FIRE AND BURGLAR PROOF SAFES

LILLIE'S

CHILLED IRON SAFES

"By Their Works Shall Ye Know Them."

CERTIFICATES!

CHICAGO, April 12, 1866

Messrs. Murray & Wynne:—

Gentlemen:—On Thursday night, the 29th day of March, a gang of burglars visited our manufactory, which is situated in an unfrequented place, near the lake, and made a desperate attempt to open the Lillie's Safe you recently sold us, which, however, resisted all their efforts. The safe bore marks of heavy sledging, but without any effect upon the chilled iron door. The dial of the lock was entirely destroyed, and will require to be replaced by a new one. Their most determined efforts seemed to be in the use of carefully prepared thin steel wedges, twenty of which were driven around the edge of the door, but did not disturb the fastenings of the safe in the least. Although we bought this as one of your common Mercantile Safes, we regard this severe test sufficient to prove it equal to any Burglar proof that can be made, and worthy to be confided in under any circumstances.

Yours respectfully, etc.,

DeGOLYER & BRO.

AN ATTACK ON THE SAFE OF THE TREASURER OF WILL COUNTY, ILL.

COUNTY TREASURER'S OFFICE,
JOLIET, April 2, 1866.

Messrs Murray & Wynne, Agents for Lillie's Safes:—

Gentlemen:—My office was entered on Monday night by some daring burglars, who forcibly opened the outer office door. I have in use a large Lillie's Patent Fire and Burglar Proof Safe, which the audacious villains made a desperate attempt to open, using all the formidable tools of old hands at the business. A heavy sledge, and some bars taken from a blacksmith's shop in the neighborhood had been used with much vigor. A number of their steel wedges were driven around and between the doors, without effect. Efforts to drill the safe were entirely futile. In several places the point of the drill had made marks, only to show that the chilled iron was perfectly impenetrable. I send you the one door for repairs.

Yours, etc.,

FRED. SEHRING,
Treasurer of Will county, Ill.

ANOTHER FRUITLESS ATTEMPT TO ROB ONE OF LILLIE'S BANK SAFES.

NATIONAL BANK,
SCHUYLERVILLE, N. Y., March 30, 1866.

Messrs Lillie & Son:—

A desperate attempt was made to rob this Bank on the night of the 15th instant, as you have heard. The particulars are as follows:—The burglars entered the bank by prying open a window; they then tried the vault doors made by you by breaking off the knob and inserting what powder they could get in, but doing no damage to the door. They finally succeeded in getting into the vault by disking through a heavy wall. Here they found a foeman worthy of their steel—one of your Burglar proof Safes—as it proved to be. They broke off the knob of the door, and tried in vain to drive in the spindle; they then broke off the handle and dial of the lock, and tried to cut out and to drive in the centre piece but failed also in this. They then tried with heavy sledges to break in the doors, which successfully resisted all their efforts. They evidently worked faithfully all night, as they were seen to leave the village about five o'clock in the morning.

We have received the safe you sent us, and are confident, when locked, the contents are beyond the reach of thieves.

Yours truly,

G. F. WATSON, Cashier

TRIAL OF A SAFE IN THE OFFICE OF C. B AND Q. R. R.

CHICAGO, September 13, 1865.

Murray & Wynne, General Agents Lillie's Safes:—

Gentlemen:—The station agent at Bowne's Grove ejects one of your No. 8 Safes severely tested by burglars. They worked all night at it with drills, wedges and chisels, but the contents were undisturbed, and the safe apparently but little damaged. Please send us one of the same size to replace it, also another of same size for use at Mendota. One safe there (of another make) was broken into and plundered.

Yours respectfully,

O. P. PRICE,
Purchasing Agent C. B. and Q. R. R.

SAN FRANCISCO, April 10, 1866.

