FINANCIAL AFFIARS IN CANADA.

OTTAWA, August 24 .- It is urged upon Governissue Provincial notes rather than absorb \$5,000,000 by a sale of debentures, so as to avoid causing a stringency in the money market, which would cause and is now causing failures. Better to have some inflation of the currency than a large contraction. L'Ordre of Montreal reproaches the Attorney-General East for aiding Confederation, which, it says, will swamp the French Canadian race. To-morrow two thousand fresh volunteers will relieve those in observation on the Niagara frontier, eight days being the term of duty for each relief. Money Crisis in Montreal-The Cause.

OTTAWA, August 24.—A money crisis exists in Montreal, as it was reported there to-day that the Bank of Montreal, after a long interview with the Ministers, has consented to accept the Currency act, and that it will assume the whole of the issue of \$5,000,000 authorized by that act; also, that it will further take \$1,000,000 in debentures should the needs of the Government require it. This is doubted by some. A communication to Le Pays says there are 5000 French Canadians in Chicago. This it gives as a proof of dissatistaction among the Canadians in Canada East.

THE DOUGLAS MONUMENT CELEBRATION.

The Masonic Fraternity Claim the Privilege of Laying the Corner-stone—President Johnson not Likely to Have that Duty to Perform.

CHICAGO, August 24 .- It is quite doubtful as to whether President Johnson will lay the cor ner-stone of the Douglas Monument. The Masonic fraternity to-day iapplied to the General Committee of Arrangements for the privilege of having it done by J. R. Gorin, Grand Master of the Masonic Order in Illinois. They insist that as the ceremonies are to be conducted by Masons, the Grand Master is the proper person to lay the corper-stone, and that unless this request is granted the Masons will not participate in the ceremonies at all. The Committee of Arrangements will probably change the programme in this particular.

AMUSEMENTS.

THE NEW WALNUT STREET THEATRE,-The great Buislay Family are increasing in popusarity. The different members are the recipients of perfect ovations from immense audiences each evening. The "Niagara Leap" and the "Spiral Mountain" feats were applauded, even by the ladies most vociterously. These two feats are performed in an original and startling manner, and nothing that can compare with them for grace, enterprise, and adventure, has ever been presented in this country. M. Henri August, the most accomplished juggler in the world, is encored each evening again and again. His "erial bottle" trick is much admired, but his jogglery with the champagne bottle, egg, and cannon ball is the most wonderful and attractive ever presented. The tableaux are given in excellent taste by a superior troupe of artistes, and are as fine as anything of the kind ever performed here. Md'lle Rosita, the accom plished tight-rope performer, is the especial pet of the ladies. Her evolutions are graceful and yet exceedingly difficult. This renowned family can only remain with us one week longer, and no one who admires the wonderful and the beautiful should fail to witness their perform-

AT THE NEW CHESNUT a dramatization of Dickens' poorest literary effort—Our Mutual Friend—is presented with a very fine cast of characters. It is so long as to be wearsome, and although full of exciting situations, it is so verbose as to be absolutely heavy. The scenery is very fine, and comes in for the largest share of the applause.

AT THE NEW AMERICAN Mr. Earnsnaw has brought out the Streets of New York in excellent style, and with a fine cast. Next Monday evening the Worrell Sisters—the noted Proteans -will commence an engagement. They have just concluded a remarkably successful en-

gagement in Boston. pagement in Boston.

PRESENTATION. — Yesterday alternoon the members of the Chesnut Street Theatre Base Ball Club were the recipients of a beautiful set of national colors—the gift of the lady friends of the Club. The presentation was executed by Little Katie Baker, in a neat little speech. Mr. Fitzgerald responded on behalf of the Club.
