to the read, together with the roling stock, cars,

The sale will not include the tit's to the land, hich coss not become to the United States.

This road is about ten miles in length, and extends from Brazes Santage to White's Ranche, on the Rio Grance From this point connection is made by steamer with Brownsville and Matamoras.

This route is the shortest and best for the immense traffic between the Gulf of Mexico and the interior of Southern Texas and Northern Mexico, and the communication by rail alone can readily be exanded to Brownsville. The road already completed saves thirty miles of

d flicult and toriuous invigation. Bonts on the river now charge, it is stated, for freight to Browns-ville, as high as \$5 per barrel, and for passengers \$15 each

The road is five-teet gaage, good ties, T rail, and full-spiked.

Ault-spiked. More particular description of the property can be obtained at this office, or at that of the Chief Quartermaster Military Division of the Gulf, at New