Russell & Erwin, Manufacturers' Agents for Lillie's Safes:—

Gentlemen:—The safe referred to in our letter of February 9, as having preserved its contents perfectly from fire, was again subjected to a very severe test by the fire of last Sunday night—one of the most severe fires that has occurred in San Francisco. It was taken from the ruins on Monday, and on opening, all the books and papers were found in perfect condition, not the least sign of fire being visible inside the safe; this being the third time the safe has preserved its contents within the past five months.

A SAFE TWICE TESTED BY FIRE.

WEST TROY, October 5, 1865.

This is to certify that at the fire which took place here September 5, 1865, the Lillie's Patent Safe which I had in my office, and which lay in a mass of burning coal, melting the brass entirely off, preserved my books, papers and money in perfect order, and leaving the safe in condition—except repainting—fit for immediate use.

This safe passed through the great fire in Troy in May, 1862, and then preserved its contents entire.

GEORGE F. MARK,
Superintendent W. Troy Ferry Company.

THE PORTLAND FIRE.

An Unparalleled Test

OF

LILLIE'S SAFE!

IN THE FIRE FIFTEEN DAYS!

The Second Time the Same Safe Passes the Fiery Ordeal—A Test no Sheet-Iron Safe Can Endure.

CERTIFICATE OF JUDGE FOX.

PORTLAND July 20, 1866.

Messrs Murray & Wynne, Agents Lillie's Safes:

Gentlemen:—We had a No. 7 LILLIE'S PATENT CHILLED AND WROUGHT-IRON SAFE in our office on Exchange street, at the time of the great fire of July 4, 1866. The safe was in the second story of the building, and fell to the cellar, where it lay entirely unprotected for 15 days. When digging it out, yesterday afternoon we found the bricks surrounding it too hot to hold in the hand. On opening it this morning, we found all the books and papers in a good state of preservation. This safe probably had as severe a test as any in the fire, as Safes of other makers in adjoining buildings had their CONTENTS BURNED TO CINDERS.

This is the SECOND TIME THIS SAFE HAS BEEN TESTED BY FIRE, as it was in the store of F. B. Harris when it was burned in February, 1861, at which time it also preserved its contents.

Our confidence in the fire-proof qualities of LILLIE'S SAFES is increased by unparalleled tests, and we have no doubt of their SUPERIORITY OVER ALL OTHERS.

Yours truly,

EDWARD & FRED FOX.

No safe of Lillie's make was destroyed in this fire, or allowed to preserve the contents, which fully endorses the high reputation of these Safes as being the most reliable fire-proof protection made.

The following important facts are most thoroughly demonstrated in the above certificates:—

First. That Lillie's Safe stands the *second* fire as well as the first, and both Safe and contents still fit for use, while other Safes are *worthless* after the first fire, and, if the fire is severe, books and papers have to be copied, if preserved at all, and very frequently lost.

Second. That Lillie's Safes are honestly drill-proof perfectly *wedge-proof, powder-proof*, and, in every sense of the word, *burglar-proof*, and, as a further evidence, I assert that there never has been, to this time, one of Lillie's Bank Safes robbed (that is, Safes two inches thick)

A word to the public and to my old friends and patrons:—My motto is, "A nimble sixpence rather than a slow shilling." I have taken a roomy, convenient cheap store, for five years, on Arch street, instead of a dear one on Chesnut. My carriage is done with one horse instead of three horses. Economy and small profits is my motto. The Safe Works are now removed from Troy and in successful operation near Philadelphia, in this State, and I trust hereafter to be able to furnish my patrons, cheaply and promptly, with the best Safes, Vaults, Locks, etc., in the United States or any other country.

M. C. SADLER, Agent

No. 639 ARCH STREET.

P. S.—I notice much has been said latterly about dry filling, alum, etc. I have only to say that usually, and generally, LILLIE'S SAFE is free from dampness, and does not mould books or papers; and will not, if perfectly manufactured, and hereafter all LILLIE'S SAFES ill be warranted not to mould
