And Barbara intermarried with Jacob Miller, Abraham, Lydia, intermarried with John Schrack, Jonathan, Emanuel and Eliza, now under the Guardianship of Peter Walker; the six last named being children of Catharine, now deceased, who intermarried with Christian Saylor; all over the age of twenty one years, except the last named, Eliza, and all residing in Somerset county, aforesaid, and seized in his demesne as of fee, of and in the following described plantation, or tract of land, situate in Somerset Township, Somerset County aforesaid, adjoining lands of Abraham Lichty, John Marteeny Jr., Peter Lichty and Mathias Shallis, containing two hundred and forty two acres, more or less, of which about one hundred and sixty acres are cleared, with a hewn log house weatherboarded and painted, two stories high, a frame house painted, of one story, a large barn and other out buildings thereon erected—with the appurtenances; And therefore praying the Court to award an inquest to make partition or valuation of the premises according to Law. **HOTEL FOR INVALIDS AT PITTSBURGH.**  
**Drs. Speer and Kuhn.**

THE object of this establishment is to supply a want greatly felt by respectable travellers on our western highways—by residents, without family, taken sick—and by patients from the surrounding towns and country who resort to this place for relief from surgical and other diseases. Such have often suffered from the want of the various comforts and attentions so necessary and agreeable to the sick, and from careless and unfaithful nurses; and been subjected to heavy and unreasonable charges. Invalids will here be provided with constant, faithful and comfortable attendance, and at a rate much below the usual charges.

While the care of both physicians will be extended to every variety of disease, it is intended by Dr. Speer, to give special attention to  
**ALL SURGICAL DISEASES,**  
PARTICULARLY TO  
**DISEASES OF THE EYE.**  
To these branches of his profession he has given a large share of his attention for the last twenty-five years, and he will continue to devote to them the experience acquired by a constant practice during that time.  
The Hotel for Invalids is not an experiment. Its establishment is suggested not only as necessary to supply an evident want in this city, in the entire absence of any special provision for the sick, but is warranted also by the success of similar institutions at Cincinnati and New Orleans—the former under the care of Drs. Taliaferro, Marshall and Strader—the latter under that of Dr. Stone.  
The building selected for the purpose is situated at the corner of Federal and Robinson streets, in Allegheny city, adjoining the city of Pittsburgh. It is commodious and roomy, and furnished with all accommodations necessary for the sick.  
Applications for admission to be made to the subscribers, at their office on Penn street, Pittsburgh, or at the establishment.  
No contagious diseases will be admitted.  
J. R. SPEER, M. D.  
J. S. KUHN, M. D.

**NOTICE.**  
THE persons in the foregoing writ of partition named will take notice that in pursuance of the same, I will hold an inquest on the real estate of Joseph Lichty, deceased, as in the said writ mentioned, on the 16th day of August next, on the premises, at which time and place you may attend if you think proper.

