THE GREAT FEATURE OF HUMPHREYS' HO-MCGOPATHIC SPECIFICS is that each remedy is a Specific for some wel-tknown complaint; or dis-ease, so that a person in buying a case may obtain the particular Medicine required for any ordinary complaint. Thus thousands, at a triffing expense, have been cured of long stand-base diseases, upon which they have ing troublesome diseases, upon which they have expended hundreds of dollars in vain. I am not very familiar with any other machine, except a Wheeler & Wilson, which I have had. I think the Grover & Baker machine is more easily managed, and less liable to get out of order. I prefer the Grover & Baker, decidedly."-Testi-nomy of Mrs. Dr. Watts, of New York, before the Commissioner of Patents.
