# THE RELIGIOUS WORLD

### Baptist.

Baptist. —Rev. R. G. Seymour has returned from New Orleans, with the tidings that the Crescent City Baptist Church, of which he was pastor, and for whose new meeting house he had made carnest chorts to obtain Northern subscriptions, has been disbauded. He says:—"As New Orleans has censed to be a city where loyal Union people can live in safety, and have the freedom of loyal speech, there is little hope for such a church as was contemplated."

### Christians.

-The General Conference of this body, usually called Christian, held its Qua trennial Couven-tion at Marshall, Michigan, on the 2d instant. Thirty-four Conferences in the United States and Canada were represented. About \$8000 were reported as pledged towards a theological seminary. seminary.

## Congregationalist.

-The General Association of New York met at Owego last week. It reported the number of its churches in the State at 230, with a membership of 23,009, and numerous revivals of religion during the past year. The vote in favor of im-partial suffrage was cordially adopted.

-Connecticut has fifteen Ministerial Associa--Connecteut has inteen Ministerial Associa-tions, and 314 resident ministers. The contri-butions of the churches last year were \$257,164, an average of \$5:05 to each church member, though, of course, many who are not church members contributed.

- Rev. Thomas Easton was dismissed by Church, South Glastonbury, Conn., October 9. 1 -Rev. C. B. Boynton has been installed as Pastor of the new Congregational Church in Washington, the corner-stone of which was laid last week.

-The President has appointed Rev. John Seys, of Ohio, to be Minister Resident and Con-sul General of the United States to the republic of Liberia.

-President Finney, of Oberlin College, Ohio, has so far recovered his strength as to preach twice on the S.bbath He is still felt there to be a spiritual giant. Though not now acting as President, he still fills the chair of pastoral theology and polemics.

-The tenth annual meeting of the General Conference of Minnesota was held last week at Fairbault. Rev. A. B. Smith, of Sonth Barry, Connecticut, preached the opening sermon. Mr. J. W. Copp was chosen Moderator. The great event of the meeting was the locating of the Puritan College for that rising State. A com-mittee of last year—Rev. R. Hall, Home Mis-sionary agent, as chairman—reported proposals from two places and accommanded Northeld from five places, and recommended Northfield, which pledged \$18,500 iv cash. After a full canvass of the case, this nomination was confirmed by a rising vote. The name is to be Northfield College; two-thirds of the trustees are always to be Congregationalists. Resolutions commending the work among the freedmen, and giving the ring of loyal and patriotic metal, not neglecting to endorse negro suffrage, were adopted.

## Episcopal.

-Five American Episcopal Bishops are now in Europe, seeking health.

-Bishop Whipple states that he has been in Minnesota seven years, and has seen much of the indians there, of whom there are about 18,000. He gives them credit for many virtues, except in districts corrupted by the whites. -Bishop Clark has resigned the rectorship of

Grace Churca, Providence, R. I. -Bishop Randall, or Colorado, arrived in Boston from his diocese recently. He is not likely to return to that Territory till spring; and before that time, it is said, he may be called to

# Presbyterian.

-A letter from Athens, Ga., says a remarkable -A letter from Anene, Gu, says a remarkable religious interest, exceeding anything of the kind for twenty years, prevails among the Churches and people of that place. -A number of the Presbyteries have spoken decidedly, at their fait fall meetings, in favor of the union of the two branches of the denomi-

-The following is given as the percentage of growth in several branches of the Presbyterian family, in proportion to the ministers:-"There are in the Presbyterian Church, New School, 1739 ministers, and last year 10,280 were added to their churches on examination, making an average of 5.92 to each or lained minister. There are in the Presbyterian Church, Old There are in the Presbyterian Church, Old School, 2294 ministers, and has year 17,937 were added to their churches on examination, mak-ing an average of 782 to each ordained minister. During the same year, the Reformed Dutch Church, with 407 ministers, received on profes-sion of faith 3120, averaging 786 to each minis-ter. United Presbyterians bave 539 ministers, and last year 4061 were added to the roll of the communicants on examination, making an average of 763 to each minister."

