POETRY.

TO MISERY.

Misery, thou'rt mine and only mine; All others' woe is joy,— Compared with mine 'tis happiness, For mine hath no alloy. No respite taints my sorrow deep, Nor hope nor mental peace, For day by day and hour by hour My anguish doth increase. If asked the cause—I will point where ONE LONG LAST look I gave, While strangers laid her cold, cold corpse In the lowly strangers' grave. I turned away—without a home, Or friends or kindred dear, To speak of hope, and 'sunge my woe, Or whisper word of cheer. Her children dear with cheerful eyes, Oft gaze upon my own; It aggravates my wretchedness— Misery, thou'rt mine alone. I have a friend—a valued one; That friend I ne'er may see; My bitter cup would not be full, Might that friend comfort me. 'Friendship, thy sweetly-sounding name Is left to me alone! I've drained the cup unto the dregs,— Misery, thou art mine own!

THE UNITED STATES & MEXICO.

Correspondence of the Journal of Commerce.

WASHINGTON, SEPTEMBER 28, 1846.

The Administration have, after full deliberation, determined upon a line of operations against Mexico, which is to be immediately pursued, and with the greatest vigor and energy that it may be able to exert. It has been decided to take possession of Tampico, with a view to facilitate the operations of the army of invasion. That strong and immediate movements are to be made, you may infer from the fact that, on Saturday, transfer drafts were signed, at the Treasury, for very nearly a million of dollars on the New York banks, in order to place funds in New Orleans preparatory to new operations.

Santa Anna, though probably disposed for peace, as promotive of his own interests, as well as those of his country, is merely the agent and representative of military caprice, which so frequently and suddenly produces in Mexico "changes without revolutions," as General Salas so appropriately remarks. Santa Anna was selected for the new movement because he had influence with the army. He would not destroy that influence by promoting peace. He may be willing to get rid of those janissaries in some way or other, but it will be difficult to do it. It appears, too, that the constituent Congress, upon which is devolved the duty of organizing the Government anew, is to be a free body, and chosen without reference to any personal interest. The surmise that Santa Anna may use this Congress as a mere machine for the promotion of his own objects, is, therefore, unfounded.

The new movement is based mainly on two principles—internal tranquility and territorial integrity. The first act of the Constituent Congress, called to frame the organic law of the country, would not be to alienate its territory. If they can secure internal tranquility, they will feel more confident of preserving the integrity of their territory. No sagacious person can now believe that there is much hope for peace from the conciliatory disposition of Mexico. Whatever hopes of a speedy peace were founded upon the policy of Santa Anna have been abandoned. From the Congress, I think, there will be less hope of peace, even should we wait till December for its meeting, and then some six months for its deliberation and action. The Government, therefore, have decided to wage war in earnest and with all its energies, from this day forward.

PROSECUTION OF THE WAR.—General GAINES, it is said, has received orders from Washington for the immediate transportation of all the troops now stationed on the Eastern Division to the seat of war on the Rio Grande. Letters from Washington also state that orders are to be transmitted to the Gulf for the taking of Tampico.

PICKPOCKETS IN PROVIDENCE.—We learn from Mr. Ross of the Providence Express, that Mr. Thomas Reed had his pocket picked, on Saturday last, while at the Post Office in Providence. He lost \$1,600 money—he has offered a reward of \$150, for the recovery of his property.

TRUE DEFINITION.—"A duelist," says the Portland Advertiser, "is one who vindicates his pretensions to live like a gentleman, by dying like a fool."

HOTEL FOR INVALIDS AT PITTSBURGH.

Dr. Speer and Kuhn. THE object of this establishment is to supply a want greatly felt by respectable travellers on our western highways—by residents, without family, taken sick—and by patients from the surrounding towns and country who resort to this place for relief from surgical and other diseases. Such have often suffered from the want of the various comforts and attentions so necessary and agreeable to the sick, and from careless and unfaithful nurses; and been subjected to heavy and unreasonable charges. Invalids will here be provided with constant, faithful and comfortable attendance, and at a rate much below the usual charges. While the care of both physicians will be extended to every variety of disease, it is intended by Dr. Speer, to give special attention to ALL SURGICAL DISEASES, PARTICULARLY TO DISEASES OF THE EYE. To these branches of his profession he has given a large share of his attention for the last twenty-five years, and he will continue to devote to them the experience acquired by a constant practice during that time. The Hotel for Invalids is not an experiment. Its establishment is suggested not only as necessary to supply an evident want in this city, in the entire absence of any special provision for the sick, but is warranted also by the success of similar institutions at Cincinnati and New Orleans—the former under the care of Drs. Taliaferro, Marshall and Strader—the latter under that of Dr. Stone. The building selected for the purpose is situated at the corner of Federal and Robinson streets, in Allegheny city, adjoining the city of Pittsburgh. It is commodious and roomy, and furnished with all accommodations necessary for the sick. Applications for admission to be made to the subscribers, at their office on Penn street, Pittsburgh, or at the establishment. No contagious diseases will be admitted. J. R. SPEER, M. D. J. S. KUHN, M. D. February 25, 1845.

