HOTEL FOR INVALIDS AT PITTSBURGH.
Drs. Speer and Kuhn.
THE object of this establishment is to supply a want greatly felt by respectable travellers on our western high ways—by residents, without family, taken sick—and by patients from the surrounding towns and country who resort to this place for relief from surgical and other diseases. Such have often suffered from the want of the various comforts and attentions so necessary and agreeable to the sick, and from careless and unfaithful nurses; and been subjected to heavy and unreasonable charges.
Invalids will here be provided with constant, faithful and comfortable attendance, and at a rate much below the usual charges.
While the care of both physicians will be extended to every variety of disease, it is intended by Dr. Speer, to give special attention to ALL SURGICAL DISEASES, PARTICULARLY TO DISEASES OF THE EYE.
To these branches of his profession he has given a large share of his attention for the last twenty-five years, and he will continue to devote to them the experience acquired by a constant practice during that time.
The Hotel for Invalids is not an experiment. Its establishment is suggested not only as necessary to supply an evident want in this city, in the entire absence of any special provision for the sick, but is warranted also by the success of similar institutions at Cincinnati and New Orleans—the former under the care of Drs. Taliaferro, Marshall and Strader—the latter under that of Dr. Stone.
The building selected for the purpose is situated at the corner of Federal and Robinson streets, in Allegheny city, adjoining the city of Pittsburgh. It is commodious and roomy, and furnished with all accommodations necessary for the sick.
Applications for admission to be made to the subscribers, at their office on Penn street, Pittsburgh, or at the establishment.
No contagious diseases will be admitted.

Jayne's Medicine.
FEMALE BEAUTY—CULPABLE NEGLECT.
17) IT has been observed by visitors from all other countries, as well as by persons of the best cultivated taste in this, that in no country is there a larger class of female beauty and excellence, than in this city. Yet while the shoe-fitter, dress-maker, and milliner are engaged in adorning "nature's best gift to man," one part appears almost totally neglected—The Hair. How often do the ravages of disease lay waste the delicate form of the fair and beautiful, and though restored to health again, yet those flowing locks, which once adorned their heads, fall off, and never again return to their original beauty. It is inconceivable how any person, more especially a lady, can manifest so much neglect on this point, when a "never failing remedy" can be obtained at No. 8 South Third Street, and asking for Dr. Jayne's Hair Tonic, which will perfectly restore this only neglected part of female beauty.
What is a dollar or two to complete the crowning point of female beauty?
Bronchitis, Coughs, Consumption—Thousands die annually with the above diseases. Jayne's Expectorant never fails to relieve, and permanently cures nine out of ten who use it as directed.

JAYNE'S MEDICINE.
Obstruction the Cause of all Pulmonary Diseases.
For what is the cause of Cough?
What is the cause of Hemorrhage, & Spitting of Blood?
Obstruction.
What is the cause of Consumption and Abscess?
Obstruction.
What is the cause of Bronchitis?
OBSTRUCTION—Producing inflammation of the lining membrane of the Bronchia or wind tubes, and an excretion of mucous or pus, and frequently discharges of Blood. And what is Asthma, or difficulty of breathing, but obstruction, caused by mucous or purulent excretion, clogging up these tubes, and thereby impeding respiration?
Remove this obstruction, and there will be no fever nor inflammation—no pain nor cough—no abscess no Consumption—no Asthma or difficulty of breathing, but a restoration to health will be certain. And what is the TRUE remedy pointed out by nature to remove this obstruction?
The answer is, Expectorant. Yes, Expectorant is nature's remedy. For reader, there is no other outlet for the lungs to discharge their vitiated excretions, but through the Trachea, or Wind Pipe, and this natural discharge is expectoration.
To assist nature, and induce this desirable result, nothing has been found equal to Jayne's Expectorant—It is the result of the experience of many years' practice. It produces a free and easy expectoration, suppresses the cough, reduces the inflammation, removes the spasmodic action of the vessels, and heals the abraded surface of the Bronchia or Wind Tubes. The breath becomes easy—and the patient almost hopeless cases of Consumption, it produces a degree of relief never before experienced by any other preparation, and prolongs the patient's life to an indefinite period. Many who were pronounced incurable two years ago, by their Physicians, are still alive, and appear no worse than they did then, while hundreds, nay thousands, have entirely recovered.
Prepared only by Dr. David Jayne, N. 8 South Third Street, Philadelphia.
Sold by J. J. & H. F. Schell, Somerset Pa.

YET ANOTHER.
From the Susquehanna Register.
15) ALTHOUGH the public have been often imposed upon by patent medicines, yet occasionally a really useful and beneficial medicine is despised, neglected, merely because "found in bad company." I am led to these remarks by a conversation with a friend a few days since. She had been afflicted for several years with a disease of the heart which had apparently brought her near to the grave. One of our most skillful physicians was called, who pronounced her disease incurable. An advertisement of Dr. Jayne's Expectorant in the Register, caught the eye of her friends, and a bottle of it was immediately procured at Bentley & Mitchell's, in Montrose.—Before she had taken it two days, there was an apparent improvement. She has not taken two bottles as yet but her health has been nearly restored.
I have no personal motive for recommending this medicine, but merely state this fact, hoping that it may meet the eye of some who are laboring under similar diseases, that may likewise partake of its benefits.

