that a certain remedy may be obtained, which always arrests those diseases.

Dr. JAYNE'S EXPECTORANT never fails to give relief, and cures after every means have failed. This can be and has been proved in thousands of instances, where it has effected radical cure, after the patient had been given up by all his friends and physicians.

Sold by J. J. & H. F. Schell, Somerset Pa. Also by Edward Bevin, Stoytown Pa.

DR. McLANE'S CELEBRATED LIVER PILLS.

For the cure of Hepatitis or Liver Complaint Dyspepsia and Sick Head-Ache.

THIS remedy having been for several years employed by the proprietor in his practice, on a very large scale in Montgomery, Preston, Harrison and Randolph counties, in Virginia, besides several other places, and having been attended with the most happy effects, he has been from time to time solicited to adopt such a course as would give it a more extensive circulation, with a view to lessen the amount of human suffering. Aware of the fact that many useless nostrums have been palmed upon the public, he hesitated for several years until thoroughly convinced that the above medicine, if properly used, would not fail to effect cures in a great many instances, and even to alleviate those cases which are quite incurable.

Symptoms of a diseased Liver.—Pain in the right side, under the edge of the ribs, increased on pressure; sometimes the pain is in the left side the patient is rarely able to lie on the left side sometimes the pain is felt under the shoulder-blade, it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the right arm. The stomach is affected with loss of appetite and sickness; the bowels, in general, are constive, sometimes altering with lax, the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A slight dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning; and the complaints of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few or them existed, yet examination of the body after death has shown the liver to have been extensively deranged.

CERTIFICATES.

This is to certify, that having been associated with Dr. McLane in the practice of medicine for nearly two and a half years, I have had many opportunities of witnessing the good effects of his Liver Pills, and I believe they have cured and relieved a much larger proportion of the diseases of the liver, than I have known cared and relieved by any other course of treatment. Dec. 7, 1836. OLIVER MORGAN, M.D.]

Patent Vermifuge.

DR. McLANE'S AMERICAN WORM SPECIFIC Promptly expels Worms to an almost incredible number!

TO substantiate the above fact many hundreds of testimonials could be adduced, out of which the following are selected, from individuals of standing and veracity. Indeed, it is confidently affirmed that each new trial of the powers of this remedy will have an additional tendency to widen and confirm its fame, and that it were universally known and diffused over the United States, it would not save less than many hundreds, if not thousands of lives annually.

CERTIFICATES.

I do certify that a vial of Dr. McLane's American Worm Specific expelled five hundred and two whole worms and pieces that would have made sixty more, from a boy of John Lewelling, which, if laid in a straight line, would have most probably measured the enormous length of one hundred yards. JOSIAH JACKSON, owner of Wate Forge, and other works, Monongalia county, Va

This is to certify that I purchased from Holmes & Kidd a vial of Dr. McLane's American Worm Specific, and gave two doses to a boy of mine about three years years of age. He passed fully half a pint of worms. The quantity was so large I was really alarmed, and called in several of my neighbors to see them. Had this story been related to me, I could not have credited it, without being an eye-witness to the same. My child's health improved much after.

SAM'L MORRISON, Merchant Tailor, Wood st, Pittsburg!

Some two months ago I purchased a vial of Dr. McLane's American Worm Specific. I gave a boy of mine most of a vial, he passed forty very large worms. From that time his health improved very much. I had tried two other Vermifuges to no purpose. I believe Dr. McLane's the best article before the public. D. CALHOUN, Millin township, Allegheny county.

HEAR MEDICAL TESTIMONY.

From a regular Physician, Dr G S Smith, Sunfish, Ohio. Mr. J. Kidd—Dear Sir—I have used in my practice Dr. McLane's American Worm Specific, and have often witnessed its efficacy in expelling worms from the system. A patient of mine, a short time ago, gave a vial of the Worm Specific to a child: in a short time upwards of sixty-five worms were expelled.
