DR. B. JAYNE'S FAMILY MEDICINES.

JAYNE'S EXPECTORANT.
The virtues of this efficacious and cheap medicine for the cure of Consumption and other diseases cannot be too well known. Very many lives have been saved by it.—N. Y. Morning Atlas.

Jayne's Expectorant for Coughs, Colds, &c.—So many people are afflicted with these common every day disorders, that we deem it our duty to point our readers to a simple remedy, which we have tried and found efficacious. Jayne's Expectorant is a very valuable phial of syrup which we have lately used with good effect in stopping a Cough and loosening and breaking up a cold. It is a very agreeable medicine. This recommendation is not a bought puff, but entirely voluntary. And we feel that we can hardly do a greater favor to our readers in these days of cheating, than to recommend them as well tried, efficient remedies, especially those we have used ourselves.

Daniel Henshaw,
Editor of the "Lynn Record," Mass.

Cancer, Gout and Scrofula Cured.—Pretty ample experience has proved that Jayne's Life Preservative is a Remedy for Cancer, King's Evil, Crochoreic or Gouty and Diseases of the Skin—which will not fail one time in a hundred of effecting a radical cure. It is also one of the most pleasant and safe articles ever offered for the relief of the afflicted.

LOWELL, Mass. Jan. 27, 1844,
Dr. David Jayne:

Dear Sir—I have used your medicine, (so universally known as JAYNE'S EXPECTORANT) in my practice for a number of years, and can most truly say, that I have been more successful in the use of that as a mild, safe and thorough EXPECTORANT, than of any which I have ever used. It is the best for the following obvious reasons. It does not if given in proper doses, occasion a disagreeable nausea. It does not weaken the lungs and prostrate the system, like most other Expectorants in common use, nor does it abate the appetite of the patient, like other nauseating medicines, which have been used by the faculty.—In a word it is nearly or quite the thing which has been sought for by many of the faculty for ages gone by.

I remain yours, &c.

STRAUS'S PATENT COOKING STOVE.

THIS Stove combines all that is valuable in existing Cooking Stoves with certain improvements peculiar to itself. It is constructed upon a new and entirely distinct principle truly philosophical, so as to pass the fumes entirely round the oven, thus making it enveloped or flame encircled, without impairing the necessary draught of the stove. This method of thus passing twice round, once over and once under the oven, is the secret of its great economy in the use of fuel, while the enlargement of the air chamber affords increased space for the rarefaction of air and compensates for the usual disadvantages of a circular draught. It bakes, roasts, and boils, easier and better than any Stove yet offered to the public, with the advantage over most of them of saving one half the fuel. It is superior to the "Queen of the West," "Buck's Patent," "Eclipse" or "Hathaways Patent," for the following reasons: In these Stoves the upper side of the oven is dependant for heat and can have from no other source than what radiates through the plate on which the fire is made. If the ashes be lifted clean, too much heat will radiate and burn the bread on the upper side, if too much ashes be left, the bread will not bake on the upper side. Of this defect all good cooks complain. This Stove is entirely free of this objection, the oven always heating exactly alike top and bottom, and ends. Many buy the Premium or step stove and others of similar model. These Stoves consume much fuel, for first the fire chamber is too deep, the pots &c., are too high above the fire. Second when using the oven, all the heat which passes off under the oven being one half, never comes in contact with the boiling utensils, passes off into the pipe and is lost. Also our Stove is so arranged with a bank or elevation in the fire chamber as to ensure the use of the flame upon the forward part of the Stove first, and it then passes back afterward heating all alike whereas Stoves like the Hathaway, having one vent chamber, allow too wide a range for the flame without sufficient concentration.

We manufacture two sizes of this Stove at the Eagle Foundry in Berlin Somerset county, Pa. For the larger size most of the pots commonly used in the kitchen will answer.

Always on hand, a complete assortment of PLOUGHS, with PLOUGH CASTINGS of great variety. HOLLOW WARE of superior material and finish, comprising every thing in that line. CASTINGS on hand, and made to order, on the most reasonable terms.

