MON SENSE teach us that EXPEC-TORATION is the most NATURAL as well as the most EFFECTUAL agent in arresting and curing

PULMONARY DISEASES?

Reason says yes, because OBSTRUCTION is either immediately or remotely the

eause of Inflamation and Catarrhal Fevers, producing Croup, Consumption, & Abscesses of the Lungs, Pain and Soreness of the Throat, Breast, Sides, or Shoulders-Bronchitis, exciting mucous and perulent secretions, thereby clogging up the lungs, so as to more or less impede both respiration and the free circulation of the blood, causing Difficulty of

Breatling, and ASTHMA,

Pleurisy, Hoarseness and Loss of Voice, Dropsy of the Heart and Chest, Rupture of Blood Vessels and Bleeding from Threat and Lungs, and

SPITTING OF BLOOD.

To remove this Obstruction, from which all these alarming and dangerous diseases originate, and to produce a radical cure, nothing has ever been found equal to JAYYE'S EXPECTORANT.