-The Old School Synod of New York met at Newburg, October 16. Dr. Vandyke appeared, with Professor Eaton, of Brooklyn, for his at-tendant Elder. But Professor Faton had unfortendant sider. But Professor Pation had unfor-tunately signed the famous "Declaration and Testimony" against the patriotic action of the General Assembly, and therefore, in pursuance of the explicit order of the Assembly, the Synod refused to euror his name, not withstanding a long speech which he made. The yeas and nays being called by Dr. Vandyke, the motion to ex-olute me canced ult to 7. clude was carried—111 to 7. Vaudyke presented protest, and the Synod, on motion of Dr. West, resolved that, as it was an old story, no answer was needed. A similar effort made in the Pres-bytery of Nassau was attended with the same result, and both Pastor and Elder withdrew. -The Wisconsin Presbyterian and Congrega-tional Convention, which last year celebrated its quarter-century anniversary, held its annual meeting at Fort Atkinson, October 6, Rev. S. A. Dwinell, of Reedsbury, Moderator.

## Roman Catholic.

-Monsignor Dupanloup, the B shop of Or-leans, who is absent from his diocese for his health, has nobly given up his episcopal palace for the use of the sufferers from the floods, and devoted a quarter of his year's income to the same purpose.

-The Right Rev. Dr. Dubois, Bishop of Galveston, Texas, has arrived in New York, with twenty-nine ecclestastics from France, Belgium, etc., several of whom already speak English, and all are volunteer missionaries for the rough but promising Diocese of Galveston, embracing all Texas. Bishop Dubois also brought out eleven temale religious, Ursulines, to take charge of cducation, Sisters for hospitals, asylums, etc. This is, indeed, a windfall for Texas.

-The talk is that the Diocese of Philadelphia will be divided.

-Archbishop Manning, in a recent pastoral, savs:—"For near twenty years Pius IX has stood inflexible in the midst of menace and temptation. Every kind of compromise and concession has been proposed to induce him to betray his two-fold trust. The sovereignty both spiritual and temporal committed to him is the emborain and temporal committee to him is the embodiment and the guarantee of the Christian social order, and of the consecration of the civil powers of the world. To separate them would be to descerate the government of na-tions. Therefore the whole weight of the assault is made upon him. If only he would abdicate his contact with the temporal govern-ment of society the last houd between Chris ment of society, the last bond between Chris-tianity and society would be dissolved. For this cause all visions of imaginary good are set

-Mr. Clark B. Oakley, late graduate of Rochester University and Hamilton Theologi-cal Seminary, accepts the call of the Enon Church, of the soity.

-Rev. Daniel S. Tuttle has been unanimously appointed, by the House of Bishops of the Pro-testant Episcopal Church, Bishop of the new Diocese of Montana and Nevada.

-The London correspondent of the American

Presbylerian says: --"A general expectation prevails among the clergy of the Established Church that the personal advent of the Lord Jesus is near at hand, and that all things must grow worse and worse till he come; and, therefore, they acquiesce in \* things as they are,' almost with out a murmur."

#### German Reformed.

-A German Reformed paper states that the most urgent want of the Church just now i ministers. The statistical reports of the Church for the last year show a total of 372 ministers and 5173 additions by confirmations, being an average of a fraction less than eleven for each minister.

#### Methodist. \*

-A centenary collection at Canton, Ohio, on the 4th irstan\*, amounted to \$78,000.

-A writer in the Richmond Christian Advo-cate suggests that the word "Methodist" b dropped from the name of the Southern Methodist Church, and that the name of "Evangelical Episcopal Church" be substituted, on the ground that the Northern Methodist Church has made the name of Methodism odious by running a political machine under that once honorable designation. Anything partaking of the nature of loyalty has, unfortunately, an "odious" aspect in the eyes of a certain class in the late Con-federate States. The Methodist Church South is perhaps more sensitive on the "odi us" question than any other body, collection, or class of men south of the Potomac.