HOTEL FOR INVALIDS AT PITTSBURGH.

Dr. Speer and Kuhn.

THE object of this establishment is to supply a want greatly felt by respectable travellers on our western highways—by residents, without family, taken sick—and by patients from the surrounding towns and country who resort to this place for relief from surgical and other diseases. Such have often suffered from the want of the various comforts and attentions so necessary and agreeable to the sick, and from careless and unfaithful nurses; and been subjected to heavy and unreasonable charges.

Invalids will here be provided with constant, faithful and comfortable attendance, and at a rate much below the usual charges.

While the care of both physicians will be extended to every variety of disease, it is intended by Dr. Speer, to give special attention to

ALL SURGICAL DISEASES, PARTICULARLY TO DISEASES OF THE EYE.

To these branches of his profession he has given a large share of his attention for the last twenty-five years, and he will continue to devote to them the experience acquired by a constant practice during that time.

The Hotel for Invalids is not an experiment. Its establishment is suggested not only as necessary to supply an evident want in this city, in the entire absence of any special provision for the sick, but is warranted also by the success of similar institutions at Cincinnati and New Orleans—the former under the care of Drs. Tallaferro, Marshall and Strader—the latter under that of Dr. Stone.

The building selected for the purpose is situated at the corner of Federal and Robinson streets, in Allegheny city, adjoining the city of Pittsburgh. It is commodious and roomy, and furnished with all accommodations necessary for the sick.

Applications for admission to be made to the subscribers, at their office on Penn street, Pittsburgh, or at the establishment.

No contagious diseases will be admitted.

WISTAR'S BALSAM OF WILD CHERRY.

THE GREAT AMERICAN REMEDY for Lung Complaints, and all affections of the Respiratory Organs.

Read the following letter written to our Agent at Bowling Green, Ky, by a gentleman of high standing in that place.
Mr. Joseph L. Younglove—Sir

As a duty I owe to the community, and particularly to the afflicted, I would state that I had been for a number of years laboring under disease and weakness of the lungs, which caused me to cough a great deal, & produced a consequent debility of my system generally, to such a degree that it was with difficulty I could walk, to do which even for a short distance, experienced great fatigue. I had various medicines recommended to me, which I used without any beneficial effects whatever, until I procured a bottle of Wistar's Balsam of Wild Cherry. The use of one bottle afforded relief, entirely relieving me of cough, and restoring my lungs to healthy action. The use of it for a short time increased my general health and strength to such an extent, that I was stronger and more healthy than I had been for years before. From the trial I have made of the medicine, I can confidently recommend it as a powerful "Tonic" a certain cure for affections of the lungs, unless it may be in a case of consumption, obstinate and of long standing.

JAMES A. LEWIS.
March 7, 1846 Bowling Green Ky.

ANOTHER INVALID RESTORED TO HEALTH.

[Read the following statement of facts from Mr. E. Baily, a highly respectable merchant of Vienna, Johnson county, Illinois.]

Messrs Phelps & Blakeley, St. Louis, Mo.

Gentlemen.—A desire to benefit the afflicted throughout the land has alone induced me to make the following statement of facts respecting one of the most astonishing cures ever recorded. My son, now 17 years old, has been afflicted during his whole life with a constant cough, pain in the side and chest, accompanied with night sweats and hectic fever, which produced great emaciation and debility; and at intervals during the night his first expirations would become so great as to endanger his life from strangulation. During this time he was attended by many physicians of the highest repute, whose prescriptions gave but temporary relief—in fact so alarming were the symptoms, and so inveterate was his disease, that I was compelled to believe him beyond the reach of medical aid. All our neighbors and friends who saw him, regarded him as one who was rapidly approaching the grave. After having thus exhausted the skill of our best physicians, without obtaining relief, I was prevailed upon by the advice of a friend to make use of Wistar's Balsam of Wild Cherry.

