May 27, 1867.

Sealed Proposals for furnishing Anthracite
Coal for the Navy, to be delivered during the
fiscal year ending 30th June, 1868, will be received at this bureau until 10 A. M., 24th June,
1867. These proposals must be endorsed "Proposals for Anthractic Coal for Steamers," that they may be distinguished from other business letters.

The offer must be for the delivery of 20,000 The other must be for the delivery of 20,000 tons, of 2240 pounds.

The ceal must be of the best Buck Mountain or Black Heath, or of a kind equal to them in all respects, for the purpose intended, which equality will be determined by a Board appointed by the Secretary of the Navy after the recentlon of the bids. reception of the bids.

The name of the coal proposed to be furnished must be stated in the offer.

must be stated in the offer.

It is to be delivered in lumps of suitable size for naval steamers, clean, of uniform quality, selected free from impurities, unmixed, of which the contractor will be required to furnish such evidence as will be satisfactors, and be subject to such inspection as to quality and quantity as the Department may direct. The coal must in all respects be satisfactory to the inspector or inspectors to be appointed by the Bureau, who will have the right of peremptory Bureau, who will have the right of peremptory

rejection.
The coal is to be delivered on board of vessels at such places in the port of Philadelphia as may be designated by the Bureau, and in such quantities, and at such thoses, as in the opinion of the Bureau, the extendes of the service may require, commencing when the vessel is reported ready to receive cargo; furnishing, if demanded, not less than 600 tons per day, to be distributed to each vessel as may be directed, until the loading is completed.

Proposals will likewise be received for the definers of 12 for the same analysis of coal

Proposals will likewise be received for the de livery of 12,000 tons of the same quality of coal, to be delivered in the port of New York, on board vessels, as at Philadelphia.

In the case of fatiure to deliver the coal in proper quantity or the proper quality, and at the proper time and place, the Bureau will reserve in the contract the right to purchase forthwith, at the contractor's risk and expense, that which may seem necessary to supply the deficiency.

that which may seem necessary to supply the deficiency.

Any demurrage or other charges to which the Navy Department may be subjected from delay in the prompt delivery of the coal by the contractors, will be deducted from their bills.

The price must be for the coal delivered on board vessels, on the terms and conditions above stated, at the contractor's risk and expense, and without extra charge of any kind.

The offer, as required by law, must be accompanied by a written guarantee, signed by one or more responsible persons, to the effect that they undertake that the bidder or bidders will, if his or their bid be accepted, enter into oblithey undertake that the bidder or bidders will, if his or their bid be accepted, enter into obligation, at such time as may be prescribed by the Bureau, with good and sufficient securities, to furnish the supplies proposed.
