SUNDAY SCHOOL FESTIVALS .- The Sunday School of the Tabernacle Baptist Church held its festival on Monday evening. The ex-ercises commenced at seven o'clock, when a beautifully appropriate address was made by Rev. G. A. Peltz, Pastor of the Church, after which the pupils, nearly five hundred in number, engaged in singing, for the correct execu-tion of which this school has been so well trained the assistant superintendent, J. M. Evans Esq. The school-room was tastefully decorated with evergreens and appropriate inscriptions, and after partaking of an inviting entertainment the scholars separated.

The Robert Raikes Sunday School held their festival yesterday, at the Mechanics' Institute, Fifth street, below Washington. The tables were bountifully supplied with pound cake, apples, and cornucopias field with candies and other dedeactes, in addition to which ice cream was famished in great abundance. During the afternoon addresses were made by Rev. Dr. Brainerd, Rev. Mr. Toland, and Mr. Scott. A similar demonstration was held by the Lutheran Sunday School, in Christian street, near Sixth.

OPERATIONS OF A SWINDLER.-Yesterday afternoon an individual known as James Burns, alias George Wilson, was taken into custody upon the charge of having robbed and swindled a number of persons who, through sympathy, had endeavored to befriend him. A short time since Mrs. Hardy, of the firm of Hardy & Garnall, dry goods dealers, met the defendant; he told Mrs. Hardy a very touching and apparently truthful story in regard to his circumstances, and so gained the sympathy of Mrs. Hardy that she became responsible for his board, and eventually gave him a situation at six dollars a week. In return for the kindness of the firm, he robbed them of hosiery, jewelry, chenille sleeves, etc., and left, keeping out of the way for several weeks. He was also identified by Mr. George Kevin, of the firm of Thomas Webb & Co., grocers, as having obtained from them a lot of groceries, under the pretense that they were for a lady customer on Eighth street.

PRESBYTERY OF PHILADELPHIA.—This Presbytery, the oldest in the United States, from which the General Assembly of the Pres-

of Surveyors met on Monday for organization. The new members are Charles S. Closes Second District: William Albertson, Seventh District; John H. Levering, Eighth District. A sewer was authorized to be constructed on Nincteenth street, from Pennsylvania avenue to Green. The rules which governed the old Board were adopted for the povernment of the new. The neetings will be held on the first and third Mondays of each month, as before.

DEATHS AT THE HOSPITAL .- Henry King, injured by the explosion of a shell at the Penn Trenty Iron Works, died at the Hospital. An inquest will be held this afternoon. John McKenna injured on the 27th ult, by the explosion of a blast in West Philadelphia, also died on Monday The Coroner will hold an inquest to-morrow. John O'Kane, injured on the 23d ult, by being thrown from a wagon at Fourth and Coates, died on Monday.

BREWERS' ASSOCIATION .- The annual meeting of the Brewers' Association of the State of Pennsylvania took place last evening, Frederick Collins, Esq., in the Chair, Wilson Abbott, Esq., Secretary. The gentlemen holding office were re-elected. During the evening a number of toasts were drunk, and speeches appr priate to the occasion were made. The company separated at a inte hour.

RECEIVING STOLEN GOODS,-Catharine Merryless had a hearing yesterday alternoon, charged with receiving stolen goods. The rest-dences of Mr. Montgomery and Mr. McDonald, Foth back of No. 1441 Shippen street, had been entered and robbed of a large quantity of cloth ing, and some of the stolen property was offered ledge by the accused. byterian Church originated, held its stated quar-terly meeting yesterday, in the West Spruce Street Church. A petition was received for the organization of a new church at Media. Interesting statements were given concerning the prospects of the proposed church, and the im-portance of occupying this inviting tield; after which the Rev. Dr. Breed, Rev. Messrs. Dale and Sproull, and Mr. John Cochran were appointed a committee to organize a church according to the prayer of the petitioners, as soon a give way be clear. A new church enterprise has also been undertaken by the Presbytery in West Philadel-phia. A valuable lot has been secured, and a temporary building is now in progress for the use of the congregation until a church can be erected.

RAILBOAD IMPROVEMENT .- The Reading Railroad Company contemplate placing four tracks on their road, two for passengers and two for freight. They have now three tracks over a good portion of the road. The company has recently made valuable purchases of property at Eridgeport, opposite Norristown, at Consho-hockes, Pottstown, and other way stations, with the intention of creoting large passenger and freight depots at these points. Very heavy pur-chases of real estate have been made in Reading, and the erection of very extensive shops is now in progress and in part completed. When all the shops are completed they will extend a full mile in length. It will require not less than two years to complete this great improvement. Upon the line there are several tunnels, two or three of them of an extent as to incur an im-mense amount of labor and time.

CASES AT THE CENTRAL STATION .- On Monday the Mayor received the annual report of Alderman Beitler, who hears the cases at the Central Station. During 1865 2042 cases were disposed of, being an increase of 70 over the year 1864. The amount received for fines, penal-ties and costs was \$1007:50, of which amount \$7:50 was paid over to the City Treasurer. Of the cases disposed of; 748 were for vagrancy and drunkenness; 356 for larceny and attempts; 238 for assault and battery; 118 misdemeanors; 48 false pretenses; 43 for burglary and attempts; 39 for conspiracy; 22 for rioting; 28 for receiving stolen goods; 6 for murder and intanticide; 59 for larceny and picking pockets.

THE NEW DIRECTORY .-- It is very imporand that we should have a correct and complete Directory of Pulladelphia. Indeed, it is of more importance, especially to business people, than many have the faintest idea of. The publisher should employ canvassers in every ward or district who are residents there, and who will or district who are residents there, and who will hence have some knowledge of the community in which they are appointed to operate. In some instances heretofore they have been totally ignorant of the people among whom their duties lay, and depend mainly upon children and servants for their information.

A PRIVATE THEATRE.- A private theatre, in Seventeenth street, near Chesnut, promises to be as much a favorite this winter as it was last. The performers at this novel resort are all ladies and gentlemen of the haut lon, and the proceeds are always given to some benevolent purpose. The admission is not open to the public, and one can only get in through some friend belonging to the party, though all have to pay well. The theatre is an old church reditted very handsomely.

A "PROFESSIONAL" COMMITTED.-George W. Kern was committed under the ninety day law vesterday atternoon. The prisoner was ar-resided at an early hour in the morning, standing with a group of persons at Sixth and Chesnut streets, while the fire in that locality was raging. Beveral officers testified that the prisoner bore the character of a professional thief.

SUICIDE.-Samuel H. Sherron, aged 45 years, committed suicide yesterday at his late, residence, No. 13 Letitla street, by taking a dose laudanum