HATS! HATS!

Cheap, Good and Fashionable.

THANKFUL for past favors, the subscriber would respectfully inform his old customers and the public generally, that he continues to carry on the Hatting Business, in all its branches, at his old stand on main street, in the borough of Somerset, where he keeps constantly on hand a supply of HATS of his own manufacture, made of the best materials and in every variety of style—embracing Fur, Nutria, Russia, Cassimer and WOOL HATS. Country Dealers will be supplied with any quantity they may desire for retail, on short notice and at moderate prices; and customers can at all times either have a choice from among the stock on hand, or have their hats made to order, of any Quality or Style. From his long experience in the business and a determination to sell cheap, and at the same time also that his hats shall not be excelled by those of any other establishment here or elsewhere, the subscriber flatters himself with the hope that he shall continue to receive a liberal share of public patronage.

CAUTION.

The subscriber understands that some persons have been selling hats as having been manufactured by him, which are made elsewhere—and he therefore cautions the public against purchasing any as his make, which have not the words "John C. Kurtz, Main street, Somerset, Pa.," on the tip. Furs and approved country produce taken in exchange for hats. CHEAP FOR CASH. sep8 JOHN C. KURTZ.

DR. M'LANE'S CELEBRATED LIVER PILLS.

For the cure of Hepatitis or Liver Complaint, Dyspepsia and Sick Head-Ache.

THIS remedy having been for several years employed by the proprietor in his practice, on a very large scale in Monongalia, Preston, Harrison and Randolph counties, in Virginia, besides several other places, and having been attended with the most happy effects, he has been from time to time solicited to adopt such a course as would give it a more extensive circulation, with a view to lessen the amount of human suffering. Aware of the fact that many useless nostrums have been palmed upon the public, he hesitated for several years until thoroughly convinced that the above medicine, if properly used, would not fail to effect cures in a great many instances, and even to alleviate those cases which are quite incurable.

Symptoms of a diseased Liver.—Pain in the right side, under the edge of the ribs, increased on pressure; sometimes the pain is in the left side the patient is rarely able to lie on the left side sometimes the pain is felt under the shoulder-blade, it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the right arm. The stomach is affected with loss of appetite and sickness; the bowels, in general, are costive, sometimes alternating with lax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A slight dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few or them existed, yet examination of the body after death has shown the liver to have been extensively deranged.

CERTIFICATES.

This is to certify, that having been associated with Dr. M'Lane in the practice of medicine for nearly two and a half years, I have had many opportunities of witnessing the good effects of his Liver Pills, and I believe they have cured and relieved a much larger proportion of the diseases of the liver, than I have known cured and relieved by any other course of treatment. Patent Vermifuge.

Dr. M'LANE'S AMERICAN WORM SPECIFIC Promptly cures Worms to an almost incredible number!

TO substantiate the above fact many hundreds of testimonials could be adduced, out of which the following are selected, from individuals of standing and veracity. Indeed, it is confidently affirmed that each new trial of the powers of this remedy will have an additional tendency to widen and confirm its fame, and that if it were universally known and diffused over the United States, it would save less than many hundreds, if not thousands of lives annually. CERTIFICATES.

I do certify that a vial of Dr. M'Lane's American Worm Specific expelled five hundred and two whole worms and pieces that would have made sixty more, from a boy of John Lewelling, which, if laid in a straight line, would have most probably measured the enormous length of one hundred yards. JOSIAH JACKSON, owner of Wato Forge, and other works, Monongalia county, Va.

This is to certify that I purchased from Holmes & Kidd a vial of Dr. M'Lane's American Worm Specific, and gave two doses to a boy of mine about three years of age. He passed fully half a pint of worms. The quantity was so large I was really alarmed, and called in several of my neighbors to see them. Had this story been related to me, I could not have credited it, without being an eye-witness to the same. My child's health improved much after. SAM'L MORRISON, Merchant Tailor, Wood st, Pittsburg

Some two months ago I purchased a vial of Dr. M'LANE'S American Worm Specific. I gave a boy of mine most of a vial; he passed forty very large worms. From that time his health improved very much. I had tried two other Vermifuges to no purpose. I believe Dr. M'LANE'S the best article before the public. D. CALHOUN, Millin township, Allegheny county.

HEAR MEDICAL TESTIMONY.

From a regular Physician, Dr G S Smith, Sunfish, Ohio.

Mr. J. Kidd—Dear Sir—I have used in my practice Dr. M'LANE'S American Worm Specific, and have often witnessed its efficacy in expelling worms from the system. A patient of mine, a short time ago, gave a vial of the Worm Specific to a child; in a short time upwards of sixty-five worms were expelled.