-Rev. Robert Wallace, delegate from the Irish Conference to the Methodists of the United States died of cholers in Cincinnati, on Sabbath morning, the 2d ult.

At the Preachers' Meeting, held in this city a few days since, Bishop Simpson advocated the endowment of Dickinson College, and proposed to divide the city into ten sections, each to raise to divide the city into ten sections, each to raise \$5000. The system was approved of, and Messrs. J. W. Jackson, R. H. Nadhl, A. Wallace, A. Cookman, J. B. Maddux, L. C. Matlack, W. J. Paxson, G. W. Lybrand, and C. F. Turner were appointed to perfect the plan proposed. —At the meeting of the Illinois Conference, held recently in Bloomington. Major Briscoe enrolled in the "Grand Army of the Republic" the names of about fifty ministers, who had been in the service, which, with fifteen unen-tered, makes up nearly one-third of the travel-

tered, makes up nearly one-third of the travel-ling preachers of the Conference-showing the patriotic metal of the Conference. Encouraging reports were received as to the condition of the literary institutions, Marshal and Quincy Col-leges, the Ladies' Seminary at Jacksonville, and the Wesleyan University. The contributions to the latter during the year amount to \$80,000.

-Of the work of the Methodist Episcopal Church in Missouri and Arkansas, the Central Christian Advocale says: -

Christian Advocate says: --"No part of our great field promised more than this two years ago, and the results have fulfilled the hone. Silently, vet powerfully, the work has gone forward. Churches have been erected, Sunday Schools started and kept up, preaching places multiphed, and many souls converted. The work is still progressing, there there is a violent resertion on account though there is a violent reaction, on account of the newly excited hopes of the Rebels; but our brethren, amid obloquy and peril, pursue their triumphant course."

-Rev. Lawrence Riley, who died a few days since at Lyons, N. Y., at the advanced age of ninety years, became an itinerant preacher in the Philadelphia Conference nearly sixty years ago.

-The Methodists of Vermont have located their Conference Seminary and Female College at Montpelier,

before him." Unitarian.

-The Second National Unitarian Conference was held at Syracuse, N. Y., on the 10th and 11th inst. Resolutions were adopted in favor of tem perance, urging a larger supply of ministers, and pleaging \$20,000 for Meadville Theological School, and recommending the raising of \$100,000 for denominational purposes the present year. During the year ending September 30, \$60,896 were received. One hundred and thirty churches were represented in the Con-ference. Invitations to the Conference were exference. Invitations to the Conference were ex-tended to three hundred and thirteen churches. an increase of forty-three in eighteen months. It was resolved to adopt an amendment to the Constitution, so that the Conference may be composed of delegates from Unitarian Churches and other Christian Churches. The Conference will meet again in 1868.

-The Can bridge Divinity School has received nine students the present term, and three others are expected. Eight of the students in the school served in the war. Two new professors are sadly needed.

#### Universalist.

-The Universalist gives a list of contributionin this denomination the past two years for edu-cation, amounting to \$519,800, of which \$255,000 was for Tuft's College.

#### Bible Matters.

- At a monthly meeting of the Board of Managers of the American and Foreign Bible Society, applications for donations of Scriptures were numerous; some forty or fitty were presented. Those coming from the Southern States—such as Texas, North Carolina, South Carolina, Virginia, Tennessee, and Missouri-only confirm previous statements as to the entire disability of the brethren in the South to provide the means for the purchasing of Scriptures to supply the im-mediate and pressing wants of the poor whites as well as those of another color,

-Rev. Dr. Wescott, of New York, has been elected financial secretary of the American Bible Union, and it is expected that he will accept the appointment

-Dr. Van Dyck, now superintending the pub-lication of the Arabic Bible, gives it as his opinion that a Dr. Sheshabek, who has thoroughly embraced the Christian faith, is the leading mind of all the Arabic-speaking races. He is the author of several learned and valuable books written in the defense of Christianity.

#### Missionary Matters.
