DEATH OF A PROMINENT MEMBER OF THE I. O. O. F. - William M. Allen, of San Francisco, California, formerly of this city, one of the Representatives from the Grand Lodge I. O. O. F. of California to the Grand Lodge of the United States, which held its sessions in the city of Baltimore in September last, and where he attended, died in this city on Monday evening, of cholera, after an illness of only a few days. He was formerly a resident of the Sixth Ward, and left for California diffeen years since. He will be buried in this city on Thursday, with Masonic and Odd Fellow honors.

DEATH OF AN OLD CITIZEN.-Professor John G. Mueller, one of our oldest citizens, died on the 6th instant. He came to America in 1802. In 1814 he was appointed a teacher and erganist in the German Lutheran Congregations of this city. After sixteen years of service as teacher he resigned the position, retaining, however, his ofnce as organist until the day of his death, having occupied the same for a period of fifty-two years.

THE JEWISH HOSPITAL.-The new Jewish Hospital in West Philadelphia is now in full operation, and, since its opening on the 6th of August last, quite a number of patients have received the benefits of the institution. The first one received was a Hebrew teacher, a bachelor, who met with an accident by falling through a trap-door in a warehouse. He remained in the

THE BODY OF JOHN WILLIAMS.—The postmortem examination of the body of John Wil liams, drowned from a boat off Reed street wharf last week, did not reveal wounds sufficient to have caused death. The inquest on the body will be held to day by Coroner Taylor. It will be remembered that this case was supposed to have been a mysterious murder. There were two men in the boat at the time Williams fell overboard. The other man swam ashore.

MAN SHOT .- Yesterday an affray occurred at the poll at Wharton and Second streets, which resulted in the shooting of Timothy Riley in the head, but not seriously injuring him. It is alleged that Riley was driven from the poll, and upon his returning was taken into custody. At this time a pistol was discharged, the load from which took effect as stated.

SALE POSTPONED .- The sale of steamers, which was to take place yesterday at the Navy Yard, was postponed, because the bids did not come up to the limitation prices fixed by the Navy Department. Very few knew of the sale, for the reason that it was not properly adver-

A MAN HANGS HIMSELF.-Albert Koons, twenty-three years old, committed suicide ves-terday by hanging himself in a stable in Hope street, below Master. The Coroner was sent for to hold an inquest.

A SAD ACCIDENT.—A young man named Donnell fell from the third story of a house in Ninth street, near Locust. He was insensible when he was picked up, and on further examination, it was found that he had broken his spine. He is now lying in a very critical con-

JURY TRIALS.-As officially announced, there will be a resumption of the jury trials in the United States Circuit Court to-day. There will be some interesting cases brought before the Court during the present term,

SOMETHING NEW FOR YOUNG SPOUTERS .-The man looked on his waistcoat's wreck, Whence buttons all had fled; Gone was its blackness, every speck, And bare appeared each thread Then came an oath—a tearing sound; Wagse rage that waistcoat fore? Go, ask the hands that scattered round Those fragments on the floor!

That man now plays a wiser part, And always deals at Bennett's mart! We are prepared with an unusually full and com-prehensive stock of Men's, Youths', and Boys' Fall and Winter Clothing, which we are selling at MUOH LOWER PRICES THAN HAVE BEEN KNOWN FOR SEVE RAL YEARS. Congratulating our patrons and the public generally upon the decline in the prices of materials which renders this possible, we invite an examination.

BENNETT & CO. SPECIAL NOTICE TO THE "REPUBLICAN INVINCI-BLES," "BOYS IN BLUE," "WHITE BOYS IN BLACK AND BLUE," AND "KEYSTONE CLUBS."-Now that politics are getting so exciting, the subscriber would offer for the use of parades, meetings, etc., his famous "Bullet-proof Vest," capable of resisting any pistol-shot, or a rifle-shot at fifty yards, so that discussions, even the most animated, can be carried on with comparative safety. A large deduction made to clubs in taking a number. Hear what General Grant says:-"It is an insult to ask any loyal man to buy his Clothing at any other place than at Charles Stokes & Co.'s One-price, under the Continental, as they sell the best, and have the price marked in plain figures on all of the goods." We fully endorse the above.

HOMEOPATHIC REMEDIES .- One of Dr. Humphreys' cases of medicines, containing thirty-five vials. embraces remedies for every well-known vials. embraces remedtes for every well-known disease, and costs \$10. A family provided with one of them will save during the year ten times the amount of their cost, in obviating the necessity of medical attendance, besides securing its members from protracted and serious illness. The trifling outlay required should be a consideration with all who believe in the axiom that "a stitch in time saves nine." Disease, to be overcome, must be promptly met, and Dr. Humphreys' remedies are invaluable for such a purpose.—New York Courier.
