

By Divine permission, Rev. Messrs. STEVENSON and ORMAN, Pastors of the Presbyterian congregations at Connellsville and Uniontown, will deliver a course of sermons, in this place, and also in Jenner, commencing on Tuesday evening, Nov. 19, and to continue at intervals during the week.

Printing Press. We wish to purchase a second-hand range press. Any person having one for sale, will please inform us by letter, stating the size, price, &c.

The ensuing court week will afford opportunities to those indebted to us, to discharge what they severally owe. We will then have published the "HERALD" FOUR YEARS, and such as have been receiving it all that time without ever paying us a cent, can readily tell the amount of their ARREARAGES.

Great Tariff Victory! PENNSYLVANIA REDEEMED! Whig Canal Commissioner, Whig Delegation to Congress, and a Whig State Senate and House of Representatives, elected!

We have the pleasure of announcing to our readers one of the greatest political victories ever achieved by any party in Pennsylvania. The Whigs have swept the State from the centre to the circumference. They have elected their candidate for Canal Commissioner, 17 out of 24 Members of Congress and a majority of 16 to the Assembly, and have 18 out of the 33 Members of the State Senate.

Pennsylvania stands by the Tariff of 1842, as the sheet-anchor of her prosperity. Though cut off by base and treacherous hands, it is destined to be restored again at a day not distant. Her people have spoken in a voice audible as thunder, and her betrayers may take warning from it and prepare for the coming storm, in other States of the Union.

Volunteers for Mexico! It will be remembered that Congress authorized the calling out of 50,000 volunteers to be employed against Mexico, should the Executive deem it expedient, and that Pennsylvania's quota of that force was fixed at six regiments. In the early part of the Summer a number of Volunteer companies from this State tendered their services, but owing to a strong turn out from the Western and South-western States they were not then accepted. We learn, however, that a requisition has been made upon Gov. Shunk within the past week, for the whole of this State's quota of men, we suppose for the purpose of reinforcing Gen. Taylor's Army at Monterey, and the probability therefore is, that our gallant volunteers will ere long find opportunities to distinguish themselves on the battle-fields of Mexico.

The Whigs and Antislavery of Somerset. Though the day was one of the most disagreeable we had the present season, the whole-souled Whigs and Antislavery of this county did their duty nobly on the day of the election. The turnout was small, it is true, but still much greater than many supposed it would be when they saw it raining all day. Our mountain boys do not regard a little sprinkling, however, when duty calls them to the ballot-boxes—and whether there be "rain or shine," they always "do up things brown."

War Rumors. We have several rumors in regard to the present state of affairs at Monterey, the latest of which is, that the Mexicans had turned upon Gen. Taylor and attacked him in the city, but were repulsed with the loss of from 1200 to 1800 men in killed and wounded, and that Gen. Taylor had lost from 300 to 500. We have not been able to trace this rumor to any reliable source, and cannot say, therefore, what degree of credit it is entitled to.

Ohio Election. The election in Ohio has resulted in the election of a Whig Governor, 12 Whig Members of Congress, and a Whig majority in each branch of the State Legislature. Particulars next week.

The returns for Canal Commissioner are as yet incomplete. When received in full, we shall spread them before our readers. Power's majority will be about 2,000.

From the Pittsburgh American. Speaker of the House of Representatives. As the choice of this officer is not only of great importance to the entire Legislature of the session, but singularly so in the selection of Committees of the House and in all the bearings of conservative legislation, we would earnestly recommend the election of Col. Edie of Somerset. Mr. E. is a man of talents—a staunch Whig, and in all respects admirably qualified for the Chair. We therefore most cheerfully recommend him for the station, and trust that the Whigs and Antislavery of the State together, will cordially unite with us in placing him in the Chair.

We cordially concur in the foregoing recommendation of the American. Col. Edie is a man of "the right stripe," and would make an excellent presiding officer. The "Frosty Sons of Thunder," moreover, are entitled to some little distinction for their persevering efforts in behalf of the ascendancy of Whig principles, and we trust it will be conferred upon them by electing their Representative to the Speakership of the House.

More Glory. Whig thunder, while it is rolling and rumbling over our heads, comes booming in from the North and South. Hear Georgia:

GEORGIA ELECTION. The election of Congress took place on Monday last, in Georgia. 1st Dist. King, (W) Cohen, (L) F. Chatham 696 395. No doubt, we should say, from this indication, that T. B. King, Whig, is re-elected. 7th Dist. Stephens, (W) Turner, (L) Taliaferro 421 21. And this would indicate that A. H. Stephens, (W.) is re-elected. 8th Dist. Toombs, (W) Turner, (L) Lincoln 216 117. Richmond 553 304. 796 421. Mr. Toombs has gained in these two counties 23 votes. His majority in 1844 was 1365, and he is no doubt re-elected.

