HOTEL FOR INVALIDS AT PITTSBURGH. Drs. Speer and Kuhn. THE object of this establishment is to supply a want greatly felt by respectable travellers on our western highways—by residents, without family, taken sick—and by patients from the surrounding towns and country who resort to this place for relief from surgical and other diseases. Such have often suffered from the want of the various comforts and attentions so necessary and agreeable to the sick, and from careless and unfaithful nurses; and been subjected to heavy and unreasonable charges. Invalids will here be provided with constant, faithful and comfortable attendance, and at a rate much below the usual charges.

While the care of both physicians will be extended to every variety of disease, it is intended by Dr. Speer, to give special attention to ALL SURGICAL DISEASES, PARTICULARLY TO DISEASES OF THE EYE. To these branches of his profession he has given a large share of his attention for the last twenty-five years, and he will continue to devote to them the experience acquired by a constant practice during that time. The Hotel for Invalids is not an experiment. Its establishment is suggested not only as necessary to supply an evident want in this city, in the entire absence of any special provision for the sick, but is warranted also by the success of similar institutions at Cincinnati and New Orleans—the former under the care of Drs. Taliaferro, Marshall and Strader—the latter under that of Dr. Stone. The building selected for the purpose is situated at the corner of Federal and Robinson streets, in Allegheny city, adjoining the city of Pittsburgh. It is commodious and roomy, and furnished with all accommodations necessary for the sick. Applications for admission to be made to the subscribers, at their office on Penn street, Pittsburgh, or at the establishment. No contagious diseases will be admitted. J. R. SPEER, M. D. J. S. KUHNS, M. D.

THE Great Preventive Medicine! Though Wright's Indian Vegetable Pills have achieved triumph upon triumph, in the cure of obstinate cases of disease, even after they had been entirely given up, and after all other remedies had failed, yet their power of prevention may be justly esteemed their growing glory! "Storms," it is said, "purify the air," but storms do mischief also, and are so far an evil. Were it within human power to maintain the Electrical equilibrium between the earth and air, there would be no occasion for storms, for the air would always be pure. So of the human body. If kept free from morbid humors, the action is regular and healthy. But if those humors are allowed to accumulate, a crisis, or, in other words, a storm, will arise, which is always more or less dangerous. Wright's Indian Vegetable Pills are equally well calculated to prevent the storm, or to allay it when it comes. But prevention is better than cure, besides being cheaper and less troublesome. The delay of a day in the commencement of sickness has often proved fatal, and always renders the case more difficult to manage.

Let the sickness be caused by changes of weather, high living, want of exercise, close confinement, functional derangement, or anything else, the effect upon the body is much the same—is equally dangerous, and is removable by the same means. Have you a cold? Let it not ripen into Consumption. Are you Dyspeptic? Beware of the hypochondria. Two Pills taken every other night on an empty stomach, for a short time, will, in nine cases out of ten, cure the Dyspepsia, and thereby drive away the legion of "devils blue." For Headache, no medicine is superior to Wright's Indian Vegetable Pills. Costiveness, that prolific mother of disease, is caused by a torpid state of the liver, which these Pills effectually cures. By striking at the root of disease, Wright's Indian Vegetable Pills prevent all and cure all. They can hardly ever be taken amiss, if used with common discretion; and we commend them to the use of those who have not yet tried them. Beware of Counterfeits of all kinds; Some are coated with sugar; others are made to resemble in outward appearance the original medicine. The safest course is, to purchase from the regular agents only, one or more of whom may be found in every village & town in the state.

They have been known to effect permanent cures when all other remedies had proved unavailing, and in the last stages of disease. They have in many cases succeeded the prescriptive skill of the most eminent Physicians, and received besides their unqualified commendation. They have been repeatedly recommended by men of the most distinguished characters, throughout the land, and been sanctioned in Europe by noblemen and Princes of Royal Blood.

They have been introduced into the Hospitals of Edinburgh, Paris, and Vienna, and throughout the disinterested exertions of our foreign ambassadors, they have received the favorable commendation of the Emperor of Russia, and his Co-Regent Majesty of the Chinese Emperor.

Scarcely a Packet vessel of any repute sails from the port of New York, without an abundant supply of the SICK MAN'S NEVER FAILING FRIEND. Agencies have been established in all the principal cities of the union, and applications are constantly reaching us from almost numberless villages in every section of the country. Testimonials of their marvellous effects are pouring in from all quarters—and in such numbers that we have no time to read half of them. What stronger or more conclusive evidence than these important facts can the most skeptical desire? It is possible that the many thousands who tried CLICKNER'S PILLS, can be deceived in their results! If any impostor or quackery existed, would it not long ago have been held up, as it should be, to the scorn and derision of a justly offended community.

Remember Dr. C. V. Clickner is the original inventor of Sugar Coated Pills, and that nothing of the sort was ever heard of, until he introduced them in 1834. Purchasers should, therefore, always ask for Clickner's Sugar Coated Vegetable Pills, and take no other, or they will be made the victims of a fraud.

PRICE 25 CENTS PER BOX. Dr. Clickner's principal office for the sale of Pills, is 66 Vesey street, New York. Wm. Jackson, 89 Liberty street, head of Wood street, Pittsburgh, Pa., general agent for Western Pennsylvania, Northern Ohio, and the River counties of Virginia. OBSERVE.—Each bottle is enclosed in one of the above named pamphlets, and the name of Wm. Jackson (the general and only wholesale agent for Western Pennsylvania) printed on the outside of the label.

