CITY INTELLIGENCE.

[For Additional Local Rems see Fifth Page.] MEETING OF COUNCILS .- For the first time since the 12th of July Councils met yesterday, in regular session. During the recess Select

Council Chamber has been thoroughly renovated, the walls being frescoed in light colors, and the woodwork newly painted and varnished. King averred that he was present at the special King averred that he was present at the special meeting, and that no quorum appeared, and the President declared formally an adjournment; of course there could be no other meeting that day, inasmuch as it required twenty-four hours' notice for all special meetings. He also denied that the journal was correct in the record of the members present; gentlemen were noted as pre-sent who were absent. Mr. King moved to ex-punge from the minutes all after the announcement of "adjournment," for up to that point the minutes are correct.

Mr. Cattell asked for the names of the gentle-

men enrolled, but who were not present. He recollected being present, and saw Mr. Ki there, but refusing to answer to the roll call. After some further discussion, Mr. Lynd sug-

gested that the only question before the Cham-ber was whether a tegislative body, when in session, and compelled to account for want of a quorum, the members could remain until a sufficient number arrived to constitute a quorum, and then transact business. That is a legal question. After further discussion, extending to five

o'clock, the motion to expunge was not Yeas-Messrs, Campbell, Hopkins, Kamerly, King, Marcus, and Page-6. Nays—Messrs, Barlow, Bumm, Cattell, Free man, Gray, Hodgdon, Jones, Man uel, Poliock, Ritchic, Shallcross, Shermer, Smith, Spering,

He called at the office of the Franklin Insurance Company in regard to the \$10,000 on the building, and was informed that the company did not consider itself hable for the loss, masmuch as the build-ing had been altered, and devoted to purposes other than those mentioned in the policy; further, as the destruction was caused by the action of a mob, the company is not liable. Referred to the Committee on City Property.

A communication was received from the Chief Engineer of the Fire Department, sub-mitting the names of the Assistant Engineers as elected, except in the Firth District, where there was a tie. Referred to the Committee on Trusts A communication was received from the Sani

Referred to Committee on Finance A communication was received from Michael Mullen, member of Common Council from the Seventeenth Ward, resigning his seat. The

resignation was accepted.

Also, one from the Chief Engineer of the Fire Department, stating that in August last he had suspended the Good Will Engine Company, and that the said Company appeared at a fire on the 7th of September, without orders, and therefore he reported them for disobedience of orders. A motion to tay the communication on the table was voted down, and one was made to refer

to the Committee on Trusts and Fire. The Mayor returned, without his signature, the ordinance making an extra appropriation of \$2500 to the Law Department, on the ground that the amount is to be taken from the School loan, and there is no authority given for drawing the warrant. The veto was sustained.

The ordinance from Select Council appropri-

ating \$65,000 to the Water Department to pay for the laying of a 20-inch main on Columbia avenue, from Sixth street to Twenty-third street. the money to be taken from the loan passed in 1865, was taken up and agreed to. Mr. Marcer, Chairman of the Committee on

After some further discussion, the resolution

was indefinitely postponed.

Yeas, 11; nays, 14.
The resolution from Select Council chan dug the place of election in the Fourth Divis ion of the Fourteenth Ward was taken up.

Mr. Nichols stated that the report a cached to the resolution was a traud, as it had never been before the Committee on Law. I see therefore, moved its indefinite postponemen. The motion to postpone was not agreed to.

WHAT BECOMES OF THE PROFESSIONAL THIEVES?-The public are generally informed of the commitment of professional thieves under the mnety-day law, but it is rarely any notice is taken of their discharge, though they are often seen upon the streets a few days after they are sent to prison. The official records at the County Prison show that the following named were committed and discharged at the times and in the manner stated:—Daniel Burns, re-ceived on the 16th of August; discharged by the marter Sessions Clerk on the 18th, two days after, Robert Davis and Charles Young were committed at the same time Burns was, and were discharged by the Quarter Sessions Clerk at the same time, on the 18th. G. W. Kerns was ecceived on the 16th of August, and discharged by the Quarter Sessions Clerk on the 25th of the same month. Kerns was rearrested on the 29th, and committed to prion. The same record shows that George Gordon and John Davis, who were committed for ninety days under the pro-tessional thieves' law, were discharged on imbeas corpus four days after their commitment. No information is contained in the discharge received from the Quarter Sessions Clerk to show why the men who had been declared to be pro-lessional thieves, and who were committed for ninety days, were released two days after.

ASSAULT AND BATTERY .- At the County Prison, yesterday, Alderman Bonsall heard William Stack and Felix Shields on the charge of committing a gross assault on Caroline Viechter. Complainant is the wife of a soldier whose husband was killed at the battle of Autletam. She has a claim against the Government, which not being able to obtain, and having no means of support, she was committed to prison under the vagrant law, and the assault took place, as testified, in the van, while they were on their way to prison. They were committed to answer. Such assaults are said to be quite frequent, and they show the necessity of having prison vans so constructed that the males and females can be kept separate from each other.

DEMOCRATIC MEETING .- A large Democratic meeting was held, last evening, at Union Hall, Sixth and Christian streets. Mr. J. W. Frazier, the Democratic candidate for Senator in the First District, made an address, which was enthusiastically received. A series of resolutions endorsing the President, condemning the action of the radical Congress as revolutionary and disorganizing, and approving of the 14th of August Convention, were read by Mr. John B. Minton, and adopted. The resolutions also condemn the course of the Mayor and City Councils in refusing to receive the Chief Magistrate of the nation, as tending to injure the best interests of the city. Colonei E. W. C. Greene, Colonel J. R. Flanigen, and others addressed the meeting, which adjourned at a late hour.

REPUBLICAN MEETINGS LAST NIGHT .-The "Boys in Blue," or the Thirteenth Ward, held a meeting last evening, at Washington Hall. Eighth and Spring Garden streets. E. Harper Jeffries presided, and speeches were made by Hon. Leonard Myers, Captain Butler, General Owen, and others. A series of resolutions, endorsing Congress and the course pursued by the Hon. Mr. Myers, were adopted.

A very large meeting of the R-publican party of the First Legislative District was held last evening at Kater Hall. William Mason, Esq., presided, and addresses were delivered by Wil-ham S. Irwin. Esq., Republican candidate for the Leasslature, John Sheddon, Esq., J. T. Owen, and Lewis Waln Smith, Esq.

-It is reported that the Count de Chambord has determined to quit Venice now that it has become Italian, and to sell the property which he has in that city, to wit:—the house in which he himself resides, the villa of the Duchess de Berry, and that of his sister the Duchess of Parma. The Count states that he cannot conent to reside any longer in a city which has now become the property of a Government which has caused the exile of the Duke of Parma and the King of Naples.
