#### AMUSEMENTS.

ARCH STREET THEATRE .- To night Mr. Tilton takes AROUSTREET IMEACUS.—10-night Mr. Illion takes his benefit, on which occasion his daughter will make her first appearance on any stage. We are sure, that with such careful training as her rather's, she must deserve every success, for Mr. Illion is one of our most careful and conscientious actors.

On Monday Mr. J. E. Murdoch will at last appear, and will, no doubt, he we comed with all the cutturisiasm of well-deserved admiration. He is a great arist, and has been most impatiently waited for after so many delays.

WALBUT STREET THEATRS — To-night will be the benefit of Mr. Owen Fancett, who will on this occasion produce two new plays—the farce of Ticket of Leave, and Who Killed Cock Robin? which has been so successful in England and in New York. Mr. Fawcett has saient and is popular, two reasons to Fawcett has taken bouse.

Wood's MINSTRELS.-This excellent Ethiopian organization will give another grand performance this evening at the Musical Fund Hall. Their en-gagement closes this evening. ## No.1230 WALNUT Street,

One Door East of Thirteenth Street.

We have been engaged for many years in the noble work of giving health and happiness to the suffering and thet afflic eq. During this time we have treated about TWENTY THOUSAND INVALIDS suffering from the Various forms of disease, and in almost every case a permanent cure has been effected. Many of them, in fact, had been given up as incurable by their physicians. We have restored to health, in a few days, thousands of persons in this city who had been suffering from painful diseases five, ten, and fifteen years and upwards. At our institution we have cured, and are curing, a class of discases that has baffled the medical profession in all ages of the world.

Dr. WILLIAM WHITE, a gentleman of great experience in this successful practice, is associated with Drs. GALLOWAY & SHEDD in this practice. By this arrangement we hope to be enabled to attend profession ally to our large practice.

REFERENCES .- We refer the diseased and others interested in our new practice to the following wellknown gentlemen who have been treated successfully
