THE RELIGIOUS WORLD

Summary of religious intelligence for the week:-

Bantist. —In Jamaica Plain, Mass., there is a good work in progress in the Baptist Church of which Rev. A. J. Gordon is pastor. Mr. Gordon has the elements of power and strength. His preaching on Jamaica Pinin proyes it. Men of mind and heart are, through his instrumentality, being led to renounce Unitarianism, and are empreseing Christianity. So says the correspondent bracing Christianity. So says the correspondent of the Chicago Christian Times.

-A revival is in progress in connection with the Baptist Church at East Dover, Vt. Evi-dences of the good work were manifested imme-diately after the meeting at Burlington. The Baptist church at Brownsville, S. C.,

has been greatly revived, seventy-six having been added in about twelve months by baptism, the fruits of a good Sunday School,

John J. Fitzpatrick and Mat-thew Darcy, for the Diocese of Buffalo; and Deaconship on the Rev. Peter Daily, of Brooklyn. On the 9th inst., Mr. John P. Stewart was pro-

moted to Subdeaconship by Right Rev. Aug. Verot, Bishop of Savannah. —The dedication of the new Roman Catholic Church of St. Joseph, in Pittsfield, which we described somewhat elaborately last week, took place on Sunday, the 11th, with the ceremonies prescribed by the Church. The building was not quite completed, but the omissions were not such as to much impair the general effect, and the expression of admiration for the architecburst beauty of the building was more than sufficient to justify our description. Mass was celebrated in the morning at the old church, on Melville street, by the pastor, Rev. Edward

-The New York correspondent of the Catho lic Standard states that it was decided in the Baltimore Plenary Council that the question of the division of the New York Ecclesiastical Province should be left to the discussion of the Provincial Council, which will probably be held when the decrees of the Baltimore Council will have returned approved by the Pope.

-The new Cistercian Church and Monastery at Gothsemane, near New Haven, Nelson county, Kentucky, was dedicated on the 15th by the Most Reverend Archbishop Parcell. The Most Reverend Dr. Spaulding, Archbishop of Balti-more; the Right Rev. Dr. Lavialle, Bishop of Louisville, and jother prelates were expected to be present. The Most Rev. Archbishop of Baltimore preached.

-On Tuesday, November 6, the Right Rev. Bishop Wood, assisted by Very Rev. William O'Hara, D.D., V. G., and Rev. A. J. McConomy, Chancellor of this Diocese, admitted Misses Mary Hart and Bridget McSorley to the habit of the Order of the Sacred Heart. The ceremony was solemnized at the new Academy of the Sisters, Broad and Walnut streets.

-In San Francisco there were received to the Green Street Congregational Church fourteen members; to the Oakland Congregational Church six. On the previous Sunday thirty were added to the Howard Presbyterian Church, San Francisco.

-The Congregational Church in Pittsburg, Pa., of which Rev. Henry D. Moore is pastor, is pre-paring to build a much-needed house of worship, and the ladies of the church are to hold a grand fair for the object on the 11th of December.

-Dr. Cheever will preach on the morning of Thanksgiving Day, on the "Basis of Repre-sentation" appointed in the Constitution, as essential to freedom.

-The New Jersey Conference of Congrega tional Churches meets in Jersey City on Tues day, December 4, at 2 P. M.

Dutc h Reformed.

The number of travelling preachers is 4576, an increase over the previous year of 401. The number of local preachers is 8602, an increase of missionaries not embraced in crease of missionaries not embraced in the appual 209. The total ministerial force, not in-cluding the bishops, is 16,178, being a net in-crease of 616. Philadelphia Conference has the largest number of travelling ministers, namely,

271, and Colorado the smallest, namely, 3. In local preachers Philadelphia also excels, having 351; Nevada reports only 6, which is the smallest

The total membership reported is 1,032,184, an increase during the year of 102.925. This is in excess of the number we gave last week, the difference arising from the correction of the report ference arising from the correction of the report of one of the conferences by the secretary. This is an increase during the year of over eleven per cent. The number of baptisms stand thus:—Adults, 47,419; children, 35,536; total, 82,955; being an increase of 18,269 adults and 2646 children, or a total increase of baptisms of 20,914. During the year 12,214 members died. These are not included above. If we add this number to that showing the increase, we find that Guring the year at least 115,139 persons united with the Methodist Episcopal Church.

The number of churches (houses of worship) is 10,462, being an increase of 420. The estimated value is \$29,594,604, an increase of \$2,843,602.

The Sunday School Advocate, at the close of the volume in October, issued a regular edition of 300,000 copies, a large increase over the preccomg year.

Presbyterian. -The Missouri Synod of the New School Presbyterians, at their late meeting in St. Louis, passed resolutions approving the action of Congress in resisting the usurpations of the President, and indorsing the Constitutional amendments. Theygatso "deprecated the conduct of the President in his late journey, and that of the local officers who received him, as calculated to introduce intemperate habits into the land, to demoralize our youth, promote dissipation, and encourage intemperance." These clergymen represent the morality and patriatism of an immense section.

-A North Carolina paper says that the Rev. Thomas Tate, the oldest Presbyterian minister in that State, died a few weeks since, in his ninety-fourth year.

-At a late meeting of the Synod of Baltimore, a Presbytery organized by missionaries at Rio Janeiro was received into connection with that body.

Unitarian.

A meeting of delegates from the Unitarian and Universalist Churches has been held in Brooklyn, to arrange for a union of the two bodies. They invited all Unitarians and Univer-salists of the vicinity, and all clergymen who wish for a better acquaintance, closer fellow-ship, and more efficient co-operation with each other and between these two denominations.

Union. -THE GENERAL ASSOCIATION OF CALIFORNIA met last month at Sacramento, in the spacious and pleasant editice of which Dr. Dwinell is pastor. About thirty churches were represented by a body of able and carnest men. A strong blow was struck for temperance, by the passage of resolutions against the manufacture and use of wine. A step was taken towards the found-ing of a theological seminary for the Pacific Coast, a plan adopted, trustees chosen, and measures started to procure the first fifty thousand dollars.

-The Christian Union of New York is about to lay before the public important suggestions, which, it is thought, will be received with favor.

Missionary. —The General Missionary Committee of the M. E. Church met in New York city November 8, and, after a session of five days, settled the missionary appropriations for 1867. This was first "approved by the Board," and then "con curred in by the Bishops" who were assembled on the occasion. It appropriates above a mil-lion dollars, of which \$20,000 is for office expenses, and \$306,674 for 'foreign missions, including exchange."

-The American Church Missionary Society report that for the year just closed thirty-eight Missionaries were employed, of whom twelve were new appointments, and twenty-four recommissioned. The receipts were \$56,412 38. and the expenditures, \$54,227.62.

-Rev. Dr. Cuyler's church, Brooklyn, is now sustaining two mission chapels among the des-titute in its neighborhood. The main church is full to overflowing, and the two chapels are highly prosper ous.