WISTAR'S BALSAM OF WILD CHERRY.
THE GREAT AMERICAN REMEDY for Lung Complaints, and all affections of the Respiratory Organs.
Will miracles never cease? More evidence of its surprising Health Restorative virtues!!!
[From Dr. Baker, Springfield, Ky.] Springfield, Washington co. Ky., May 14, 1845.
Messrs. Sanford and Park: Gents—I take this opportunity of informing you of a most remarkable cure performed upon me by the use of Dr. Wistar's Balsam of Wild Cherry. In the year 1840 I was taken with an inflammation of the bowels which I labored under for six weeks when I gradually recovered. In the fall of 1841 I was attacked with a severe cold, which seated itself upon my lungs; and for the space of three years I was confined to my bed. I tried all kinds of medicine and every variety of medical aid without benefit; and I wearied along until the winter of 1844 when I heard of Wistar's Balsam of Wild Cherry.
My friends persuaded me to give it a fair trial though I had given up all hopes of recovery and had prepared myself for the change of another world. Through their solicitation I was induced to make use of the genuine Wistar's Balsam of Wild Cherry. The effect was truly astonishing. After five years of affliction, pain and suffering; and after having spent four or five hundred dollars to no purpose, and the best and most respectable physicians had proved unavailing, I was soon restored to entire health by the blessing of God and the use of Wistar's Balsam of Wild Cherry.
I am now enjoying good health, and such is my altered appearance that I am no longer known when I meet my former acquaintances.
I have gained rapidly in weight and my flesh is firm and solid. I can now eat as much as any person and my food seems to agree with me. I have eaten more during the last six months than I had eaten five years before.
Considering my case almost a miracle I deem it necessary for the good of the afflicted and a duty I owe to the proprietors and my fellow men (who should know where relief may be had) to make this statement public.
May the blessings of God rest upon the proprietors of so valuable a medicine as Wistar's Balsam of Wild Cherry.
Yours respectfully, Wm. H. BAKER.

COUNTERFEITS.
"Those who counterfeit a good medicine for the purpose of adding a few dollars to their pockets are far worse than the manufacturers of spurious coin. For while the latter only rob us of our property the former take property and health and life away. Dr. Wistar's Balsam of Wild Cherry is admitted by thousands of disinterested witnesses to have effected the most extraordinary cures of a pulmonary and asthmatic character ever before recorded in the history of medicine.
The young, the beautiful, the good, all speak forth its praise. It is now the favorite medicine in the most intelligent families in our country.
Such a high stand in public estimation has been attained by its own merits alone. And so long as a discerning public are careful to get WISTAR'S BALSAM OF WILD CHERRY and refuse with scorn counterfeits and every other article proffered to them as a substitute, so long will cures—positive cures—cheer the fireside of many a despairing family.
The true and genuine Wistar's Balsam of Wild Cherry is sold at established agencies in all parts of the U. States. Sold in Cincinnati on the corner of Fourth and Walnut streets by SANFORD & PARK, Gen'l agents for the Western States.

DR. McLANE'S CELEBRATED LIVER PILLS.
For the cure of Hepatitis or Liver Complaint, Dyspepsia and Sick Head-Ache.
THIS remedy having been for several years employed by the proprietor in his practice, on a very large scale in Monongalia, Preston, Harrison and Randolph counties, in Virginia, besides several other places, and having been attended with the most happy effects, he has been from time to time solicited to adopt such a course as would give it the most extensive circulation, with a view to lessen the amount of human suffering. Aware of the fact that many useless nostrums have been palmed upon the public, he hesitated for several years until thoroughly convinced that the above medicine, if properly used, would not fail to effect cures in a great many instances, and even to alleviate those cases which are quite incurable.
Symptoms of a diseased Liver.—Pain in the right side, under the edge of the ribs, increased on pressure; sometimes the pain is in the left side the patient is rarely able to lie on the left side sometimes the pain is felt under the shoulder-blade, it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the right arm. The stomach is affected with loss of appetite and sickness; the bowels, in general, are costive, sometimes alternating with lax, the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A slight dry cough is sometimes an attendant. The patient complains of weakness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few or none existed, yet examination of the body after death has shown the liver to have been extensively deranged.
CERTIFICATES.
This is to certify, that having been associated with Dr. McLane in the practice of medicine for nearly two and a half years, I have had many opportunities of witnessing the good effects of his Liver Pills, and I believe they have cured and relieved a much larger proportion of the diseases of the liver, than I have known cured and relieved by any other course of treatment.

Patent Vermifuge.
DR. McLANE'S AMERICAN WORM SPECIFIC Promptly expels Worms to an almost incredible number!
To substantiate the above fact many hundreds of testimonials could be adduced, out of which the following are selected, from individuals of standing and veracity. Indeed, it is confidently affirmed that each new trial of the powers of this remedy will have an additional tendency to widen and confirm its fame, and that if it were universally known and diffused over the United States, it would not save less than many hundreds, if not thousands of lives annually.
CERTIFICATES.
I do certify that a vial of Dr. McLane's American Worm Specific expelled five hundred and two whole worms and pieces that would have made sixty more, from a boy of John Lewelling, which, it laid in a straight line, would have most probably measured the enormous length of one hundred yards. JOSIAH JACKSON, owner of Wato Forge, and other works, Monongalia county, Va.

This is to certify that I purchased from Holmes & Kidd a vial of Dr. McLane's American Worm Specific, and gave two doses to a boy of mine about three years of age. He passed fully half a pint of worms. The quantity was so large I was really alarmed, and called in several of my neighbors to see them. Had this story been related to me, I could not have credited it, without being an eye-witness to the same. My child's health improved much after.
SAML MORRISON, Merchant Tailor, Wood at, Pittsburgh

Some two months ago I purchased a vial of Dr. McLane's American Worm Specific. I gave a boy of mine most of a vial; he passed forty very large worms. From that time his health improved very much. I had tried two other Vermifuges to no purpose. I believe Dr. McLane's the best article before the public.
