HOTEL FOR INVALIDS AT PITTSBURGH.

Drs. Speer and Kuhn.

THE object of this establishment is to supply a want greatly felt by respectable travellers on our western highways—by residents, without family, taken sick—and by patients from the surrounding towns and country who resort to this place for relief from surgical and other diseases. Such have often suffered from the want of the various comforts and attentions so necessary and agreeable to the sick, and from careless and unskillful nurses; and been subjected to heavy and unreasonable charges.
Invalids will here be provided with constant, faithful and comfortable attendance, and at a rate much below the usual charges.
While the care of both physicians will be extended to every variety of disease, it is intended by Dr. Speer, to give special attention to
ALL SURGICAL DISEASES, PARTICULARLY TO DISEASES OF THE EYE.

To these branches of his profession he has given a large share of his attention for the last twenty-five years, and he will continue to devote to them the experience acquired by a constant practice during that time.
The Hotel for Invalids is not an experiment. Its establishment is suggested not only as necessary to supply an evident want in this city, in the entire absence of any special provision for the sick, but is warranted also by the success of similar institutions at Cincinnati and New Orleans—the former under the care of Drs. Taliaferro, Marshall and Strader—the latter under that of Dr. Stone.

The building selected for the purpose is situated at the corner of Federal and Robinson streets, in Allegheny city, adjoining the city of Pittsburgh. It is commodious and roomy, and furnished with all accommodations necessary for the sick.
Applications for admission to be made to the subscribers, at their office on Penn street, Pittsburgh, or at the establishment.
No contagious diseases will be admitted.

HAMILTON, N. Y. Oct. 8, 1841.
Mr. J. J. Foote—Dear Sir—I cheerfully add my testimonial to the numerous recommendations of Dr. Jayne's Medicines, which have already been given. I have found his Carminative successful in my family in cases where all other means had failed. I have also used with decided benefit his Expectorant. I would not be without either of these medicines in my family for any consideration.
I have the gratification of a personal acquaintance with Dr. Jayne. He is an exemplary member of society, and sustains a high reputation in Philadelphia as a regular and skilful physician.

HATS! HATS!

Cheap, Good and Fashionable.

THANKFUL for past favors, the subscriber would respectfully inform his old customers and the public generally, that he continues to carry on the
Hatting Business,
in all its branches, at his old stand on main street, in the borough of Somerset, where he keeps constantly on hand a supply of HATS of his own manufacture, made of the best materials and in every variety of style—embracing
Fur, Nutria, Russia, Cassimer
AND
WOOL HATS.

Country Dealers will be supplied with any quantity they may desire for retail, on short notice and at moderate prices; and customers can at all times either have a choice from among the stock on hand, or have their hats made to order, of any
Quality or Style.
From his long experience in the business and a determination to sell cheap, and at the same time also that his hats shall not be excelled by those of any other establishment here or elsewhere, the subscriber flatters himself with the hope that he shall continue to receive a liberal share of public patronage.

CAUTION.

The subscriber understands that some persons have been selling hats as having been manufactured by him, which are made elsewhere—and he therefore cautions the public against purchasing any as his make, which have not the words "John C. Kurtz, Main street, Somerset, Pa.," on the tip.

Jayne's Carminative Balsam.

It is well known that regular physicians are shy of endorsing the virtues of any of that class of remedies commonly called "Patent Medicines," but so conspicuous have been the curative powers of this preparation, in its wonderful effects, that some of the first physicians in Pennsylvania, Maryland, and other States, have voluntarily come forward, and furnished Dr. Jayne with certificates of its sensitive influence. It is now extensively prescribed in medical practice, as a remedy for cholera infantum, dysentery, cholera, dyspepsia, and all diseases proceeding from a disordered action of the stomach, liver, intestines, or nerves, whether in children, or persons of adult age. It acts directly upon the secretaries, and purifies the blood, by purifying the elements of which it is composed.

DR. M'LANE'S AMERICAN WORM SPECIFIC
Promptly expels Worms to an almost incredible number!
To substantiate the above fact many hundreds of testimonials could be adduced, out of which the following are selected, from individuals of standing and veracity. Indeed, it is confidently affirmed that each new trial of the powers of this remedy will have an additional tendency to widen and confirm its fame, and that it were universally known and diffused over the United States, it would not save less than many hundreds, if not thousands of lives annually.
CERTIFICATES.
I do certify that a vial of Dr. M'Lane's American Worm Specific expelled five hundred and two whole worms, and pieces that would have made sixty more, from a boy of John Lewelling, which, if laid in a straight line, would have most probably measured the enormous length of one hundred yards.
JOSIAH JACKSON, owner of Waco Forge, and other works, Monongalia county, Va.

This is to certify that I purchased from Holmes & Kidd a vial of Dr. M'Lane's American Worm Specific, and gave two doses to a boy of mine about three years of age. He passed fully half a pint of worms. The quantity was so large I was really alarmed, and called in several of my neighbors to see them. Had this story been related to me, I could not have credited it, without being an eye-witness to the same. My child's health improved much after.

DR. M'LANE'S CELEBRATED LIVER PILLS.

For the cure of Hepatitis or Liver Complaint, Dyspepsia and Sick Head-Ache.

THIS remedy having been for several years employed by the proprietor in his practice, on a very large scale in Monongalia, Preston, Harrison and Randolph counties, in Virginia, besides several other places, and having been attended with the most happy effects, he has been from time to time solicited to adopt such a course as would give it a more extensive circulation, with a view to lessen the amount of human suffering. Aware of the fact that many useless nostrums have been palmed upon the public, he hesitated for several years until thoroughly convinced that the above medicine, if properly used, would not fail to effect cures in a great many instances, and even to alleviate those cases which are quite incurable.

Symptoms of a diseased Liver.—Pain in the right side, under the edge of the ribs, increased on pressure; sometimes the pain is in the left side the patient is rarely able to lie on the left side sometimes the pain is felt under the shoulder-blade, it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the right arm. The stomach is affected with loss of appetite and sickness; the bowels, in general, are costive, sometimes accompanied with flatulency, and is sometimes troubled with laxity, the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A slight dry cough is sometimes attendant. The patient complains of weakness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few or them existed, yet examination of the body after death has shown the liver to have been extensively deranged.

CERTIFICATES.
This is to certify, that having been associated with Dr. M'Lane in the practice of medicine for nearly two and a half years, I have had many opportunities of witnessing the good effects of his Liver Pills, and I believe they have cured and relieved a much larger proportion of the diseases of the liver, than I have known cured and relieved by any other course of treatment.
