**HOTEL FOR INVALIDS AT PITTSBURGH.**

**Drs. Speer and Kuhn.** THE object of this establishment is to supply a want greatly felt by respectable travellers on our western highways—by residents, without family, taken sick—and by patients from the surrounding towns and country who resort to this place for relief from surgical and other diseases. Such have often suffered from the want of the various comforts and attentions so necessary and agreeable to the sick, and from careless and unfaithful nurses; and been subjected to heavy and unreasonable charges.

Invalids will here be provided with constant, faithful and comfortable attendance, and at a rate much below the usual charges.

While the care of both physicians will be extended to every variety of disease, it is intended by Dr. Speer, to give special attention to ALL SURGICAL DISEASES, PARTICULARLY TO DISEASES OF THE EYE.

To these branches of his profession he has given a large share of his attention for the last twenty-five years, and he will continue to devote to them the experience acquired by a constant practice during that time.

The Hotel for Invalids is not an experiment. Its establishment is suggested not only as necessary to supply an evident want in this city, in the entire absence of any special provision for the sick, but is warranted also by the success of similar institutions at Cincinnati and New Orleans—the former under the care of Drs. Tallaferro, Marshall and Strader—the latter under that of Dr. Stone.

The building selected for the purpose is situated at the corner of Federal and Robinson streets, in Allegheny city, adjoining the city of Pittsburgh. It is commodious and roomy, and furnished with all accommodations necessary for the sick.

Applications for admission to be made to the subscribers, at their office on Penn street, Pittsburgh, or at the establishment.

No contagious diseases will be admitted. J. R. SPEER, M. D. J. S. KUHN, M. D. February 25, 1845.

36) JAYNE'S EXPECTORANT.—By a reference to our advertising columns, it will be seen that this valuable Medicine is offered for sale in this city. We esteem it a pleasure to be able to recommend this medicine, as the best calculated for the purpose of curing coughs, colds, sore-throat, asthma, and all affections of the lungs. From a long personal acquaintance with Dr. Jayne, we know that he is no quack, and his medicines are not nostrums of the modern cry-up, but are the result of his long experience as a practicing physician, and the expense of great labor.—Hartford (Cl.) Daily Review.

—ONLY GIVE IT A FAIR TRIAL.—We ask no more of any one, than to give Dr. Jayne's Expectorant a fair trial, and if it does not cure the various diseases for which it is recommended, sooner and more effectually than any other medicine that has ever been offered to the public, the Proprietor is willing to undergo any penalty, however severe, the public may see proper to impose upon him. It has, and it will cure Coughs, Colds, Asthma, Bronchitis, Bleeding from the Lungs or Throat, Whooping Cough, Croup, and a very large majority of the most hopeless cases of CONSUMPTION, when Physicians and prescriptions fail to do any good. Again we say, only try it. It will not harm you, but it must and it will do you good.

**MORE PROOF.**

Darlington, Beaver Co., Pa. } February, 1839. } 35) Dr. D. JAYNE.—Dear Sir,—My little son, when about two months old, was seized with a bowel complaint. It continued for two weeks without intermission, and notwithstanding the remedies prescribed by a respectable Physician, we gave up the child a victim, as we supposed, to a fatal disease. But I providentially heard of "Jayne's Carminitive," as an effectual cure for bowel complaint, and immediately dispatched a messenger to a town seventeen miles off for a bottle. By the use of this medicine, in less than thirty-six hours the disease was checked, and by its constant use for a few days, the child was restored to perfect health. Shortly after this, there occurred a similar case in one of the families of my congregation. I prescribed "Jayne's Carminitive," and the result was a speedy cure.

The same child, owing to exposure, when recently coming up the Ohio, was attacked by that horrible malady, Croup. We landed in the night at Beaver Point, and when our fears were alarmed lest the hoarse sepulchral cough was the forerunner of death, we gave him a teaspoonful of your Expectorant, and applied some liniment to the throat and breast; and before many minutes the hoarseness was gone, the child breathed freely and slept sweetly. Owing to these circumstances it cannot be wondered at why I have so high an opinion of your medicines, and why I advise every family to keep them on hand, ready for any emergency. Respectfully yours,

ARTHUR B. BRADFORD, Pastor of the Presbyterian Church, Darlington, Pa.

**Who can doubt the virtues of Jayne's Hair Tonic.**

Summersville, N. J. Nov. 26, '42.

Dr. Jayne.—Dear Sir: I send you the following certificate obtained from Mr. Gulick. I would just state that I became acquainted with him about two years ago. At that time he was entirely bald, with the exception of a lock of hair on the back part of his head, about the size of half a dollar, and that lock of hair he told me had been made to grow by the use of your Tonic; previous to which he positively avers, he had not a single hair on his head. The hair now completely covers his head, and is from four to five inches long. Very respectfully, yours, &c. P. MASON.

Another Proof of the Efficacy of Jayne's Hair Tonic.—This will certify that I was entirely bald for about three years, when I was recommended to try Dr. Jayne's Hair Tonic, I procured two bottles of Mr. Mason, in Summersville, and using the Tonic for about fifteen months, my hair came in all over my head, and, although not quite as thick as before, yet it is constantly growing.—This surprising restoration of my hair excited the astonishment of all my acquaintances, and made me an object of curiosity to many. I am now 55 years of age, and have reason to regard the inventor of this matchless Hair Tonic as a public benefactor.

**WISTAR'S BALSAM OF WILD CHERRY.**

Another New Year! Amid the ever succession of periods, once more has revolved around. How fraught with food for thought are those "mile stones" in human life!

Changes after Change—how many the changes—that a retrospect of the past 12 months will conjure up to view!

The Struggling Poor have in some instances been made happy by the dawn of brighter days; while those basking in the

Sunshine of Prosperity have had to taste the bitter pangs of want. How ought these vivid lessons—from off life's truthful page—to stir up the hearts of all

to goodly deeds, And thoughts of sympathy! Death, too, has not been idle; but has helped to make up the changes of the past year. And where health once took up its abode, disease now holds its thralldom. But how oft is ill health attributed to Negligence or Prejudice, which induces the suffering invalid to refuse using the rightful remedy which his own peculiar malady calls for. The experience of more than

Ten Thousand Trials proves the unequalled value of that pleasant and most celebrated medicine. Wistar's Balsam of Wild Cherry, For Diseases of the Lungs and Breast!

ANOTHER ASTONISHING CURE! Wistar's Balsam of Wild Cherry!

For Coughs, Colds, Consumption, &c., Important to all those afflicted with Diseases of the Lungs and Breast. Will Miracles ever cease! More evidence of its surprising Health-Restorative virtues!

The following has just been received from Mr. Edward Stratton, of Lexington, Mo., which shows that Consumption in its worst form can be cured by Wistar's Balsam of Wild Cherry."

LEXINGTON, Mo., Jan. 21, 1845. Benjamin Phelps—Dear Sir: I take great pleasure in communicating to you what I consider an extraordinary cure effected on my daughter, about 11 years of age, by Wistar's Balsam of Wild Cherry. About the first of September last, my daughter was taken sick, and attended by several physicians, whose prescriptions were ineffectual, or seemed to do no good. She was attended with a constant cough and pain in the breast. Her physicians and all who seen her, came to the conclusion that she was in a confirmed stage of Consumption. I made no other calculation than for her to die. But as she commenced taking the Balsam she began to improve, and continued so until her health was restored, and is now entirely well. With a view of benefiting those who may be similarly afflicted, I take pleasure in recommending this medicine to the confidence of the public. Yours, with respect,

EDWARD STRATTON.
