### NOTICE TO COLLECTORS.

THE Collectors of 1845, and all back of that period, who are in arrears for State or County taxes, are hereby FINALLY notified, that unless their duplicates are settled in full on or before the 8th day of February 1847, warrants will be issued against all delinquents without respect to persons. The pressing demands which will be made upon the Treasury, compel the Commissioners to pursue this course. They hope, however, to be saved from proceeding to this extremity, by the prompt payment of each duplicate. The county is in arrears for unpaid interest upon the state tax for the above years to a large amount, and it must be paid by the time above specified, or the Collectors be made individually responsible for the interest.—The outstanding taxes due for state purposes, will be published after next Court. The Collectors of 1846 will also settle their respective duplicates as soon as possible.

### Jayne's Medicines.

30) JAYNE'S VERMIFUGE has gladdened the heart of many a mother, who had expected soon to follow her child to the grave, but found it restored to life and health by this celebrated specific.—It expels worms without irritating the coats of the stomach and bowels, and combines the virtues of a tonic with those of an alterative. Neither the Vermifuge nor the Expectant has a rival in the whole range of the materia medica, for diseases to which each is adapted.

THE MONEY is always returned if Jayne's Carminative does not produce the most decided benefit in Cholera, sick Headache, Griping Pains, Diarrhoea, & all derangement of the stomach & bowels.

IT NEVER FAILS.—The American Hair Dye never fails when used as directed, to change the hair from any color, to a beautiful auburn or jet black.

PILES.—Half the cases of Piles are caused by the irritation of small worms. Jayne's Vermifuge cures all such cases by removing the worms and imparting a healthy tone to the bowels.

ASTHMA or PHTHISIC is caused by a lodgement of the phlegm or mucus in the air-cells, which obstructs the passage of the air through the wind tubes. Jayne's Expectant removes the obstruction with the greatest facility.

Prepared at No. 8, south third street, Philadelphia.

Sold by J. J. & H. F. Schell, Somerset Pa.

Also by Edward Bevin, Stoystown Pa.

### CANCER, SCROFULA & GOITRE.

29) Ample experience has proved that no combination of medicine has ever been so efficacious in removing the above diseases, as Dr. Jayne's Alternative, or Life Preservative. It has effected cures truly astonishing, not only of Cancer and other diseases of that class, but has removed the most stubborn Diseases of the skin, Dyspepsia, &c. &c. This medicine enters into the circulation, and eradicates diseases wherever located. It purifies the blood and other fluids of the body, removes obstructions in the pores of the skin, and reduces enlargements of the glands or bones. It increases the appetite, removes headache and drowsiness, and invigorates the whole system, and imparts animation to the diseased and debilitated constitution. There is nothing superior to it in the whole materia medica. It is perfectly safe and extremely pleasant, and has nothing of the disgusting nausea accompanying the idea of swallowing medicine.

Prepared and sold No. 8 south third street, near market, Philadelphia.

Sold by J. J. & H. F. Schell, Somerset Pa.

Also by Edward Bevin, Stoystown Pa.

### STRAUB'S PATENT FLAME ENCLOSED OVEN COOKING STOVE.

THIS Stove combines all that is valuable in existing Cooking Stoves with certain improvements peculiar to itself. It is constructed upon a new and entirely distinct principle truly philosophical, so as to pass the fuel entirely round the oven, thus making it enveloped or flame enclosed, without impairing the necessary draught of the stove. This method of thus passing twice round, once over and once under the oven, is the secret of its great economy in the use of fuel, while the enlargement of the air chamber affords increased space for the rarefaction of air and compensates for the usual disadvantages of a circular draught. It bakes, roasts, and boils, easier and better than any Stove yet offered to the public, with the advantage over most of them of saving one half the fuel. It is superior to the "Queen of the West," "Buck's Patent," "Eclipse" or "Hathaways Patent," for the following reasons: In these Stoves the upper side of the oven is dependant for heat and can have from no other source than what radiates through the plate on which the fire is made. If the ashes be lifted clean, too much heat will radiate and burn the bread on the upper side, if too much ashes be left, the bread will not bake on the upper side. Of this defect all good cooks complain. This Stove is entirely free of this objection, the oven always heating exactly alike top and bottom, and ends. Many buy the Premium or step stove and others of similar model. These Stoves consume much fuel, for first the fire chamber is too deep, the pots &c., are too high above the fire. Second when using the oven, all the heat which passes off under the oven being one half, never comes in contact with the boiling utensils, passes off into the pipe and is lost. Also our Stove is so arranged with a bank or elevation in the fire chamber as to ensure the use of the flame upon the forward part of the Stove first, and it then passes back afterward heating all alike whereas Stoves like the Hathaway, having one vest chamber, allow too wide a range for the flame without sufficient concentration.

We manufacture two sizes of this Stove at the Eagle Foundry in Berlin Somerset county, Pa. For the larger size most of the pots commonly used in the kitchen will answer.

Always on hand, a complete assortment of PLOUGHS, with PLOUGH CASTINGS of great variety. HOLLOW WARE of superior material and finish, comprising every thing in that line. CASTINGS on hand, and made to order, on the most reasonable terms.