He commenced its use about the 30th of December, 1841, the first bottle of which gave astonishing relief, and began again indulge in the fond hope that he might yet be restored to health.

After having continued the use of it until 3 bottles had been taken, the disease was entirely removed and his shattered constitution and emaciated form restored to sound and permanent health which he continues to enjoy up to the present time.

I believe the genuine Dr. Wistar's Balsam of Wild Cherry to be one of the most valuable medicines ever discovered—knowing, as I do, that the above cure was effected solely by its use.

I am, gentlemen, very respectfully
Your most obedient servant,
April 9, 1846. ELLI BAILY.

Cures similar to the above are constantly being performed in all parts of the country, and we should be destitute of all feeling of humanity, did we not call upon all who are afflicted with pulmonary diseases to resort to once to the use of this, the only remedy that can be relied upon for a cure.

DR. McLANE'S CELEBRATED LIVER PILLS.

For the cure of Hepatitis or Liver Complaint, Dyspepsia and Sick Head-Ache.

THIS remedy having been for several years employed by the proprietor in his practice, on a very large scale in Monongalia, Preston, Harrison and Randolph counties, in Virginia, besides several other places, and having been attended with the most happy effects, he has been from time to time solicited to adopt such a course as would give it a more extensive circulation, with a view to lessen the amount of human suffering. Aware of the fact that many useless nostrums have been palmed upon the public, he hesitated for several years until thoroughly convinced that the above medicine, if properly used, would not fail to effect cures in a great many instances, and even to alleviate those cases which are quite incurable.

Symptoms of a diseased Liver.—Pain in the right side, under the edge of the ribs, increased on pressure; sometimes the pain is in the left side the patient is rarely able to lie on the left side sometimes the pain is felt under the shoulder-blade, it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the right arm. The stomach is affected with loss of appetite and sickness; the bowels, in general, are constive, sometimes altering with lax, the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A slight dry cough is sometimes an attendant. The patient complains of weakness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few or them existed, yet examination of the body after death has shown the liver to have been extensively deranged.

CERTIFICATES.

This is to certify, that having been associated with Dr. McLane in the practice of medicine for nearly two and a half years, I have had many opportunities of witnessing the good effects of his Liver Pills, and I believe they have cured and relieved a much larger proportion of the diseases of the liver, than I have known cured and relieved by any other course of treatment.

DR. McLANE'S AMERICAN WORM SPECIFIC Promptly expels Worms to an almost incredible number!

TO substantiate the above fact many hundreds of testimonials could be adduced, out of which the following are selected, from individuals of standing and veracity. Indeed, it is confidently affirmed that each new trial of the powers of this remedy will have an additional tendency to widen and confirm its fame, and that if it were universally known and diffused over the United States, it would not save less than many hundreds, if not thousands of lives annually.

CERTIFICATES.

I do certify that a vial of Dr. McLane's American Worm Specific expelled five hundred and two whole worms and pieces that would have made sixty more, from a boy of John Lewelling, which, if laid in a straight line, would have most probably measured the enormous length of one hundred yards. JOSIAH JACKSON, owner of Wato Forge, and other works, Monongalia county, Va.

This is to certify that I purchased from Holmes & Kidd a vial of Dr. McLane's American Worm Specific, and gave two doses to a boy of mine about three years of age. He passed fully half a pint of worms. The quantity was so large I was really alarmed, and called in several of my neighbors to see them. Had this story been related to me, I could not have credited it, without being an eye-witness to the same. My child's health improved much after.

SAM'L MORRISON,
Merchant Tailor, Wood st, Pittsburg

Some two months ago I purchased a vial of Dr. McLane's American Worm Specific. I gave a boy of mine most of a vial; he passed forty very large worms. From that time his health improved very much. I had tried two other Vermifuges to no purpose. I believe Dr. McLane's the best article before the public.

A patient of mine, a short time ago, gave a vial of the Worm Specific to a child; in a short time upwards of sixty-five worms were expelled.
