HOTEL FOR INVALIDS AT PITTSBURGH.

Dr. Speer and Kuhn.

THE object of this establishment is to supply a want greatly felt by respectable travellers on our western highways—by residents, without family, taken sick—and by patients from the surrounding towns and country who resort to this place for relief from surgical and other diseases. Such have often suffered from the want of the various comforts and attentions so necessary and agreeable to the sick, and from careless and unfaithful nurses; and been subjected to heavy and unreasonable charges. Invalids will here be provided with constant, faithful and comfortable attendance, and at a rate much below the usual charges. While the care of both physicians will be extended to every variety of disease, it is intended by Dr. Speer, to give special attention to

ALL SURGICAL DISEASES, PARTICULARLY TO DISEASES OF THE EYE.
To these branches of his profession he has given a large share of his attention for the last twenty-five years, and he will continue to devote to them the experience acquired by a constant practice during that time.

The Hotel for Invalids is not an experiment. Its establishment is suggested not only as necessary to supply an evident want in this city, in the entire absence of any special provision for the sick, but is warranted also by the success of similar institutions at Cincinnati and New Orleans—the former under the care of Drs. Taliaferro, Marshall and Strader—the latter under that of Dr. Stone. The building selected for the purpose is situated at the corner of Federal and Robinson streets, in Allegheny city, adjoining the city of Pittsburgh. It is commodious and roomy, and furnished with all accommodations necessary for the sick.

Applications for admission to be made to the subscribers, at their office on Penn street, Pittsburgh, or at the establishment. No contagious diseases will be admitted.

IT HAS PERFECTLY CURED ME.

PHILADELPHIA, December, 1837.
To Dr. D. Jayne—Dear Sir—The astonishing and miraculous beneficial effects your valuable EXPECTORANT had on my neighbour, the Rev. Mr. Rusling, made so favorable impression on my mind, that after consulting with several friends, and learning that you were a regular Practitioner of Medicine, I called upon you, and purchased half a dozen bottles, and told you that if I lived to take them, you should have a good report from me.
I am alive and well this day! Thanks be to a merciful God, and your Expectorant: and now I come forward cheerfully to fulfil my promise.
For twenty long years had I been a constant sufferer from the effects of a hardy, dry cough, pain in the breast and difficulty of breathing; the last five of which, chills and fevers, every spring and fall, added to my misery. I was worn away to a mere skeleton: with the greatest difficulty only could I get up and down stairs; my appetite was gone, and my strength had so far failed me, that my friends were persuaded I could not survive many weeks, unless I obtained relief: Indeed sir, my situation was so perfectly miserable to myself, and so distressing to my family, that I felt willing to die, whenever it should please the master to take me home. But I heard of your medicine, and relief came. Yes! it proved the "Balm of Gilead" to my poor afflicted body. Before I had taken one bottle, I experienced a mitigation of all my symptoms, and to my great joy I found in the continued use of it the happiest relief. In short sir, IT HAS MADE A PERFECT CURE OF ME—and I can truly say, I have no desire to be better.
With everlasting gratitude, I am dear sir, your obliged friend,

Salem, Columbiana county, Ohio, April 1847.
Dr. D. JAYNE.—Dear Sir: I feel bound to you and the public, to avail myself of this opportunity of giving publicity to the extraordinary effects of your expectorant on myself. Having been afflicted for several years with a severe cough, hectic fever, and its concomitant diseases, I seemed only doomed to linger out a short but miserable existence, until the fall of 1839, when being more severely attacked, and having resorted to all my former remedies, and the prescriptions of two of the most respectable physicians in the neighborhood, without deriving any benefit, or the consolation of surviving but a few days, or weeks at farthest, when the last gleam of hope was about to vanish, I had recommended to me your Expectorant, and blessed by that Being who does all things in the use of the means—and contrary to the expectation of my physicians and friends I was in a few days raised from my bed, and was enabled, by the use of a bottle, to attend to my business, enjoying since, better health than I had for ten years previous.

BRONCHITIS.
Beaver, Pa., January 22, 1841.
Dr. D. JAYNE.—Dear Sir: Having been for a long time afflicted with Bronchitis, a disease which annually sweeps away thousands of the human race to a premature grave, under the mistaken name of Consumption; and having heard of the wonderful efficacy of your Expectorant for Coughs, Asthma, Difficulty of Breathing, and every other disease of the Lungs, I purchased two bottles of it, and am happy to inform you, and all the sons and daughters of affliction, that it immediately suppressed the cough removed the pain and difficulty of breathing and produced a free and easy expectoration, and very soon effected a complete cure.

As a Further Evidence
That the principle of curing disease by cleansing and purifying the body, is strictly in accordance with the laws which govern the animal economy; and if properly carried out by the use of **Wright's Indian Vegetable Pills**, Will certainly result in the complete abolition of disease; we offer the following testimonials, from persons of the highest respectability in New York, who have been recently cured of the most obstinate complaints, solely by the use of Wright's Indian Vegetable Pills of the North American College of Health.

Certificates of Cures
FROM JAMAICA, LONG ISLAND.
Doctor William Wright:—Dear Sir,—It is with great satisfaction that I inform you of my having been entirely cured of dyspepsia, of five years' standing, by the use of your Indian Vegetable Pills.
Previous to meeting with your celebrated medicine, I had been under the care of several physicians, and had tried various medicines, but all to no effect. After using one 25 cent box of your pills, however, I experienced so much benefit, that I resolved to persevere in the use of them, according to directions, which I am happy to state has resulted in a perfect cure. In gratitude to you for the great benefit I have received, and also in the hope that others similarly afflicted may be induced to make a trial of your extraordinary medicine, I send you this statement with full liberty to publish the name if you think proper. Yours, &c.
G. C. BLACK,
From New York City.

Dr. Wm. Wright:—Dear Sir,—At your recommendation, I some time since made trial of Wright's Indian Vegetable Pills, of the North American College of Health, and can conscientiously assert that of **Purifying the blood and Renovating the System**, I have received more benefit from their use than from any other medicine it has heretofore been my good fortune to meet with.
I am, dear sir, with many thanks, your obliged friend,
CHAS. M. TATE,
No 60 Hammersly street, New York.

From Warwarsing, N. Y.
DEAR SIR—I have been afflicted for several years with inward weakness and general debility, accompanied at times with pain in the side and other distressing complaints. After having tried various medicines without effect, I was persuaded by a friend to make trial of Dr. Wright's Indian Vegetable Pills, which I am happy to state have relieved me in a most wonderful manner. I have used the medicine as yet but a short time, and have no doubt, by a perseverance in the use of the medicine according to directions, that I shall in a short time be perfectly restored.
I most willingly recommend said Pills to all persons similarly afflicted, and in the full belief that the same beneficial results will follow their use.
I remain, yours sincerely,