### HOTEL FOR INVALIDS AT PITTSBURGH.

### Drs. Speer and Kuhn.

THE object of this establishment is to supply a want greatly felt by respectable travellers on our western highways—by residents, without family, taken sick—and by patients from the surrounding towns and country who resort to this place for relief from surgical and other diseases. Such have often suffered from the want of the various comforts and attentions so necessary and agreeable to the sick, and from careless and unfaithful nurses; and been subjected to heavy and unreasonable charges.

Invalids will here be provided with constant, faithful and comfortable attendance, and at a rate much below the usual charges.

While the care of both physicians will be extended to every variety of disease, it is intended by Dr. Speer, to give special attention to

### ALL SURGICAL DISEASES,

### PARTICULARLY TO DISEASES OF THE EYE.

To these branches of his profession he has given a large share of his attention for the last twenty-five years, and he will continue to devote to them the experience acquired by a constant practice during that time.

The Hotel for Invalids is not an experiment. Its establishment is suggested not only as necessary to supply an evident want in this city, in the entire absence of any special provision for the sick, but is warranted also by the success of similar institutions at Cincinnati and New Orleans—the former under the care of Drs. Faltisferro, Marshall and Strader—the latter under that of Dr. Stone.

The building selected for the purpose is situated at the corner of Federal and Robinson streets, in Allegheny city, adjoining the city of Pittsburgh. It is commodious and roomy, and furnished with all accommodations necessary for the sick.

Applications for admission to be made to the subscribers, at their office on Penn street, Pittsburgh, or at the establishment.

No contagious diseases will be admitted.

### WISTAR'S BALSAM

THE OF WILD CHERRY GREAT REMEDY

### Coughs, Colds, Consumptions, &c.

Important to all those afflicted with diseases of the Lungs and Breasts. SEVEN THOUSAND CASES of obstinate pulmonary complaints cured in one year!

### WISTAR'S BALSAM OF WILD CHERRY,

THE GREAT AMERICAN REMEDY for Lung Complaints, and all affections of the Respiratory Organs.

### Read the following letter written to our Agent at Bowling Green, Ky., by a gentleman of high standing in that place.

Mr. Joseph L. Younglove—Sir—

As a duty I owe to the community, and particularly to the afflicted, I would state that I had been for a number of years laboring under disease and weakness of the lungs, which caused me to cough a great deal, & produced a consequent debility of my system generally, to such a degree that it was with difficulty I could walk, to do which even for a short distance, experienced great fatigue. I had various medicines recommended to me, which I used without any beneficial effects whatever, until I procured a bottle of Wistar's Balsam of Wild Cherry. The use of one bottle afforded relief, entirely relieving me of cough, and restoring my lungs to healthy action. The use of it for a short time increased my general health and strength to such an extent, that I was stronger and more healthy than I had been for years before. From the trial I have made of the medicine, I can confidently recommend it as a powerful "Tonic" a certain cure for affections of the lungs, unless it may be in a case of consumption, obstinate and of long standing.

JAMES A. LEWIS.

### ANOTHER INVALID RESTORED TO HEALTH.

[Read the following statement of facts from Mr. E. Bailey, a highly respectable merchant of Vienna, Johnson county, Illinois.]

Messrs Phelps & Blakeley, St. Louis, Mo.

Gentlemen.—A desire to benefit the afflicted throughout the land has alone induced me to make the following statement of facts respecting one of the most astonishing cures ever recorded. My son, now 17 years old, has been afflicted during his whole life with a constant cough, pain in the side and chest, accompanied with night sweats and hectic fever, which produced great emaciation and debility; and at intervals during the night his first expectation would become so great as to endanger his life from strangulation. During this time he was attended by many physicians of the highest repute, whose prescriptions gave but temporary relief—in fact so alarming were the symptoms and so inveterate was his disease, that I was compelled to believe him beyond the reach of medical aid. All our neighbors and friends who saw him, regarded him as one who was rapidly approaching the grave. After having thus exhausted the skill of our best physicians, without obtaining relief, I was prevailed upon by the advice of a friend to make use of Wistar's Balsam of Wild Cherry.

He commenced its use about the 30th of December, 1841, the first bottle of which gave astonishing relief, and began again indulge in the fond hope that he might yet be restored to health.

After having continued the use of it until 3 bottles had been taken, the disease was entirely removed and his shattered constitution and emaciated form restored to sound and permanent health which he continues to enjoy up to the present time.

I believe the genuine Dr. Wistar's Balsam of Wild Cherry to be one of the most valuable medicines ever discovered—knowing, as I do, that the above cure was effected solely by its use.

I am, gentlemen, very respectfully

Your most obedient servant,

April 9, 1846. E. L. BAILY.

### Cures similar to the above are constantly being performed in all parts of the country, and we should be destitute of all feeling of humanity, did we not call upon all who are afflicted with pulmonary diseases to resort to once to the use of this, the only remedy that can be relied upon for a cure.

The true and genuine Wistar's Balsam of Wild Cherry is sold at established agencies in all parts of the U. States.