And in addition to be sold by the same agents Dr. Thompson's Carminative So justly celebrated as a sovereign remedy for all Bowel Complaints, Diarrhoea, cholera morbus, flux, summer complaints of children and adults, &c. prepared only by Dr. Edgar Thorn (now of New York city, formerly of Pittsburgh.) For the last two years this celebrated and unsurpassed remedy for the above complaints have been well known, and extensively used in Pittsburgh and surrounding country with unqualified success which renders it unnecessary to parade a long list of testimonials in its favor, which could readily be done. Suffice it to say that numbers of the most respectable persons in Pittsburgh and vicinity have used and proved its wonderful efficacy. It is a Vegetable and scientific preparation predicated upon the unalterable Laws of Nature, adapted most certainly to remove the cause that it effects may cease without effort. It can truly be pronounced one of the best remedies for the above complaints in the United States. No family should be without it, nor any person take a lengthy journey without a supply of this invaluable preparation. September 21, 1847-ly

50,000 Victims every year FALL A PREY TO CONSUMPTION, ASTHMA AND RAISING BLOOD, HECTIC FEVER AND NIGHT SWEATS. Mrs. Adams, 126th street, Harlem, suffered a year with a cough, pain in the chest, night sweats, and all the aggravated symptoms of Consumption; nothing relieved her till she tried Sherman's Balsam—half a bottle cured her.

ULCERATED LUNGS AND LIVER. Mr. E. T. Lawrence, Jackson street, Brooklyn, after years of suffering, and treated by various physicians, was pronounced incurable from ulcerated lungs and liver. DYING, as was supposed, he tried the Balsam; its effects were most miraculous; two bottles cured him.

The Balsam has saved her from very great suffering. ASTHMA AND CONSUMPTION. L. J. Beals, 89 Delancy street gave it to his sister-in-law who had been an invalid for years from Asthma; to another considered as in consumption. It relieved them at once, so that they travelled several hundred miles.

SPITTING BLOOD. Is always alarming. It leads to the worst kind of Consumption, and unless arrested in time is generally fatal. Sherman's All-Healing Balsam is the best remedy it heals the wounded or ruptured blood vessels of the lungs, and thereby effects a permanent cure, while other remedies only stop the blood for some time. A few doses of this Balsam will satisfy the most skeptical that it is the medicine required.—It has been successful in many cases, and that too where they had run into a rapid decline, or, as more generally expressed, "HASTY CONSUMPTION." Young persons, or those of middle age, are more subject to these attacks than the aged. Price 25 cents and \$1 per bottle.

WISTAR'S BALSAM THE OF WILD CHERRY GREAT REMEDY Consumption of the Lungs. WISTAR'S BALSAM OF WILD CHERRY.—A compound Balsamic preparation from Wild Cherry Bark and Tar—the best remedy known to the world for the cure of Coughs, colds, asthma, croup, bleeding of the lungs, whooping cough, bronchitis, influenza, shortness of breath, pain and weakness in the breast or side, liver complaint and first stages of consumption.

We will not assert that this Balsam will cure Consumption in its very worst form, but it has cured many after all other means of relief had been tried in vain. And why not? It seems that WILD CHERRY was designed by Nature to be our PANACEA for the ravaging disease of this cold latitude. Let not the despairing invalid waste his money and lose time, to him so all important, in experimenting with the trashy nostrums of the day, but use at once a medicine that will cure, if a cure be possible—a medicine that science approves, and many years of experience has demonstrated that it always relieves.

"There is no such thing as fall" in the history of this wonderful BALSAM. Evidence the most convincing, evidence that no one could doubt, fully establishes this fact. For the sake of brevity we select the following from thousands. Isaac Platt Esq., Editor of the Poughkeepsie Eagle, one of the most influential Journals in the state of New York, states, under the authority of his own name, that a young lady, a relative of his, of a very delicate constitution was attacked in February, 1842, with severe cold, which immediately produced spitting of blood, cough, fever, and other dangerous and alarming symptoms.—Through medical treatment and care she partially recovered during the summer. But on the return of winter she was attacked more violently than at first, she became scarcely able to walk, and was troubled with cough, chills, and fever every day, and appeared to be going rapidly with Consumption; at this time, when there was no sign of improvement, Mr. Platt procured a bottle of WISTAR'S BALSAM OF WILD CHERRY, which she took, and it seemingly restored her. She got a second, and before it was half taken she was restored to perfect health, which she has enjoyed to the present time, without the slightest symptoms of her former disease.

The following we have just received from Messrs. Fall, McCracken & Co., agents for the sale of Wistar's Balsam of Wild Cherry; at Lancaster, Ohio. To the Public.—I feel it my duty as an act of kindness to the afflicted, to inform them that Wistar's Balsam of Wild Cherry has done for my daughter.—There is many a parent who has given up a beloved daughter or son, as a prey to that fell destroyer consumption. They have, as I have done, tried all the most skillful and eminent physicians within their knowledge, and all of the most popular remedies that seemed to hold out some hope for a continuance of life, without getting any relief. To all such who, like me, have been seeking with trembling hope for some remedy of real efficiency, I would say, seek no further but try at once Dr. Wistar's Balsam of Wild Cherry. My daughter Sarah Jane, aged 17 years, whose life for months had been despaired of, and was supposed a sure prey to consumption, has been cured; restored to perfect health; and that too by using five bottles of Dr. WISTAR'S BALSAM OF WILD CHERRY.