**Consumption of the Lungs.**  
**WISTAR'S BALSAM OF WILD CHERRY.**—A compound Balsamic preparation from Wild Cherry Bark and Tar—the best remedy known to the world for the cure of Coughs, colds, asthma, croup, bleeding of the lungs, whooping cough, bronchitis, influenza, shortness of breath, pain and weakness in the breast or side, liver complaint and first stages of consumption.  
We will not assert that this Balsam will cure Consumption in its very worst form, but it has cured many after all other means of relief had been tried in vain. And why not? It seems that WILD CHERRY was designed by Nature to be our PANACEA for the ravaging disease of this cold latitude. Let not the despairing invalid waste his money and lose time, to him so all important, in experimenting with the trashy nostrums of the day, but use at once a medicine that will cure, if a cure be possible—a medicine that science approves, and many years of experience has demonstrated that it always relieves.  
"There is no such thing as a free lunch" in the history of this wonderful BALSAM. Evidence the most convincing—evidence that no one could doubt, fully establishes this fact. For the sake of brevity we select the following from thousands.  
Isaac Platt Esq., Editor of the Poughkeepsie Eagle, one of the most influential Journals in the state of New York, states, under the authority of his own name, that a young lady, a relative of his, of very delicate constitution was attacked in February, 1842, with severe cold, which immediately produced spitting of blood, cough, fever, and other dangerous and alarming symptoms.—Through medical treatment and care she partially recovered during the summer. But on the return of winter she was attacked more violently than at first, she became scarcely able to walk, and was troubled with cough, chills, and fever every day, and appeared to be going rapidly with Consumption; at this time, when there was no sign of improvement, Mr. Platt procured a bottle of WISTAR'S BALSAM OF WILD CHERRY, which she took, and it seemingly restored her. She got a second, and before it was half taken she was restored to perfect health, which she has enjoyed to the present time, without the slightest symptoms of her former disease.  
The following we have just received from Messrs. Fall, McCracken & Co. agents for the sale of Wistar's Balsam of Wild Cherry, at Lancaster, Ohio.  
To the Public.—I feel it my duty as an act of kindness to the afflicted, to inform them what Wistar's Balsam of Wild Cherry has done for my daughter.—There is many a parent who has given up a beloved daughter or son, as a prey to that fell destroyer consumption. They have, as I have done, tried all the most skillful and eminent physicians within their knowledge, and all of the most popular remedies that seemed to hold out some hope for a continuance of life, without getting any relief. To all such who, like me, have been seeking with trembling hope for some remedy of real efficiency, I would say, seek no farther but try at once Dr. Wistar's Balsam of Wild Cherry. My daughter Sarah Jane, aged 17 years, whose life for months had been despaired of, and was supposed a sure prey to consumption, has been cured; restored to perfect health; and that too by using five bottles of Dr. WISTAR'S BALSAM OF WILD CHERRY.

That the principle of curing disease by cleansing and purifying the body, is strictly in accordance with the laws which govern the animal economy; and if properly carried out by the use of  
**Wright's Indian Vegetable Pills,**  
Will certainly result in the complete abolition of disease; we offer the following testimonials, from persons of the highest respectability in New York, who have been recently cured of the most obstinate complaints, solely by the use of Wright's Indian Vegetable Pills of the North American College of Health.

**Certificates of Cures**  
FROM JAMAICA, LONG ISLAND.  
**Doctor William Wright**—Dear Sir,—It is with great satisfaction that I inform you of my having been entirely cured of dyspepsia, of five years' standing, by the use of your Indian Vegetable Pills.  
Previous to meeting with your celebrated medicine, I had been under the care of several physicians, and had tried various medicines, but all to no effect. After using one 25 cent box of your pills, however, I experienced so much benefit, that I resolved to persevere in the use of them, according to directions, which I am happy to state has resulted in a perfect cure. In gratitude to you for the great benefit I have received, and also in the hope that others similarly afflicted may be induced to make a trial of your extraordinary medicine, I send you this statement with full liberty to publish the name if you think proper. Yours, &c.

**Dr. Wm. Wright**—Dear Sir,—At your recommendation, I some time since made trial of Wright's Indian Vegetable Pills, of the North American College of Health, and can conscientiously assert that of **Purifying the blood and Renovating the System,** I have received more benefit from their use than from any other medicine it has heretofore been my good fortune to meet with.  
I am, dear sir, with many thanks, your obliged friend,  
CHAS. M. TATE,

**From Warwarsing, N. Y.**  
DEAR SIR—I have been afflicted for several years with inward weakness and general debility, accompanied at times with pain in the side and other distressing complaints. After having tried various medicines without effect, I was persuaded by a friend to make trial of Dr. Wright's Indian Vegetable Pills, which I am happy to state have relieved me in a most wonderful manner. I have used the medicine as yet but a short time, and have no doubt, by a perseverance in the use of the medicine according to directions, that I shall in a short time be perfectly restored.  
I most willingly recommend said Pills to all persons similarly afflicted, and in the full belief that the same beneficial results will follow their use.  
I remain, yours sincerely,