Baltimore Election—For Mayor. The election for Mayor and city council in Baltimore was held on Wednesday last, and resulted in the election of the Loco-foco candidate by a majority of 106 votes. The American says: The largest vote ever cast in Baltimore was that of yesterday, the aggregate being 17,701. At the State election held last week the whole vote was 14,869, being 2832 less than yesterday. At the Presidential election in 1844, the aggregate vote was 17,301. The City Council will stand in the First Branch 11 Democrats, and 9 Whigs. In the Second Branch, 5 to 5. Last year the First Branch consisted of 17 Democrats and 3 Whigs, and the Second Branch of 9 Democrats and 1 Whig.

COUNTERFEITERS ARRESTED. The Nashville Union of the 1st instant says: "Yesterday morning four men, calling themselves Wm. C. Spencer, Wm. Brown, James Johnson, and Wm. Boyd, were brought before Justice Ferriss on a charge of having in their possession counterfeit money. On an examination there was found in one of their saddlebags between \$15,000 and \$17,000 of counterfeit paper money, on the Bank of Kentucky, the Northern Bank of Kentucky, Yates County Bank at Penyan, New York, the Planters Bank of Alabama, (no such bank in existence), and banks in Virginia. They had also in their possession copper plates and other necessary implements for engraving money upon all the above mentioned banks. The engraving for the Planters Bank of Alabama is the same as the Planters Bank in Tennessee, with the exception of the change of the name of the State."

New Copper Discovery at Mineral Point. Extract of a letter, dated "Mineral Point, Sept. 25th, 1846." A very splendid show of copper has just been opened here. It is a regular sheet, running north-west and southwest, going down into the water, and the ore is believed by men competent to judge, to contain 45 or 50 per cent. of copper. It will not, however, be worked at present, because smelters will not give what the ore is worth. About a ton of this rich ore will be shipped to Boston forthwith. At the diggings of Mr. Woodman and Mr. Hubbard, there is a large quantity of ore now in sight, and it is estimated by miners, that the ground now broken will turn out from 300 to 500 tons of ore.

ROCKY MOUNTAIN CORN. Corn, the seed of which was brought by Lieut. Fremont from the Rocky Mountains, is growing in Albany. Each kernel is enveloped in a husk. The above paragraph, the Philadelphia Pennsylvanian says, is going the rounds of the press. In some places it is called Rice Corn, both names covering one variety. The same description of corn has been cultivated all through the West and South these fifteen years; and a positive nuisance for all ordinary purposes it is, except when ground, hull and all, for feeding cattle. The common Pennsylvania yellow yields a greater return, and is much more desirable in every respect, whatever fancy agriculturists may say to the contrary.

The official paper, the Union, informed the public yesterday that orders would be immediately transmitted to Gen. Taylor to terminate the assistance, and advance; and we understand that an officer (Maj. J. GRAHAM) will set out this morning with all speed for Gen. TAYLOR'S headquarters, with the orders alluded to by the Union.—[Nat. Int. Oct. 14.

MONTEREY, now in possession of Gen. TAYLOR, is the capital of the State of New Leon. It is on the Fernando river, about 220 miles from its mouth. It has well-paved streets and mostly one story stone buildings. The population is about 10,000, and the city is situated on the main travelling route from the Rio Grande to the city of Mexico.

JAYNE'S MEDICINE. YET ANOTHER. From the Susquehanna Register. 15) ALTHOUGH the public have been often imposed upon by patent medicines, yet occasionally a really useful and beneficial medicine is despised, neglected, merely because "found in bad company." I am led to these remarks by a conversation with a friend a few days since. She had been afflicted for several years with a disease of the heart which had apparently brought her near to the grave. One of our most skillful physicians was called, who pronounced her disease incurable. An advertisement of Dr. Jayne's Expectant in the Register, caught the eye of her friends, and a bottle of it was immediately procured at Bentley & Mitchell's, in Montrose. Before she had taken it two days, there was an apparent improvement. She has not taken two bottles as yet but her health has been nearly restored. I have no personal motive for recommending this medicine, but merely state this fact, hoping that it may meet the eye of some who are laboring under similar diseases, that may likewise partake of its benefits. A FRIEND TO HUMANITY. 7th mo, 5th, 1840. Sold by J. J. & H. F. Schell, Somerset Pa. Also by Edward Bevin, Styestown Pa.
