HOTEL FOR INVALIDS AT PITTSBURGH.
DRS. SPEER and KUHN.
THE object of this establishment is to supply a want greatly felt by respectable travellers on our western highways—by residents, without family, taken sick—and by patients from the surrounding towns and country who resort to this place for relief from surgical and other diseases. Such have often suffered from the want of the various comforts and attentions so necessary and agreeable to the sick, and from careless and unfaithful nurses; and been subjected to heavy and unreasonable charges.
Invalids will here be provided with constant, faithful and comfortable attendance, and at a rate much below the usual charges.
While the care of both physicians will be extended to every variety of disease, it is intended by Dr. Speer, to give special attention to
ALL SURGICAL DISEASES, PARTICULARLY TO DISEASES OF THE EYE.
To these branches of his profession he has given a large share of his attention for the last twenty-five years, and he will continue to devote to them the experience acquired by a constant practice during that time.
The Hotel for Invalids is not an experiment. Its establishment is suggested not only as necessary to supply an evident want in this city, in the entire absence of any special provision for the sick, but is warranted also by the success of similar institutions at Cincinnati and New Orleans—the former under the care of Drs. Taliaferro, Marshall and Strader—the latter under that of Dr. Stone.
The building selected for the purpose is situated at the corner of Federal and Robinson streets, in Allegheny city, adjoining the city of Pittsburgh. It is commodious and roomy, and furnished with all accommodations necessary for the sick.
Applications for admission to be made to the subscribers, at their office on Penn street, Pittsburgh, or at the establishment.
No contagious diseases will be admitted.
J. R. SPEER, M. D. J. S. KUHN, M. D.

BLANK DEEDS.
A Lot of Blank Deeds just printed, on fine white paper, and now for sale at this office.
Citizens of Somerset.—
Pause! Reflect!! Decide!!!
Men may cry peace! peace!! when there is no peace!!!
The war! is actually begun!! but Gen. Taylor never surrenders, neither does the "Rev. B. Hibbard's Vegetable Antibilious Family Pills;" where they once charge upon bilious diseases, such as bilious, remitting, intermitting, congestive, typhus and eruptive fevers, bilious cholera, cholera morbus, dysentery, sick head-ache, &c., in short all diseases arising from a disordered state of the stomach and blood; keep the liver stimulated into healthy action, the blood cleaned from all impurities, and you are certain to procure and maintain uninterrupted good health. The most potent purifier of the blood and corrector of the liver is "Hibbard's Pills."
Females if you are unwell, procure and use Rev. B. Hibbard's vegetable pills, they reopen all obstructions, cleanse the system, purify the blood and give animation, health and beauty to all who use them, such as you cannot receive from the use of any other medicine.—Dose half a pill.
Dyspeptics don't despair, here is a certain cure. Dyspepsia of ten years standing, and after all other medicines had failed, has been cured by the use of Rev. B. Hibbard's pills; taken in quarter of pill doses, three times a day for three weeks.
Doctor J. Wildemuth, of Montgomery co., Va., says he has used them in his practice for three years, and finds them the best medicine he has ever used; never being disappointed in any case he employed them in.—We refer you to him personally.
These pills have such a reputation in Illinois, that they have given to them the name of "King Pills." Try them, you who are ill, and want a cheap, safe, certain and speedy remedy. Dose from half a pill to two pills. Circulars can be had of agents free of charge.
Price 12 1/2, 25 and 50 cents per box. Sold by the following agents, viz:

THE Great Preventive Medicine!
Though Wright's Indian Vegetable Pills have achieved triumph upon triumph, in the cure of obstinate cases of disease, even after they had been entirely given up, and after all other remedies had failed, yet their power of prevention may be justly esteemed their growing glory! "Storms," it is said, "purify the air," but storms do mischief also, and are so far an evil. Were it within human power to maintain the Electrical equilibrium between the earth and air, there would be no occasion for storms, for the air would always be pure.
So of the human body. If kept free from morbid humors, the action is regular and healthy. But if those humors are allowed to accumulate, a crisis, or, in other words, a storm, will arise, which is always more or less dangerous.
Wright's Indian Vegetable Pills are equally well calculated to prevent the storm, or to allay it when it comes. But prevention is better than cure, besides being cheaper and less troublesome.—The delay of a day in the commencement of sickness has often proved fatal, and always renders the case more difficult to manage.
Let the sickness be caused by changes of weather, high living, want of exercise, close confinement, functional derangement, or anything else, the effect upon the body is much the same—is equally dangerous, and is removable by the same means.
Have you a cold? Let it not ripen into Consumption. Are you Dyspeptic? Beware of the hypochochondria. Two Pills taken every other night on an empty stomach, for a short time, will, in nine cases out of ten, cure the Dyspepsia, and thereby drive away the legion of "devils blue." For Headache, no medicine is superior to Wright's Indian Vegetable Pills. Costiveness, that prolific mother of disease, is caused by a torpid state of the liver, which these Pills effectually cures. By striking at the root of disease, Wright's Indian Vegetable Pills prevent all and cure all.—They can hardly ever be taken amiss, if used with common discretion; and we commend them to the use of those who have not yet tried them.
Beware of Counterfeits of all kinds; Some are coated with sugar; others are made to resemble in outward appearance the original medicine. The safest course is, to purchase from the regular agents only, one or more of whom may be found in every village & town in the state.
