SOLDIERS' FAMILIES.—To the Editor of The Evening Telegraph.—Permit me to acknow'edge the recents of the following contributions to make up delicency of "City Pastor," referred to in report et committee several weeks ago:— From W. B. H., \$5; E. w., \$3; Anonymous, Har-risbare (special), \$30; a triend, Baltimore, \$5; J. G. S., Bervidere, N. J., \$10; T. B., Philadesphia (sent to City Pastor's house) \$25. Those of our citizens who contributed to the aid of soldiers' annihies through City Pastor, will see that there is yet in pand over \$50, which should at once be made i p.

there is yet implaid over \$300, which should at once be made tp. During less than three months of last winter he becard by his appeals, cash food, coal and clothing, to the amount of about \$50,000. This has releved hundreds of soldiers' tamilies, and thousands of in-dividuals connected with these families. This entire work was done by himself and wife gratul ously. His treasure is overdrawn yet more than \$800. After he had ceased appealing, he still continued giving orders on stores for grocenes and provisions, in the confidence that funds sufficient would be sent to pay those bills the is till releving meety cases, notwithstanding the still releving generowity, benevolence, and philanthropy which characterized their contributions to this cause during the winter. the winter.

Treasurer of Committee, No 626 Chesnut street,

Philade phia. Apr./ 20, 1866. City Paston acknowledges the receipt of \$2:50 from the editor of the Presbyterian ; from M. A. B., \$1; J. R. B., \$10, for general distribution.

DISTRESSING ACCIDENT .- On Saturday last, as a party of gentiemen were amusing them-serves upon the Schuvlavil, the boat in which they were stated was struck by a steam-tug coming down and cut, almost in two by the force of the collision, Mr. Frederick J. Goodwin, of the firm of Heary Handy & Co., manuacturers of wroughtion tubing, in Fourth street, below Chesnut, occupied the stern of the boat, and was thrown into the sater and drowned. ite is supposed to have been stunned by the accident, as he was an accomplished swimmer, Mr. Goodwin was quite a vour man, not over iwenty-six years of age, and was a prominent member of the Bachelors' Barge Association, and delighted in all athletic sports. He was highly esteemed by his comparisons, who will not soon for-get the urbanity and geneality which ever marked by scoupling. An active business man, his suidon his social life. AN ELDERLY LADY TAKEN SICK IN THE AN ELDERLY LADY TAKEN SICK IN THE CARE.- Yesterday an elderly lady, accompanied by her daughter, got into the Gemantown and Norris-town cars, at Ninth and Green streets. Just before the train started the young lady left her mother in the cars with the patting words, "Mother, good-bye, you have sot enough money to pay your way." When the train reacned Norristowa the old lady was taken so sick that she could not speak. Not being known by anybody who saw her, she was taken back to Germantown and furnished with temporary quarters at the depot, from which place she was conveyed to the Almshouse, until her friends called after her. She has mixed grow and black called after her. She has mixed groy and black hair, cut short behind, square built, wore a dark Shaker bonnet and blue cap, and light plaid shawl.

WYOMING VALLEY HOTEL .- The Valley WYOMING VALLEY HOTEL.—The Valley of Wyon ing, instolically known as the scene of the Indian massicre, and celebraied in song by Caup-tell's poem of Gertrude, now offers an additional incentive for travel towards that most romantic and beautival valey by the establishment, at Wilker-barre, of a magnificent house, upon the sea's of the Confinential and Fifth Avenue Hotels. The formal opening will take place to morrow, May 1, under the proprietorship of Messrs. Ward & Co. The serier member of the firm is a Philadelphian, and tho-

SALE OF ELEGANT PAINTINGS .- We de-SALE OF ELEGANT PAINTINGS.—We de-size to call the attention of lovers of fine arts to the collection of Cabinet Paintings by Ruggles, of New York now on exhibition, and which will be sold at auction to morrow evening, at 7½ o'clock, at Scitt's Ait 6 altery, No 1020 Chesnut street. The enviable reputation which Ruggles has already acquired, and the rare merit universally awarded to his genins by acknowledged critics and connoisseurs, render one or more of these beautiful Oil Paintings an almost indispensable accompaniment to every collection of the Fine Arts. the Fine Arts.

AN UNEXPECTED VISITOR.—On Saturday night a horse attached to a soap wagon ran a way in Manayunk, and after proceeding a short distance, the horse unceremoniously plumped through the parlor window of the residence of Corne ius Mc-Clensey, on Gresson street, above Lever ck. The unbrailed visitor greaty ast nished the members of the iamily by such an odd method of introduc-

Notice -- Not long since a servant girl who was in the employ of one of our most influential citizens had been working hard all day washing clothes, and when evening came around, and the abors of the day were over, she tell naturally tirod and, as is senerally the care, cross and crabbed. Just at that moment a few tons of Preston coal from George A. Cooke's Coal Emporium. No. 1814 Washington huride way, applied some of it to the fire in order to prepare for supper. Such a change of counte-mance, such a beautiful expression, she was never shown to have before. She could scarcely take her given to have before. She could scarcely take her stood, everything as briefly as the might before, there was to part on a hitle more, and burn it down after while to nice white an without slate or dirt.

How to SEE PROBST .- Climb up on the railings of Independence Square, on the Walnut street side, hang on with one foot and one hand for a hall an hour, snd it near the time for the prison was to arrive the policemian will clear you off Run around arrive the police man will clear you off. sisease-one of inflummation, or positive; the other weak, debilitated negative; and as Electricity contains these two conditions in the action of the positive and negative currents, all we have to do is to neutralize the disease and restore proper healthy action.

We do not wish to convey the impression that we cure all diseases in all conditions. We cannot cure consumption after the lungs are all destroyed; yet we do assert, and are prepared to practically demonstrate, that hundreds of cases of almos, every form of chronic diseases, pronounced incurable by the best medical practitioners of the country, have been radically CURED, some of them in an incredibly short time, by our Electrical treatment Its great superiority over other practice in the cure of di-case is a so attested in the fact that, wi hin the past ove years, over FOURTEEN THOUSAND patients have been treated at this office, suffering from almost every form and condition of disease common to humanity, and in nearly all cases a benefit or periect cure has been effected. Pa sy, deaf ness, blindness rheumatism dyspepsia, caucer, and all the old knotty diseases that are a physician's curse, as it proves his inability to eradicate, are by our scientific method comparatively easy of cure. Specimens of tumors of large growth extracted by means of Electricity alone, will out pain without the use of the knite, ligatures, or any other means, may be seen at our office by those interested Therefore, with these FACTS to prove our theory and treatment of dusease,
