INCREASED BAIL IN A COUNTEBERITING CASE.—William Gregar, who was committed some weeks ago by United States Commissioner Hibler, in default of \$10,000 bail, to answer the charge of being concerned in the manufacture of counterfeit Treasury bills, was before Judge Cadwalader yesterday, with a view to the entering of security. Eli Everett and Pelham Hollis had been examined as bail on Monday, but not being approved, John A. Gore was offered yesterday in addition to them. Judge Cadwalader remarked, that when an application had been made to him a few days before for a reduction of bail, he had said that, so far from reducing the amount fixed by the Commissioner, his in-INCREASED BAIL IN A COUNTERESITING the amount fixed by the Commissioner, his in-tention was to increase it. He did not like to increase the bail in any case, for fear that it might prejudice the public mind against the prisoner; but he did not know that the objection might not be pushed to a too great extent. His belief was that he should have fixed the ball originally at \$20,000, and he had come to the conclusion to add \$5000 to the \$10,000, making the whole amount \$15,000. He should not require any of the sureties offered to enter more than \$10,000 of the whole amount covering the sum named by the Commissioner. He should, however, expect that the bail would be of such a character that \$15,000 could be realized out of it in the event of the defendant not appearing.

The Judge then asked Mr. Gove if there had been any change in the condition of his pro-

District Attorney Valentine asked if the securities were to be indemnified.

Mr. Gore replied that he understood so.
The Judge intimated that he was not entirely satisfied to take the three persons offered, but

One of them asked him if he had any money to settle the affair, and not having any, he was induced to pawn his trock coat, on which the broker advanced \$2. This money be gave to the man who pretended to be in the office of the Alderman named.

Alderman White testified that he had not issued a warrant for the arrest of John Connelly. He had heard of the use of his name before for a similar purpose, and had reason to

Officer McCue testified that Harris had taken down two shawls hanging in front of a store on Eighth street; but upon discovering that he was observed, he walked into the store and gave the shawls up to one of the attendants, remarking that he had picked them up. As Harris was begging when arrested, he was committed for thirty days under the vagrant law.
