STEALING BRUSHES .- At the Central Station yesterday, a respectably dressed man, who gave the name of William Thompson, had a hearing before Alderman Beitler on the charge of stealing brushes at the store of Messrs, Kelton & Co., No. 908 Chesnut street. Charles Fogel testified that he was in the store when defendant came in, and asked to see a shoebrush; one was shown him, which he examined, remarking that he did not want to buy then. opon going out, he was observed to put a toothbrush in his pocket. He got off. Some hours after he entered again, and, being watched, was seen to first slip brushes up the sleeve of his coat, and then into his coat pocket. He was arrested, and handed over to one of the officers on the street, and taken to the lock-up. On his person were several vest patterns, which he declined to sav anything about. He was held for a further bearing at 2 o'clock to-day.

OFFICERS OF THE SPRING GARDEN SOUP Scriety.-This Society, located in Buttonwood street, near Broad, during last winter distri-buted about 700 pounds of bread and 5000 pints of soup weekly. They are preparing to com-mence operations again, and last evening the tollowing Board of Managers were elected:— James Peters, F. B. Atmore, Thomas Mather,

TOPOGRAPHIZING THE SCHEYLKILL .-The Chief Engineer of the Water Department is now engaged in making a survey of the Schuylkill river, from Fairmount Dam to the Columbia Bridge, for the purpose of ascertaning the changes that have taken place in the bed of the river during the past two years. The water at a distance of 100 feet from the fore-bay as 20 feet deep and appropriate Turrib Rock Find is 20 feet deep, and opposite Turtle Rock and the Skating Club-house, it is 35 feet deep. The water in the channel will average about a 6 5th of twenty feet, and a width of some 500 feet. The amount of deposit during the past two years, and its particular location, cannot be ascertained until the survey is completed.

SAVAGE ASSAULT .- Between 6 and 7 o'clock last evening, a man named James Lukens entered the residence of Mrs. Lindsay, No. 1728 Come street, and made an attack with on John Smith, inflicting a slight wound upon his head. The woman threw her-selt between the parties to prevent the fighting, when Lukens attacked her and drew the knife across her throat, making a severe gash about two inches in length. The wound is not considered dangerous. Mrs. Lindsay states that Lukens threatened to take her life several times previously. Her husband is now absent in Virginia. Lukens escaped.

APPLICATIONS FOR SEWERS APPROVED. -A stated meeting of the Board was held yes-terday. Applications for sewers in the following named streets were granted:—On Second street, between Lombard and South; on St. Mary street, between South and Seventh; on Barclay street, from Broad to Fifteenth; on Water street, from Callowhill to Vine; on Charlotta street, north of Culvert street; on Third street, from Race to Vine; on Cherry street, between Sixth and Seventh; on Levant street, be-tween Pear and Spruce, and on Davis street, from Twelfth street westward.

REPORT OF THE FINANCE COMMITTEE. The Finance Committee of Councils was in session last evening, and agreed upon reporting an advance making an additional appropriation of \$12,500 to the Board of Directors of the County Prison for the current year. On Thursday last, a communication from the Board asking for the appropriation was read in Common Council, and referred to the above committee. The Board state that, owing to the great number of prisoners in the institution, and the high price of flour and other articles of produce, it is necessary that the appropriation should be made.

DROWNED HIMSELF.-Francis Dow, a laborer, fifty years old, employed at the brewery of Messrs. Massey. Collins & Co., committed suicide yesterday by drowning himself in a well at the brewery. An inquest was held on the body, but the investigation failed to show any cause for the self-destruction. A verdict of "suicide by drowning" was rendered.

FINES AND PENALTIES .- The following Committing Magistrates are the only ones that have paid to the City Treasurer the fines and penalties received during the month of October: —James Massey, \$52; Lewis Godbou, \$43; and John Clouds, \$44; making a total of \$139.

No More Reports .- The Board of Health have concluded not to furnish for publication the cases of cholera reported daily, as said reports do not agree with the record of deaths reported weekly by the Registrar.

"Got."-The use of the word got is a superfluity in conversation. I have is sufficient, with the expletive. It will be perceived that the superfluity is avoided in the following para-

graph:—
"After I had got a good night's rest I got up;
and no sooner had I got on my things than in came Mr. B. We got into a discussion about an article of furniture that we had got the day before; he got quite agitated, and I got out of the room as quick as possible when he told me that I had got to be extravagant. After we had and through breakfast we got up an arrange-ment for a ride; so I got into the carriage; but we had not got far before it rained, and we got wet. So turning about we got back as soon as possible; I got a copy of the Transcript and seated myself before the fire."—Got, in Boston
